Looking For Jaguar And Other Rain Forest Poems:

Looking for Jaguar Susan Katz, 2005-03-15 Looking for Jaguar takes you on an expedition through the world's rain forests In Costa Rica you will trek across a jungle in the clouds In Brazil you will canoe among treetops In Belize you will stand in the spattering rain listening to howler monkeys roar In Borneo you will cling to a rope bridge high in the canopy And what will you see Astonishing things A flower three feet in diameter that stinks like rotting meat An antelope so small and a frog so large that both are the same size A flying snake A tree that walks Astonishing and true **Gotcha for Guys!** Kathleen A. Baxter, Marcia Agness Kochel, 2006-11-30 Research indicates boys are interested in reading nonfiction materials yet most children's librarians prefer to booktalk fiction Offering citations for more than 1 100 books Gotcha for Guys deals specifically with books to pique the interest of middle grade boys A series of booktalks are grouped within chapters with like titles such as Creepy Crawly Creatures Disasters and Unsolved Mysteries Action and Innovation and All Things Gross Complete booktalks are presented in a beginning section of chapters 1-9 A second section in each of these chapters contains short annotations and talks for other books of interest and a third section offers lists of well reviewed titles to consider for boys The book is enhanced with book cover art and reproducible lists for teachers and librarians **Every Book Is a Social Studies Book** Jeannette Balantic, Andrea S. Libresco, Jonie C. Kipling, 2011-02-01 This text offers a teacher and student friendly collection of lessons and activities that help educators use picture books to engage younger students in meaningful social studies activities and bring this critical subject back in elementary schools In order for today's children to succeed as adults they need a solid foundation of life skills inculcated at a young age Social studies is key to building this critical knowledge yet less attention is being paid to social studies in elementary schools as this subject becomes more essential The authors of this text have a solution use picture books as dual purpose texts that fulfill more than just language arts needs and take the time dedicated to those lessons to simultaneously teach social studies Each chapter of this text is organized around one of the National Council for the Social Studies Ten Thematic Strands covering diverse and engaging topics ranging from community and individuality to science and technology This book serves as a vital resource for classroom teachers methods professors staff developers and curriculum writers who prioritize keeping social studies a part of the elementary school curriculum **Academic Competitions for Gifted Students** Mary K. Tallent-Runnels, Ann C. Candler-Lotven, 2007-11-19 The book makes an excellent case for competitions as a means to meet the educational needs of gifted students at a time when funding has significantly decreased Joan Smutny Gifted Specialist National Louis University Author of Acceleration for Gifted Learners K-5 The authors are knowledgeable and respected experts in the field of gifted education I believe there is no other book that provides this valuable information to teachers parents and coordinators of gifted programs Barbara Polnick Assistant Professor Sam Houston State University Everything you need to know about academic competitions This handy reference serves as a guide for using academic competitions as part of K-12 students total educational experience Covering

170 competitions in several content areas this handbook offers a brief description of each event plus contact and participation information The authors list criteria for selecting events that match students strengths and weaknesses and also discuss The impact of competitions on the lives of students Ways to anticipate and avoid potential problems Strategies for maximizing the benefits of competitions Access to international and national academic competitions This second edition offers twice as many competitions as the first provides indexes by title and by subject area and level and lists Web sites for finding additional competitions *The Horn Book Guide to Children's and Young Adult Books* ,2005 **Using Poetry**

Across the Curriculum Barbara Chatton,2010-01-13 This comprehensive listing and discussion of poetic works supports the standards of all areas of the curriculum helping librarians and teachers working with kindergarten through middle school students This second edition of Using Poetry Across the Curriculum Learning to Love Language offers a comprehensive list of poetry anthologies poetic picture books and poetic prose works in a wide variety of subject areas While it maintains the original edition s focus on ideas and resource lists for integration of poetry into all areas of the curriculum it is thoroughly revised to cover current issues in education and the wealth of new poetry books available The book is organized by subject areas commonly taught in elementary and middle schools and within these by the national standards in each area Numerous examples of poetry and poetic prose that can be used to help students understand and appreciate aspects of the standard are listed A sampling of units that arise from groups of works writing and performance ideas and links across the curriculum is also included While many teaching ideas and topics provide references to the standards they meet this title is unique in starting with those standards and making links across them *Best Books for Children, Preschool Through Grade 6* ,2006
