Pull back the curtain on the real history of magic and discover why magic really matters If you read a standard history of magic you learn that it begins in ancient Egypt with the resurrection of a goose in front of the Pharaoh You discover how magicians were tortured and killed during the age of witchcraft You are told how conjuring tricks were used to quell rebellious colonial natives The history of magic is full of such stories which turn out not to be true Behind the smoke and mirrors however lies the real story of magic It is a history of people from humble roots who made and lost fortunes and who deceived kings and queens In order to survive they concealed many secrets yet they revealed some and they stole others They engaged in deception exposure and betrayal in a quest to make the impossible happen They managed to survive in a world in which a series of technological wonders appeared which previous generations would have considered magical Even today when we now take the most sophisticated technology for granted we can still be astonished by tricks that were performed hundreds of years ago The Secret History of Magic reveals how this was done It is about why magic matters in a world that no longer seems to have a place for it but which desperately needs a sense of wonder *Popular Mechanics* ,1917-05 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle

Magic, Stage Illusions and Scientific Diversions, Including Trick Photography Albert A. Hopkins,2022-09-16 Albert A Hopkins Magic Stage Illusions and Scientific Diversions Including Trick Photography is an intricate exploration of the world of magical arts as they stood at the turn of the 20th century Hopkins delves into the mechanics behind the mysticism providing insights into the methodological rigors that stage illusions and magic tricks demand The prose reflective of its time offers a nostalgic lens into the historical and artistic context of stagecraft and illusion It sits at the intersection of entertainment and science offering a comprehensive guide that is as much about the technical specifics as it is about the culture of magic and performance of the era Albert A Hopkins interest in the mechanics and presentation of illusions

expresses itself with clarity and thoroughness in this work His background potentially rooted in the scientific fascination of his time may have impelled him to dissect and systematically recount the inner workings of tricks that captivate audiences The author s dedication is evident in the meticulous attention to detail positioning him as knowledgeable in both the art of illusion and the science of perception For enthusiasts of magic history students of theatrical performance and those fascinated by the interplay between technology and entertainment Hopkins book provides a veritable treasure trove of information The work is commendable for its scholarly dissection of the craft and its context making it an essential read for those yearning to understand the underpinnings of what makes magic truly mesmerizing Magic Stage Illusions and Scientific Diversions Including Trick Photography is a classic that remains relevant for readers interested in the legacy of stagecraft and the evolution of performance entertainment

Sherlock Holmes: The Secret Notebooks June Thomson,2014-06-10 In Sherlock Holmes London reputations are fragile and scandal can be ruinous In order to protect the names of the good and not so good Dr Watson comes to the decision that his accounts of some of his friend s most brilliant cases must never see the light of day And so he conceals the manuscripts in an old dispatch box deep in the vaults of a Charing Cross bank Now outlasting the memories of those they could have harmed these mysteries finally come to light An aluminium crutch betrays the criminal who relies upon it for support An Italian Cardinal lies dead in a muddy yard in Spitalfields What do a pair of suspiciously successful gamblers have in common with the Transylvanian mind reader Count Rakoczi And can Holmes and Watson outwit the jewel thief who has the nerve to steal from the King of Scandinavia JUNE THOMSON a former teacher has published over thirty novels twenty of which feature her series detective Inspector Jack Finch and his sergeant Tom Boyce She has also written six pastiche collections of Sherlock Holmes short stories Her books have been translated into many languages June Thomson lives in St Albans Hertfordshire
