Selena's Secret María Celeste Arrarás, 2015-03-03 There is no doubt that Yolanda Saldivar pulled the trigger and killed the beloved Tejano superstar Selena Quintanilla Perez But does any of us know what really happened in Room 158 of the Days Inn moments before Yolanda fired the gun that took Selena's life Maria Celeste Arraras has many answers and her unrivaled coverage of the murder the trial and the aftermath have made her an expert on the Selena case **Galileo for Kids** Richard Panchyk, Buzz Aldrin, 2005-07-01 Galileo one of history's best known scientists is introduced in this illuminating activity book Children will learn how Galileo's revolutionary discoveries and sometimes controversial theories changed his world and laid the groundwork for modern astronomy and physics This book will inspire kids to be stargazers and future astronauts or scientists as they discover Galileo's life and work Activities allow children to try some of his theories on their own with experiments that include playing with gravity and motion making a pendulum observing the moon and painting with light and shadow Along with the scientific aspects of Galileo's life his passion for music and art are discussed and exemplified by period engravings maps and prints A time line glossary and listings of major science museums planetariums and web sites for further exploration complement this activity book **Make Your Life Prime Time** María Celeste Arrarás, 2009-04-28 Award winning journalist television personality and author Maria Celeste Arrarás shares advice through personal reflections In spite of the difficult obstacles she has confronted in her life Maria Celeste Arrarás has been able to move forward and triumph against all odds as a woman a mother and a professional Through a series of autobiographical anecdotes Maria shares with her fans the formula to achieve fame fortune and emotional fulfillment all at the same time Maria tells of the lessons she learned from her parents divorce the adoption of one of her sons in Russia and the abuse that her other son suffered at the hands of a nanny She talks about the betrayal of her unfaithful husband and making peace with the other woman And she reveals how her personal assistant stole her identity and thousands of dollars in the midst of her divorce Make Your Life Prime Time is funny and moving inspiring and powerful It's a lesson on the power of forgiveness and the importance of striving for excellence **Washington Diplomacy** John Shaw, 2002 A Washington Diplomat columnist interviews 66 influential figures giving us deep insights into policy politics and current affairs With an eloquent introduction by Sen Chuck Hagel **Lamp at Midnight** Barrie Stavis, 1955 **The Private Life of Galileo** Galileo Galilei, 1870

Galileo's Daughter Dava Sobel, 2009-05-26 Inspired by a long fascination with Galileo and by the remarkable surviving letters of Galileo's daughter a cloistered nun Dava Sobel has written a biography unlike any other of the man Albert Einstein called the father of modern physics indeed of modern science altogether Galileo's Daughter also presents a stunning portrait of a person hitherto lost to history described by her father as a woman of exquisite mind singular goodness and most tenderly attached to me Galileo's Daughter dramatically recolors the personality and accomplishment of a mythic figure whose seventeenth century clash with Catholic doctrine continues to define the schism between science and religion Moving

between Galileo's grand public life and Maria Celeste's sequestered world Sobel illuminates the Florence of the Medicis and the papal court in Rome during the pivotal era when humanity's perception of its place in the cosmos was about to be overturned In that same time while the bubonic plague wreaked its terrible devastation and the Thirty Years War tipped fortunes across Europe one man sought to reconcile the Heaven he revered as a good Catholic with the heavens he revealed through his telescope With all the human drama and scientific adventure that distinguished Dava Sobel's previous book *Longitude* Galileo's Daughter is an unforgettable story

The Observer Eduardo Periotto, 2022-05-22 On a winter morning an engineer invites his three children to descend with him into a deep diamond mine On this trip the youngest son finds a black stained crystal In adulthood he donates his find to a city museum where it remains forgotten in a drawer for a century gathering dust among many other mineral samples Professor Adam Chonsp is a renowned astrobiologist who has been searching for evidence of life beyond Earth for decades One day when he stops by the London History Museum to collect samples of asteroids rich in organic compounds that have recently arrived from Japan he learns that someone with his maternal surname once donated a rare crystal filled with fossilized genetic memories to the museum Curious he finds where the gem is kept opens the dusty drawer and places the mysterious crystal in his pocket After returning to the university Chonsp embarks on a determined quest to analyze the crystal and learn more without any idea that he is about to make an amazing discovery that leads him down a path he never expected In this exciting science fiction adventure an astrobiologist and his students study an ancient crystal that may just hold the key to uncovering the mysteries of the universe

Spindrift Allen Steele, 2008-03-25 Hugo Award winning author Allen Steele has forged a permanent place in the pantheon of great science fiction authors with his landmark Coyote Trilogy Now he returns to that universe and offers a startling glimpse into the future of space exploration and humanity itself June 1 2288 Europe's first starship the EASS Galileo launches on its maiden voyage to venture into unexplored space Its classified mission to investigate an unidentified possibly alien object traveling outside our solar system code named Spindrift Soon after taking off the Galileo disappears February 1 2344 A shuttle from the Galileo returns to Earth carrying three surviving expedition members The Galileo has been destroyed and the rest of the crew is lost but the survivors have not aged For they have indeed made contact with an extraterrestrial race and become enmeshed in a conflict that brought them face to face with the most apocalyptic force in the galaxy
