

"Of all the talents bestowed upon man, none is so precious as the gift of oratory. He who enjoys it wields a power more durable than that of a great king. He is an independent force in the world. Abandoned by his party, betrayed by his friends, stripped of his office, whoever can command this power is still formidable."

—Winston Churchill

The author shares his 17 years of experience and knowledge as an international keynote speaker and leadership education. He offers secrets and strategies for learners and leaders to break their bottlenecks to become successful speakers.

This book:

- Addresses the challenges involved in public speaking.
- Unlocks techniques to persuade and influence others.
- Debunks myths on public speaking and presentation skills.
- Explains the importance of TED talks to exist as an accomplished speaker.
- Offers innovative tools to boost the eloquence of your body language.
- Unlocks a blueprint to deliver an impromptu speech to engage and inspire your audience.
- Assists you to assess your strengths and weaknesses in public speaking.

This book is a "short course" on public speaking to become an accomplished speaker. It presents key ideas and insights about public speaking, presentation skills and communication skills on a platter to read in one sitting and practice. It is a quick reference guide for speakers, educators, executives, entrepreneurs, leaders and all those who aspire to improve their public speaking skills.

"Eventually, all of us will do public presentations at work, where we worship, or in community. Professor M. S. Rao has learned from experience and shares practical and useful tips for improving public speaking. Great quotes from leading thinkers and great ideas with impact."

—Dave Ulrich,

Senior Lectured Professor of Business, University of Michigan, and Partner, the KIL Group

The Psychology of Effective Speaking T. H. Pear, 2023-11-06 First published in 1933. The Psychology of Effective Speaking studies voice as an expression of personality. This book also criticises the education of its time but not always destructively. It asks why since people speak they should not speak better. It suggests that if democracy is to succeed, rapid increase in the effectiveness of vocal communication is urgently necessary and that this improvement begin in the lower classes of the schools. This book will be of interest to students of rhetoric, communication and
