## Secrets Of Houdini:

The Secrets of Houdini J. C. Cannell, 2012-12-06 Classic study exposing closely kept professional secrets and revealing in general terms the whole art of stage magic 98 illustrations      **The Secrets of Houdini** John Clucas Cannell, 1971      *The Secrets of Houdini* John Clucas Cannell, 1973-01-01 A friend and colleague of Houdini discusses the master magician's career and explains many of his tricks and escape devices      *Houdini's Book of Magic* Ben Hamilton, 1982-07-01 Reveals the magic behind some of the master magician's favorite tricks and sleight of hand movements      **Houdini's Favorite Paper Tricks** Houdini, 1999-07-01 Harry Houdini was without doubt the greatest magician in history Early in the twentieth century he toured Europe and America with his amazing stage show and as an escape artist regularly escaped from straitjackets jail cells vaults packing cases dropped into rivers and a surprising variety of other contrivances Some of the acts invented by Houdini such as Walking Through a Brick Wall and The Vanishing Elephant are still performed or attempted by professional magicians but many of the secrets of his most incredible feats have never been discovered However in this volume which has been lost for nearly a century Houdini wrote down and left for posterity the details of his favorite paper tricks and how you can do them yourself With this remarkable guide you can amaze your friends the mysterious feats of the master himself

The Life and Afterlife of Harry Houdini Joe Posnanski, 2019-10-22 Joe Posnanski enters the colorful world of Harry Houdini and his legions of devoted fans to explore the illusionist's impact on global culture and why his legacy endures to this day Nearly a century after Harry Houdini died on Halloween in 1926 he feels as modern and alive as ever The name Houdini still leaps to mind whenever we witness a daring escape The baby who frees herself from her crib Houdini The dog who vanishes and reappears in the neighbor's garden Houdini Every generation produces new disciples of the magician from household names in magic like David Copperfield and David Blaine to countless other followers whose lives have been transformed by the power of Houdini In rural Pennsylvania a thirteen year old girl finds the courage to leave a violent home after learning that Houdini ran away to join the circus she eventually becomes the first female magician to star on television In Australia an eight year old boy with a learning impediment feels worthless until he sees an old poster of Houdini advertising Nothing on earth can hold Houdini prisoner and begins his path to becoming that nation's most popular magician In California an actor and Vietnam War veteran finds purpose in his life by uncovering the secrets of his hero But the unique phenomenon of Houdini was always more than his death defying stunts or his ability to escape handcuffs and straitjackets It is also about the power of imagination and self invention His incredible transformation from Ehrich Weiss humble Hungarian immigrant and rabbi's son into the self named Harry Houdini has won him a slice of immortality No one has withstood the test of time quite like Houdini Fueled by Posnanski's personal obsession with the magician and magic itself *The Life and Afterlife of Harry Houdini* is a poignant odyssey of discovery blending biography memoir and first person reporting to trace Houdini's metamorphosis into an iconic figure who has inspired millions      *Ultimate Secrets Revealed*
