The History of the Civil War Charles River Editors, 2025-05-02 Americans have long been fascinated by the Civil War marveling at the size of the battles the leadership of the generals and the courage of the soldiers Since the war's start over 150 years ago the battles have been subjected to endless debate among historians and the generals themselves The Civil War was the deadliest conflict in American history and had the two sides realized it would take 4 years and inflict over a million casualties it might not have been fought Since it did however historians and history buffs alike have been studying and analyzing the biggest battles ever since The secession of the South was one of the seminal events in American history but it also remains one of the most controversial The election of Abraham Lincoln was the impetus for secession but that was merely one of many events that led up to the formation of the Confederacy and the start of the Civil War On December 20 a little more than a month after Lincoln had been elected the 16th president a convention met in Charleston and passed the first ordinance of secession by one of the United States declaring We the people of the State of South Carolina in convention assembled do declare and ordain that the Union now subsisting between South Carolina and other States under the name of the United States of America is hereby dissolved In January 1861 Mississippi Florida Alabama Georgia Louisiana and Kansas followed South Carolina's lead and the Confederate States of America was formed on February 4 in Montgomery Alabama with former Secretary of War Jefferson Davis inaugurated as its President A few weeks later Texas joined The Confederacy's hope of being let go in peace ended at 4:30 a.m. on the morning of April 12 1861 when Confederate Brigadier General P. G. T. Beauregard ordered the first shots to be fired at the federal garrison defending Fort Sumter in the Charleston Harbor effectively igniting the Civil War For nearly 36 hours Beauregard's Confederates unleashed a general bombardment from 43

guns and mortars positioned at various points across the Harbor Unable to effectively reply or defend themselves Major Robert Anderson raised the white flag early in the afternoon of April 13 bringing the first battle of the Civil War to a close No casualties were suffered on either side during the dueling bombardments across Charleston Harbor but ironically two U S Army soldiers were killed by an accidental explosion during the surrender ceremonies After Fort Sumter the Lincoln Administration pushed for a quick invasion of Virginia with the intent of defeating Confederate forces and marching toward the Confederate capitol of Richmond Lincoln pressed Irvin McDowell to push forward Despite the fact that McDowell knew his troops were inexperienced and unready pressure from the Washington politicians forced him to launch a premature offensive against Confederate forces in Northern Virginia **Almanac of American Military History** Spencer C.

Inventing Custer Edward Caudill,Paul Ashdown,2015-09-03 Custer s Last Stand remains one of the most iconic events in American history and culture Had Custer prevailed at the Little Bighorn the victory would have been noteworthy at the moment worthy of a few newspaper headlines In defeat however tactically inconsequential in the larger conflict Custer became legend In **Inventing Custer** The Making of an American Legend Edward Caudill and Paul Ashdown bridge the gap between the Custer who lived and the one we ve immortalized and mythologized into legend While too many books about Custer treat the Civil War period only as a prelude to the Little Bighorn Caudill and Ashdown present him as a product of the Civil War Reconstruction Era and the Plains Indian

Wars They explain how Custer became mythic shaped by the press and changing sentiments toward American Indians and show the many ways the myth has evolved and will continue to evolve as the United States continues to change *Grant and Lee* Edward H.
