Marine Mystique:

Marine Mystique Frank Hernandez, 2000-07-21 *Marine Mystique* is an autobiographical work where I seek to render an account of my memories and experiences as a Marine Corps Drill Instructor D I The book is framed with descriptions and the jargon Explicit language related to life as a Marine D I It is filled with depictions of individuals conversations and my inner thoughts and emotions about the training of recruits as they strive to become Marines Discover the reason it is so important for a D I To learn the ability to mask his own emotions Learn what the making of a Marine is all about from the D I s point of view Feel the progression of pride as you turn each page the pride that is the United States Marine Corps Their Motto of Semper Fidelis Always Faithful and then know the Mystique and the kinship that is so strong that these men and women are ready to die for one another It all starts at Boot Camp and the D I And that is what this book is all about **To Be a U.S.**

Marine S. F. Tomajczyk, 2004-11-20 S F Tomajczyk s *To Be a U S Marine* reveals the training methods used in forging one of the nation s most efficient military armed forces Comprised of smart highly adaptable men and women the Marine Corps serves as the aggressive tip of the US military spear Theirs is a smaller more dynamic force than any other in the American arsenal and the only forward deployed force designed for expeditionary operations by air land or sea It is their size and expertise that allow them to move faster Working to overcome disadvantage and turn conflict into victory they accomplish great things and they do so together In the Marine Corps there is a motto that describes their commitment to each other their organization and their country It is Semper Fidelis or Semper Fi Translated from Latin it means Always Faithful With unprecedented access to the men in training around the country including California North Carolina Virginia and Okinawa S F Tomajczyk provides a behind the scenes look at Marine recruit training Boot Camp the 13 week process that transforms a young person with the courage to succeed into a mature highly disciplined and fully capable Marine During this time drill instructors teach individuals how to care for themselves and others function as a member of a team and to achieve success together Their training includes first aid water survival skills marksmanship tactics while also focusing on customs traditions and history that have made the Marine Corps respected around the world Includes Color Photographs The Masculine

Marine Steven Zeeland, 2013-04-03 This exciting book was listed as 1 on The Advocate s ital bestseller list for December 1996 In *The Masculine Marine* author Steven Zeeland records for the first time ever what active duty Marines have to say about what it means to be a man to be a Marine and to desire other men As the foremost surviving icon of traditional masculinity Marines are often considered the opposite of gay Yet in contemporary gay culture Marines are stereotyped as likely to play the passive role in sexual encounters with other men By vividly illustrating some of the startling ways in which gay and Marine attributes can coincide *The Masculine Marine* uncovers the wild sexual contradictions built into military hypermasculinity From ordinary grunts to a major who flies a combat jet Zeeland s Marine interviewees provide thoughtful and articulate insight into aspects of this rarely documented culture including homoerotic bonding among Marines how gay

Marines reconcile their sexual identity with the ethos of hard Marine supermasculinity how some Marines eroticize the pain and humiliation of Marine Corps boot camp Marines in all male pornography male attitudes toward women in the Marine Corps hazing and institutional violence These Marines talk candidly about what motivated them to join the United States most elite fighting force and they reveal how becoming Marines has shaped their sexual and gender identities For the student of gay or military studies or anyone sexually intrigued by men in uniform The Masculine Marine must reading Visit Steven Zeeland at his home page <http://www.stevenzeeland.com> U. prestige to various dissident and leftist political causes This biography of Smedley Butler is a sympathetic portrait of a Victorian officer warrior who lost his way as he advanced in rank and his America and his Marine Corps changed after World War I The Journal of American History This long awaited biography is as crisp as a David Brinkley commentary Fact packed and exquisitely documented Naval Institute Proceedings **International Law of the Sea and Marine Affairs** Nikos Papadakis, Martin Ira Glassner, 1984-04-06 International Law of the Sea and Marine Affairs **The Marine Corps Gazette**, 1979 *One of Us* Jack Ruppert, 2003-04-30 This engaging book plunges readers into the culture shock of Marine Officer Candidates School a ten week physical intellectual and emotional testing ground so grueling that every fourth candidate fails to complete What does it take to become a Marine Officer This engaging book transports readers through the culture shock of Marine Officer Candidates School a ten week physical intellectual and emotional testing ground that every fourth candidate fails to complete The Sergeant Instructors intensity is palpable as candidates are made to strip away civilian habits and attitudes replacing them the Marine Corps ethos in the hopes of becoming officers Anecdotes and personal recollections of OCS by two generations of officers provide instructive poignant and humorous interludes for the reader A second focus of the book involves research into the demographics attitudes and opinions of two groups of officers separated in time by 50 years This comparison across a wide range of personal and social issues and beliefs renders some surprising results that lie in opposition to conventional wisdom From the older generation the reader will better understand the lifelong impact of the Marine leadership experience From today s officers the reader will discover the motivations of today s allegedly soft and coddled young people to follow the difficult path to a lieutenant s gold bars This book is required reading for anyone with an interest in the Marine Corps and its culture **American Spartans** James A.
