Longest Day 1961

Lawrence H. Suid

Longest Day 1961:

Twentieth Century-Fox Peter Lev, 2013-03-15 When the Fox Film Corporation merged with Twentieth Century Pictures in 1935 the company posed little threat to industry juggernauts such as Paramount and MGM In the years that followed however guided by executives Darryl F Zanuck and Spyros Skouras it soon emerged as one of the most important studios Though working from separate offices in New York and Los Angeles and often of two different minds the two men navigated Twentieth Century Fox through the trials of the World War II boom the birth of television the Hollywood Blacklist and more to an era of exceptional success which included what was then the highest grossing movie of all time *The Sound of Music* *Twentieth Century Fox* is a comprehensive examination of the studio's transformation during the Zanuck Skouras era Instead of limiting his scope to the Hollywood production studio Lev also delves into the corporate strategies distribution models government relations and technological innovations that were the responsibilities of the New York headquarters Moving chronologically he examines the corporate history before analyzing individual films produced by Twentieth Century Fox during that period Drawn largely from original archival research *Twentieth Century Fox* offers not only enlightening analyses and new insights into the films and the history of the company but also affords the reader a unique perspective from which to view the evolution of the entire film industry

Guts and Glory Lawrence H. Suid, 2015-01-13 *Guts and Glory* The Making of the American Military Image in Film is the definitive study of the symbiotic relationship between the film industry and the United States armed services Since the first edition was published nearly two decades ago the nation has experienced several wars both on the battlefield and in movie theatres and living rooms at home Now author Lawrence Suid has extensively revised and expanded his classic history of the mutual exploitation of the film industry and the military exploring how Hollywood has reflected and effected changes in America's image of its armed services He offers in depth looks at such classic films as *Wings* *Thirty Seconds Over Tokyo* *The Longest Day* *Patton* *Top Gun* *An Officer and a Gentleman* and *Saving Private Ryan* as well as the controversial war movies *The Green Berets* *M A S H* *The Deer Hunter* *Apocalypse Now* *Platoon* *Full Metal Jacket* and *Born on the Fourth of July*

Cycles, Sequels, Spin-offs, Remakes, and Reboots Amanda Ann Klein, R. Barton Palmer, 2016-03-15 With sequels prequels remakes spin offs or copies of successful films or franchises dominating film and television production it sometimes seems as if Hollywood is incapable of making an original film or TV show These textual pluralities or multiplicities while loved by fans who flock to them in droves tend to be dismissed by critics and scholars as markers of the death of high culture *Cycles Sequels Spin offs Remakes and Reboots* takes the opposite view surveying a wide range of international media multiplicities for the first time to elucidate their importance for audiences industrial practices and popular culture The essays in this volume offer a broad picture of the ways in which cinema and television have used multiplicities to streamline the production process and to capitalize on and exploit viewer interest in previously successful and or sensational story properties An impressive lineup of established and emerging scholars talk

seriously about forms of multiplicity that are rarely discussed as such including direct to DVD films made in Nigeria cross cultural Japanese horror remakes YouTube fan generated trailer mash ups and 1970s animal revenge films They show how considering the particular bonds that tie texts to one another allows us to understand more about the audiences for these texts and why they crave a version of the same story or character or subject over and over again These findings demonstrate that far from being lowbrow art multiplicities are actually doing important cultural work that is very worthy of serious study

Global Geopolitics Klaus J. Dodds, 2014-05-22 Employing thematic investigation and illustrated through case studies Dodds explores how global politics is imagined and practised by countries such as the US and other organisations including Greenpeace the IMF and CNN International In addition the author discusses how issues such as environmental degradation terror networks anti globalisation protests and North South relations challenge consolidate and subvert the existing international political system

The A to Z of German Cinema Robert C. Reimer, Carol J. Reimer, 2010-04-01 German film is diverse and multi faceted its history includes five distinct German governments Wilhelmine Germany the Weimar Republic the Third Reich the Federal Republic of Germany and the German Democratic Republic two national industries Germany and Austria and a myriad of styles and production methods Paradoxically the political disruptions that have produced these distinct film eras as well as the natural inclination of artists to rebel and create new styles allow for the construction of a narrative of German film While the disjuncture generates distinct points of separation it also highlights continuities between the ruptures Outlining the richness of German film The A to Z of German Cinema covers mainstream alternative and experimental film from 1895 to the present through a chronology introductory essay appendix of the 100 most significant German films a bibliography and hundreds of cross referenced dictionary entries on directors actors films cinematographers composers producers and major historical events that greatly affected the direction and development of German cinema The book s broad canvas will lead students and scholars of cinema to appreciate the complex nature of German film

Jeffrey Hunter Paul Green, 2014-04-22 Jeffrey Hunter is best remembered today for his roles as half breed Martin Pawley in John Ford s classic western The Searchers 1956 as Jesus Christ in Nicholas Ray s King of Kings 1961 and as Christopher Pike the first captain of the U S S Enterprise in the original Star Trek pilot This work chronicles Hunter s entire film and television career from his beginnings as a 20th Century Fox contract player to his untimely death in 1969 at the age of 42 Fellow 20th Century Fox contract player Robert Wagner provides the Foreword and contributes his memories of working with Hunter Former vice president and head of Desilu Studios Herbert F Solow discusses Hunter s role in the original Star Trek pilot and Lloyd J Schwartz shares his memories of being present at Hunter s audition for the role of Mike Brady in The Brady Bunch 1969 Hunter s lost film Strange Portrait 1966 is also discussed in detail and his radio and theatre career highlighted

Histories on Screen Sam Edwards, Faye Sayer, Michael Dolski, 2018-02-08 How as historians should we read a film
Histories on Screen answers this and other questions in a crucial volume for any history student keen to master source use
The book begins with a theoretical Thinking about Film section that explores the ways in which films can be analyzed and
interrogated as either primary sources secondary sources or indeed as both The much larger Using Film segment of the book
then offers engaging case studies which put this theory into practice Topics including gender class race war propaganda
national identity and memory all receive good coverage in what is an eclectic multi contributor volume Documentaries films
and television from Britain and the United States are examined and there is a jargon free emphasis on the skills and methods
needed to analyze films in historical study featuring prominently throughout the text *Histories on Screen* is a vital resource
for all history students as it enables them to understand film as a source and empowers them with the analytical tools needed
to use that knowledge in their own work The Encyclopedia of Film James Monaco, 1991 An alphabetical reference on the
major film figures stars producers directors writers et al past and present Each entry provides a substantial career biography
and a complete listing of all films the individual has been involved with Annotation copyrighted by Book News Inc Portland
OR **Historical Dictionary of German Cinema** Robert C. Reimer, Carol J. Reimer, 2019-07-15 The History of German film
is diverse and multi faceted This volume can only suggest the richness of a film tradition that includes five distinct German
governments Wilhelmine Germany the Weimar Republic the Third Reich the Federal Republic of Germany West Germany and
the German Democratic Republic East Germany s well as a reunited Germany two national industries Germany and Austria
and a myriad of styles and production methods Paradoxically the political disruptions that have produced these distinct film
eras as well as and the natural inclination of artists to rebel and create new styles allow for construction of a narrative of
German film Disjuncture generates distinct points of separation and yet also highlights continuities between the ruptures
This second edition of *Historical Dictionary of German Cinema* contains a chronology an introduction appendixes and an
extensive bibliography The dictionary section has over 200 cross referenced entries on directors actors films
cinematographers composers producers and major historical events that greatly affected the direction and development of
German cinema This book is an excellent resource for students researchers and anyone wanting to know more about German
cinema *Movie Roadshows* Kim R. Holston, 2012-12-13 This work examines a film distribution system paralleling the rise of
early features and persisting until 1972 when *Man of La Mancha* was the final roadshow to require reserved seating
Synonymous with Hollywood s star studded premieres roadshows were longer and cost more than regular features making
the experience similar to attending the legitimate theater Roadshows often epic in subject matter played selected usually
only one theaters in major urban centers until demand decreased De rigueur by the 1960s were musical overtures
intermissions entre acte and exit music and souvenir programs for sale in the lobby Throughout the text are recollections by
people who attended roadshows including actor John Kerr and actresses Barbara Eden and Ingrid Pitt The focus is on

roadshows released in the United States but an appendix identifies international roadshows and films forecast but not released as roadshows Included are plots contemporary critical reaction premiere dates production background and methods of promotion i e the ballyhoo

The Longest Night , 2024-11-04 With an introduction by Gregor Benton *The Longest Night* tells the story of Chinese Trotskyism in its later years including after Mao Zedong s capture of Beijing in 1949 It treats the three ages of Chinese Trotskyism the founding generation around Chen Duxiu Zheng Chaolin Wang Fanxi and Peng Shuzhi who joined the Opposition after their expulsion from the Chinese Communist Party CCP the first generation of those who after 1931 did not

first pass through the ranks of the CCP before becoming Trotskyists and those who became Trotskyists after 1949 mainly in Hong Kong and the diaspora **D-Day in History and Memory** Michael Dolski, Sam Edwards, John Buckley, 2014-03-15

Over the past sixty five years the Allied invasion of Northwestern France in June 1944 known as D Day has come to stand as something more than a major battle The assault itself formed a vital component of Allied victory in the Second World War D Day developed into a sign and symbol as a word it carries with it a series of ideas and associations that have come to symbolize different things to different people and nations As such the commemorative activities linked to the battle offer a window for viewing the various belligerents in their postwar years This book examines the commonalities and differences in national collective memories of D Day Chapters cover the main forces on the day of battle including the United States Great Britain Canada France and Germany In addition a chapter on Russian memory of the invasion explores other views of the battle The overall thrust of the book shows that memories of the past vary over time link to present day needs and also still have a clear national and cultural specificity These memories arise in a multitude of locations such as film books monuments anniversary celebrations and news media representations Geopolitics: A Very Short Introduction Klaus Dodds, 2019-07-25

Geopolitics is a slippery term From great power politics and speculation about resource scrambles to everyday encounters and objects such as smart phones it affects citizens corporations international bodies social movements and governments Geopolitics is far more than simply the impact of geographical features such as rivers mountains and climate on political developments Geography matters but not necessarily in the way that pundits and presidents assume In this Very Short Introduction Klaus Dodds tours the field of geopolitics encompassing both its intellectual historical origins and its current concerns As people struggle to cross borders moving a few feet either side of a territorial boundary can be a matter of life or death dramatically highlighting the connections between place and politics Even far away from the front lines of states geopolitics remains an important part of everyday life A country's connectivity location size and resources all affect how the people that live there understand and interact with the wider world In this third edition Dodds includes new sections considering the rise of populism and economic nationalism as examples of how states people and corporations manage territorial frames for political projects such as Make America Great Again One Belt One Road and Brexit ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Industrieentwicklung Franz Bosbach, John R. Davis, Andreas Fahrmeir, 2009 Die Wettbewerbsfähigkeit der eigenen Industrie war spätestens seit dem 19. Jahrhundert immer wieder Gegenstand sorgenvoller Blicke auf eigene Schwächen und fremde Stärken Am Beispiel britischer und deutscher Debatten der jüngeren Vergangenheit untersucht der Band Erfolg und Misserfolg unterschiedlicher Strategien von Maßnahmen zur Steigerung individueller Leistungsbereitschaft bis hin zu großen
