

CHURCHES

A photograph of the Duomo di Milano (Milan Cathedral) at sunset. The cathedral's intricate Gothic architecture, featuring numerous spires and pinnacles, is silhouetted against a sky with soft, orange and pink clouds. The word "CHURCHES" is overlaid in large, white, bold, sans-serif capital letters across the center of the image. In the foreground, the Piazza del Duomo is visible, with a few people walking and the surrounding urban buildings.

Preaching on Wax Lerone A. Martin,2014-11-14 The overlooked African American religious history of the phonograph industry Winner of the 2015 Frank S and Elizabeth D Brewer Prize for outstanding scholarship in church history by a first time author presented by the American Society of Church History Certificate of Merit 2015 Award for Excellence in Historical Recorded Sound Research presented by the Association for Recorded Sound Collections From 1925 to 1941 approximately one hundred African American clergymen teamed up with leading record labels such as Columbia Paramount Victor RCA to record and sell their sermons on wax While white clerics of the era such as Aimee Semple McPherson and Charles Fuller became religious entrepreneurs and celebrities through their pioneering use of radio black clergy were largely marginalized from radio Instead they relied on other means to get their message out teaming up with corporate titans of the phonograph industry to package and distribute their old time gospel messages across the country Their nationally marketed folk sermons received an enthusiastic welcome by consumers at times even outselling top billing jazz and blues artists such as Bessie Smith and Ma Rainey These phonograph preachers significantly shaped the development of black religion during the interwar period playing a crucial role in establishing the contemporary religious practices of commodification broadcasting and celebrity Yet the fame and reach of these nationwide media ministries came at a price as phonograph preachers became subject to the principles of corporate America In Preaching on Wax Lerone A Martin offers the first full length account of the oft overlooked religious history of the phonograph industry He explains why a critical mass of African American ministers teamed up with the major phonograph labels of the day how and why black consumers eagerly purchased their religious records and how this phonograph religion significantly contributed to the shaping of modern African American Christianity Instructor s Guide *Who's who in Finance, Banking and Insurance* John William Leonard,1911 *Business America* ,1979 Includes articles on international business opportunities

The book delves into Looking At Churches David Charles Leisure Travel Series.
