Mark Of The Werewolf:

Mark of the Werewolf Jeffrey Sackett, 1990-01-01 A neofascist group seeks to tap into the immortality of Janus Kaldy a man werewolf condemned to an eternity of killing in order to breed a race of hatemongers impervious to death *The Mark of the Wolf* JS Groves, 2018-01-17 When a Margaret is attacked by what she believes to be a werewolf her life is turned upside down Confused and afraid the only people she feels safe going to for help are the strange goth kids that everyone says are witches Dominic and Aaron are Pagans not fools and smell a trap But Jacob insists they take her seriously When they agree to help her they and all their friends are swiftly drawn into a larger world of monsters and magic more dangerous than they had ever suspected was real **Kissed the Mark** Lila Gwynn, 2022-01-28 A fairy bounty hunter stumbles into a vampire conspiracy and gets more than she bargained for Olympia Carter is the fourth best bounty hunter in the supernatural town of Mayfair Missouri which isn't exactly an accomplishment she's proud to take home to her Unseelie fairy parents Enter Leandra a vampire who's high up on the vampire food chain She has a proposition for Olympia that could make her a ton of money if the target is even real And if it isn't what is Leandra plotting This F F fairy vampire urban fantasy is the first in a new trilogy by indie author Lila Gwynn **The Mark of Amulii** Aeron Dusk, 2021-11-20 Alexander Hunt holds onto two secrets both could ruin his life but one could end it The sudden move from Calgary Alberta to the outskirts of Jasper during his senior year leaves Alex isolated in a cabin with bickering parents He copes by taking daily hikes along the shores of Maligne Lake until he meets a young man named Amulii He's huge unkempt and speaks broken English but there's something else uncanny about him Alex can't quite place What starts as a frightening first encounter escalates the moment Amulii gives Alex a strange gift and reveals there's something much wilder about him than meets the eye Unbeknownst to Alex this sets off a series of devastating events that sends both of them fleeing from an aggressive well armed militia in the forest As Amulii and Alex escape into the mountains their bond strengthens as they learn from one another and what was once distrust evolves into something much deeper Despite that there are only two questions burning Alex's waking thoughts as they traverse the harsh wilds of western Alberta waiting for salvation will he be caught and killed or will he lose the rest of his humanity to Amulii's mistake **The Alpha's Soulmate** Raven Hart, 2025-06-09 In a world where mythical creatures rule humans are nothing more than slaves subjugated powerless and without rights They live in the shadows bound by the whims of their supernatural masters The only glimmer of hope in this oppressive world is the belief that someday they might become the soul mate of one of these creatures But not her She has always despised the very thought of mythical beings especially werewolves the monsters who are both feared and revered in equal measure Every bone in her body rejects the idea that she could ever be connected to one of them To her they are nothing but predators their power and cruelty leaving nothing but destruction in their wake The idea of being anyone's soul mate let alone a werewolf's is a notion that repulses her But fate has a twisted sense of humor When she discovers that she is in fact the soul mate of one of these so called

monsters everything she thought she knew about the world and herself shatters To make matters worse the werewolf she s destined for isn t just any creature he s the Alpha the most powerful and feared leader in the region He holds dominion over not just werewolves but all the mythical creatures who have long held sway over humanity Now she is caught in a battle she never asked for Her hatred for these creatures is torn apart by the undeniable bond growing between them a bond that calls to her soul even as it repels her heart She s faced with a choice reject the mate bond and risk everything her life her freedom and her very identity or embrace it and become the Alpha s mate in a world where power and control reign supreme Will she overcome her deep seated hatred and accept the truth of her soul s connection to the very monster she s spent her life despising Or will the weight of the bond prove too much tearing her apart in ways she never imagined
