Kautz,2012-04 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by his tor ical or literary means Some of them had demonstrated their unusual skill by probing deep ly into the personal lives and minds of historical individuals other than Jesus while some had provided important and detailed technical infor mation which was then verified scien tifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Test ament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illumi nating insights and a deep spiritual under standing of Jesus original and hidden teach ings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history *Hermeneutics and Early Christian Gospels*

Todd Brewer ,2025-03-17 **The Brother of Jesus and the Lost Teachings of Christianity** Jeffrey J. Bütz,2005-01-25 Reveals the true role of James the brother of Jesus in early Christianity Uses evidence from the canonical Gospels apocryphal texts and the writings of the Church Fathers to reveal the teachings of Jesus as transmitted to his chosen successor James Demonstrates how the core message in the teachings of Jesus is an expansion not a repudiation of the Jewish religion Shows how James can serve as a bridge between Christianity Judaism and Islam James has been a subject of controversy since the founding of the Church Evidence that Jesus had siblings contradicts Church dogma on the virgin birth and James is also a symbol of Christian teachings that have been obscured While Peter is traditionally thought of as the leader of the apostles and the rock on which Jesus built his church Jeffrey B tz shows that it was James who led the disciples after the crucifixion It was James not Peter who guided them through the Church s first major theological crisis Paul s interpretation of the teachings of Jesus Using the canonical Gospels writings of the Church Fathers and apocryphal texts B tz argues that James is the most overlooked figure in the history of the Church He shows how the core teachings of Jesus are firmly rooted in Hebraic tradition reveals the bitter battles between James and Paul for ideological supremacy in the early Church and explains how Paul s interpretations which became the foundation of the Church are in many ways its betrayal B tz reveals a picture of Christianity and the true meaning of Christ s message that are sometimes at odds with established Christian doctrine and concludes that James can serve as a desperately needed missing link between Christianity Judaism and Islam to heal the wounds of centuries of enmity *In Search of Jesus of Nazareth and His Original Teaching* Paul A.

Weekes,2020-05-28 *In Search of Jesus of Nazareth and His Original Teaching* By Paul Weekes In Search of Jesus of Nazareth and His Original Teaching chronicles author Paul A Weekes s research and analysis as he quests to understand the historical Jesus and his original teachings It is his sincere hope that his research may be used as a guide to help others clarify their own faith and belief The Four Gospels of Jesus the Christ Robert Luthmers,2011-07-30 The purpose of this book is to feature the Gospels of Jesus the Christ in an authentic canon apart from the patriarchal language framework of the New Testament By that I mean that the gospels have been translated into a language framework that clarifies the truth of the Gospels by eliminating the bias and obscurities of patriarchy gender anti Semitism and the sixteenth century s distortions inherent in King James I s promotion of the divine right of kings From the discoveries and research over the last fifty years I have been inspired by the Gospel of Mary the Gospel of Thomas and writings on the Aramaic basis of the Gospels where the authentic voice of Jesus is made accessible The Divine Code Martin D. Caldwell,2025-03-04 The Divine Code Aeons and Esoteric Christianity There exists a truth older than time itself deeper than any visible doctrine A living truth buried beneath layers of dogma silenced by decrees and forgotten by collective consciousness Yet it pulses silently at the core of the human soul waiting to be remembered the Aeons Between the vastness of the Pleroma and the illusory veil of matter lies a living hierarchy of cosmic intelligences luminous forces that not only uphold the invisible order of the universe but also preserve the echoes of primordial wisdom Each Aeon an emanation of the supreme source carries a fragment of divine consciousness weaving a hidden bridge between the human and the transcendent They are the guardians of Gnosis the lost keys to spiritual liberation What doctrines suppressed this path reveals The veil separating the soul from its origin begins to tear exposing the forgotten memory of who you truly are not a separated being but a spark of the Pleroma a living reflection of the primordial light The journey home begins with awakening Each page unveils a portal Each revealed concept reverberates within you echoing the truth your soul has always known *Deconstructing Literal Christianity and the Corporate Church* Goði André RavenSkül Venås,2019-03-14 I created this book to convey what many people feel that they have been misguided by the church that promised to take care of them no matter what you believe it s all about believing and treating others well
