This time they may just find love. Evelyn Bennett's life was forever changed five years earlier. A broken engagement and a devastating injury were just the beginning of what was to come. With the death of her beloved grandfather she is once again confronted by Sebastian O'Connor, a man she had vowed never to work for again. Sebastian O'Connor has found himself at a crossroads. He has inherited a fifth of a company from a man he had once worked for and respected. He had left because he refused to take orders from Evelyn after the company had been left in her less than capable hands. But things were now different and after a vote he would take over the company making Evelyn take orders from him. There was no love lost between Evelyn and Sebastian from the day they met. That was about to change. Now that each of them owns equal shares of Evelyn's grandfather's business neither of them wants to relinquish control to the other. When old buried secrets come to the surface they find themselves uniting for the well-being of the company. Somewhere between Sebastian's confusing kisses and Evelyn learning to deal with old hurts and insecurities the pair find themselves attracted and in a relationship neither expected. Sebastian can be a bit domineering. Evelyn does a pretty good impression of a shrew. These two people meet again five years after they had parted on not so good terms to find that they are now different people, people who may just find that this time there is love between them. This is a standalone novel approximately 94,000 words. I love a story with people who are less than perfect. Please note this is an open door romance. I hope you enjoy. Lizzy Castle **The Works of Jack London: Novels, Short Stories, Poems, Plays, Memoirs & Essays** Jack London, 2023-12-22
