Long Live The Child:

I Will Take the Answer Ander Monson, 2020-02-04 A moving and wide ranging collection of essays by the author of *Letter to a Future Lover* The idea of connection permeates *I Will Take the Answer* Ander Monson's fourth book of utterly original and intelligent essays How is our present connected to our past and future How do neural connections form memories and why do we recall them when we do And how do we connect with one another in meaningful ways across time and space In the opening essay which extends across the book in brief subsequent pieces a trip through a storm sewer in Tucson inspires Monson to trace the city's relationship to Jared Lee Loughner the gunman who shot Gabrielle Giffords and killed six bystanders along with how violence is produced and how we grieve and honor the dead With the formally inventive *I in River* he ruminates on water in a waterless city and the structures we use to attempt to contain and control it Monson also visits the exuberantly nerdy kingdom of a Renaissance Faire and elaborates on the enduring appeal of sad songs through the lens of March Sadness an online competition that he cofounded an engaging riff on the NCAA basketball tournament brackets in which sad songs replace teams As personal and idiosyncratic as the best mixtape *I Will Take the Answer* showcases Monson's deep thinking and broad ranging interests his sly wit his soft spot for heavy metal and his ability to tunnel deeply into the odd and revealing sometimes subterranean worlds of American life *James Dean is Dead! (Long Live James Dean)* Jackie Skarvellis, 2018-07-26 James Dean Hollywood's hottest star steps out of his crashed car and looks back on his short life A timely look at how the Hollywood powerful use sex drugs and power to make and break careers A no holds barred look at the life of an icon The Figure of the Child in WWI American, British, and Canadian Children's Literature Elizabeth A. Galway, 2022-03-30 Over the past century much attention has been paid to the literature written for adults in response to the First World War but there has been comparatively little consideration of how the war influenced literature for young readers at the time Based on extensive archival research this study examines an array of wartime writing for young people and provides a new understanding of the complexities and nuances within children's literature of the period In its discussion of nearly 150 primary sources from Britain Canada and the United States this volume considers some well known texts but also brings to light forgotten children's literature of the era providing new insights into how WWI was presented to the young people whose lives were indelibly impacted by the crisis Paying special attention to the varied ways in which child figures were depicted it reflects on what these portrayals reveal about adult conceptualizations of youth and it considers how these may have shaped young readers' own views of armed conflict citizenship and childhood From the helpless victim to the heroic combatant child figures appeared in many guises exposing a range of adult concerns about nation empire and children's citizenship Exploring everything from alphabet books for beginning readers to recruitment materials for high school students this book examines works from multiple genres and provides a uniquely comprehensive study of transatlantic children's literature produced during the first global war **Favourite Wisdom** Deborah Cassidi, 2003-12-01 From many walks of life

the contributors to this volume have chosen a broad kaleidoscope of wise sayings poetry and humour ensuring a wide appeal

Vos, 1983-08-29 Hundreds of thousands of children throughout the world have been introduced to the riches of the Bible through this classic Bible storybook First published seventy years ago the much loved Child's Story Bible continues to instruct and delight today's children and parents **The Children Act** Great Britain. Dept. of Health, 1991 How will the Children Act affect work with disabled children This guidance outlines the responsibilities of social services departments SSDs under the Act stating that they have a clear duty to provide services to children with disabilities Treating disabled children as children first is of paramount importance However there is a need for all staff who may be involved in providing a service to a child with a disability to be aware of legislation and SSDs should ensure that advice expertise and resources are available for their staff when needed **Intergenerational Justice** Lukas H. Meyer, 2017-05-15 The essays selected for this volume show how relations between past current and future generations have become a major subject of philosophical research since the 1970s The relations between people alive today with people who may exist in the future and people now deceased differ from relations between contemporaries and in ways that raise new conceptual logical and substantive questions Among the questions addressed in this volume are what is the status of people now deceased and people who may exist in the future Can the latter be harmed by the actions of people alive today What duties of justice do we have towards people with whom we can neither interact nor co operate and can people who are indirect victims of past injustices legitimately claim compensation Answers to these questions are relevant in a number of policy areas most notably in issues regarding reparations for historical injustice and responding to climate change and its consequences *DEVIL SMILE: Bolshevism as it was* Yadigar Zakariyya, 2017-01-25 A searing indictment of Bolshevism and the corruption and savagery in Azerbaijan during the tumultuous years in the first part of the 20th century times of revolution civil war the 1930's World War 2 and Stalinism **Where Texts and Children Meet** Eve Bearne, Victor Watson, 2002-01-04 It is impossible to reflect upon children's books without considering the children who read them Where Texts and Children Meet explores the ways in which children make meaning of the various texts they meet both in and out of school Eve Bearne and Victor Watson have brought together chapters on all the major issues and topics in children's literacy including the meaning and relevance of terms such as literature and classic texts an analysis of new genres including picture books and CD ROMs moral dilemmas and cultural concerns in children's texts working with quality texts that children will also adore Where Texts and Children

Meet shows how the world of children's books is changing and how teachers can build imaginative learning experiences for their pupils from a whole range of published materials *State Reports Queensland* Queensland. Supreme Court, 1904

The Child in Contemporary Latin American Cinema Deborah Martin, 2019-01-04 What is the child for Latin American cinema This book aims to answer that question tracing the common tendencies of the representation of the child in the cinema of Latin American countries and demonstrating the place of the child in the movements genres and styles that have defined that cinema Deborah Martin combines theoretical readings of the child in cinema and culture with discussions of the place of the child in specific national regional and political contexts to develop in depth analyses and establish regional comparisons and trends She pays particular attention to the narrative and stylistic techniques at play in the creation of the child's perspective and to ways in which the presence of the child precipitates experiments with film aesthetics Bringing together fresh readings of well known films with attention to a range of little studied works *The Child in Contemporary Latin American Cinema* examines films from the recent and contemporary period focussing on topics such as the death of the child in street child films the role of the child in post dictatorship filmmaking and the use of child characters to challenge gender and sexual ideologies The book also aims to place those analyses in a historical context tracing links with important precursors and paying attention to the legacy of the child's figuring in the mid century movements of melodrama and the New Latin American Cinema
