Histories of the Hidden God April D DeConick, Grant Adamson, 2016-04-08 In Western religious traditions God is conventionally conceived as a humanlike creator lawgiver and king a being both accessible and actively present in history Yet there is a concurrent and strong tradition of a God who actively hides The two traditions have led to a tension between a God who is simultaneously accessible to humanity and yet inaccessible a God who is both immanent and transcendent present and absent Western Gnostic esoteric and mystical thinking capitalizes on the hidden and hiding God He becomes the hallmark of the mystics Gnostics sages and artists who attempt to make accessible to humans the God who is secreted away Histories of the Hidden God explores this tradition from antiquity to today The essays focus on three essential themes the concealment of

the hidden God the human quest for the hidden God and revelations of the hidden God The Secret Revelation of John
Karen L. King, 2009-02-28 Lost in antiquity rediscovered in 1896 and only recently accessible for study The Secret Revelation of John offers a firsthand look into the diversity of Christianity before the establishment of canon and creed Karen L King offers an illuminating reading of this ancient text a narrative of the creation of the universe and humanity and a guide to justice and salvation said to be Christ s revelation to his disciple John Freeing the Revelation from the category of Gnosticism to which such accounts were relegated King shows how the Biblical text could be read by early Christians in radical and revisionary ways By placing the Revelation in its social and intellectual milieu she revises our understanding of early Christianity and more generally religious thought in the ancient Mediterranean world Her work helps the modern reader through many intriguing but confusing ideas in the text for example that the creator god of Genesis a self described jealous and exclusive god is not the true Deity but a kind of fallen angel or in an overt critique of patriarchy unique in ancient literature the declaration that the subordination of woman to man was an ignorant act in direct violation of the holy height In King s analysis the Revelation becomes not strange but a comprehensible religious vision and a window on the religious culture of the Roman Empire A translation of the complete Secret Revelation of John is included Hidden Secrets David Owen, 2002 History of espionage around the world including descriptions of the technology used **The Resistance Manifesto** Mark Dice, 2008-07-28 The Resistance Manifesto by Mark Dice contains 450 pages of extensively researched and documented information drawing from declassified documents mainstream news articles religious texts and personal interviews A dark web of evil is exposed like never before making Bible Prophecy and the New World Order crystal clear Learn the most powerful information about the Illuminati plans for the rise of the Antichrist the institutions people and powers involved and how you can fight them By the author of The Illuminati Facts Fiction ENDORSEMENTS Powerful and compelling A must read Alex Jones from Infowars com Mark takes you beyond 9 11 into a world of secret societies mystics and madmen Jason Bermas producer of Loose Change Mark Dice is not a conspiracy theorist he is a conspiracy realist This book tells it like it is I urge every American to read it and pass it on to your friends and relatives Wake up America Ted Gunderson Senior Special Agent in Charge retired FBI Los Angeles A must read for all Patriots Mark has the guts most of us wish we had Mike Hanson author of Bohemian Grove Cult of Conspiracy infiltrated Bohemian Grove with Alex Jones in the year 2000 Every patriotic American needs the valuable information in this outstanding book Its insights are vital to our overcoming the sinister forces now confronting us on every side Texe Marrs Power of Prophecy Ministry author of Codex Magica Mark Dice has assumed leadership of The Resistance Forewarned is forearmed and we all have a role to play in the future Or as Mark puts it The Resistance lives within each of us Jim Marrs author of Rule by Secrecy SOME TOPICS INCLUDE A detailed analysis of the September 11th attacks and evidence they were aided by elements within U S and foreign intelligence agencies to be used as a reason to jump start the War on Terror and the erosion of privacy and personal
