*A Disclosure of Secrets of Heaven Contained in Sacred Scripture Or the Word of the Lord* Emanuel Swedenborg, 2008  
The first volume of Secrets of Heaven Swedenborg's magnum opus offers a unique insight into the spiritual message of the Bible Opening with the creation story Swedenborg describes how each step in the process relates to our growth and development as spiritual people He traces the inner history of the peoples described in the Bible and connects their story to our own trials and tribulations showing how the Flood represents the spiritual devastation that urges us to begin our regeneration

Secrets from Heaven: Hidden Treasure of Faith in the Parables and Conversations of Jesus Fr Sebastian Walshe, 2020-05 The greatest teacher who ever lived Jesus knew how to reach his audience where they were at Whether preaching to a group in parable or holding an intimate conversation he had an unequalled ability to get across the message that his listeners needed to hear His teachings in the Gospels speak no less directly to us today But so rich in meaning are the words of our incarnate God so layered and profound his messages that often we fail to do more than scratch their surface And over time our habit of superficial encounter with the Word can become self-perpetuating In Secrets from Heaven Fr Sebastian Walshe helps you break free from stale and familiar takes on the Gospel giving you new eyes to see and new ears to hear the inexhaustible depths of Christ's wisdom The Parable of the Sowers the Good Samaritan the Prodigal Son the woman caught in adultery all these and more come alive in fresh ways revealing significant details and nuances scriptural historical connections and testaments to Christ's rhetorical and pedagogical genius that you've never noted before You'll marvel at Jesus' skill as an evangelist but more importantly you'll be powerfully moved to faith and love just as those who heard him in person long ago Nothing Jesus taught was truly secret he revealed the Father for all the world to see But that doesn't mean his revelation is simplistic Read Secrets from Heaven and go deeper into the saving mysteries of his life and words

*SECRETS FROM HEAVEN* PROF. IYKE NATHAN UZORMA, 2013-01-21 In the night of the same day the Lord appeared to me and stood in my prayer room This divine visitation was physical for the Lord sat down and commanded me to write at the same time all that He would say Then Our Lord and Saviour Jesus Christ spoke to me and said IYKE NATHAN UZORMA

Secrets from Heaven Latanya Hughes, 2016-01-29 Secrets from Heaven is a practical devotional guide that consists of Scriptures from the Bible on how to get our prayers answered The only way to receive an answer from God is to learn the Scriptures In gaining knowledge of who God is through his Word we will understand the mind of God When we understand the mind of God we will begin to pray the Lord's will over our lives However in order for us to receive what we desire our request must be in harmony with the principles of God's kingdom When we communicate with God it allows him to give us divine counsel When we do this he will listen and we can be certain that if God listens he will give us a definite answer God is ready to answer our prayers but we must ask him for his assistance Therefore we must pray with confidence and an expectation that God will answer us

Orlov,2023-07-24 The book represents an in depth investigation of acquisition cultivation and transmission of divine mysteries in Jewish apocalyptic and mystical accounts by focusing on the developments found in early Enochic writings These accounts deal both with revelations unveiled by God and angels to the patriarch Enoch and with illicit transmission of divine knowledge by the

rogue group of the fallen angels known as the Watchers Orlov argues that the map of otherworldly knowledge revealed to Enoch inversely mirrors the map of illicit revelations given by the fallen Watchers to humankind The study suggests that one of the possible objectives for the parallelism is that by revealing to Enoch the same divine mysteries that were earlier transmitted by the Watchers God attempts to mitigate the corruption caused by the fallen angels illicit instructions This book will be of interest not only for scholars specializing in historical and religious areas but also for experts in the fields of anthropology philosophy sociology psychology and gender theory it discusses several aspects of early and late Jewish religious epistemologies that elucidate the ideological context for the construction and affirmation of social roles and identities in various Jewish milieus Heaven V.C.
