Long Vowel Sounds Jeanne Schickli,Tara Cousins,2014-10-29 This book is a collection of 5 short silly stories focusing on the long vowel sounds *Short and Long Vowels* Kathey Paredes, Frank Schaffer Publications,1981 Activities to reinforce important vowel sounds short vowels long vowels vowel digraphs *Jule the Mule* Stephanie Marie Bunt,2020-04-08 Jule the Mule not only focuses on the long vowel U sound but teaches children to explore new interests and skills to find what they enjoy Through this experience they may find abilities that they otherwise never would have known about This new found talent can give them and others around them so much happiness Learning to read can be very difficult for children It is important that the steps are small enough to ensure success Many early reading children s books

immediately cover all short and long vowel sounds together which is very confusing for first time readers Through my research I have found that it is very important to introduce the vowel sounds one at a time Since there are so many first time reading books that blend too many words with too many vowel sounds together this can be frustrating for children and sometimes makes them want to shut down and give up Therefore I created these books so that children can build their confidence when reading Each book focuses on a particular vowel sound and starts out with simple words for success This book focuses on the long vowel U sound First practice the focus words with your child that are in each book Next each book is meant to be read by the parent to the child then together and eventually let the child try on their own When reading the books point to each word and each sound as you read it Then work on blending the sounds as you point to each sound with the child Continue practicing the focus words in each book and reading to and with your child Since each book focuses on one vowel sound it helps them to succeed in building their reading skills by working on one book and therefore one vowel sound at a time As your child builds confidence in one book they can move to the next Happy reading
