Return to the Scene of the Crime Kamil Naicker, 2023-12-01 A crime novel at once disturbing and perversely comforting factually has been known to curtail social anxieties through the open and shut case of its narrative form But what happens to that form in a world where guilt and innocence are not easily assigned Return to the Scene of the Crime takes place on the trope of an investigator returning to the post colony on a quest for knowledge In tandem with solving the case they must also grapple with the complexities of their origins Kamil Naicker shows how five authors defy generic expectations to illustrate the complexities of

personal identity transitional justice and civil violence in the post colonial world Congregating novels set in South Africa China Guatemala Sri Lanka and Somalia this book intervenes in literary studies by bringing the trend of the returnee figure and exploring the possibilities of world making through the explosion of a familiar form Print edition not for sale in Sub Saharan Africa
