Montanari,2005-02-15 In his sleek visceral novels Deviant Way Kiss of Evil and The Violet Hour Richard Montanari slammed into the suspense field like a force of nature Now Montanari has written an astounding novel that pits two besieged detectives against a fiercely intelligent serial killer Sprawling beneath the statue of William Penn Philadelphia is a city of downtrodden crack houses and upscale brownstones Somewhere in this concrete crazy quilt one teenage Catholic girl is writing in her diary another is pouring her heart out to a friend and yet another is praying And somewhere in this city is a man who wants these young women to make his macabre fantasy become reality In a passion play of his own he will take the girls and a whole city over the edge Kevin Byrne is a veteran cop who already knows that edge He s been living on it far too long His marriage failing his former partner wasting away in a hospital and his heart lost to mad fury Byrne loves to take risks and is breaking every rule in the book And now he has been given a rookie partner Jessica Balzano the daughter of a famous Philly cop doesn t want Byrne s help But they will need each other desperately since they ve just caught the case of a lifetime Someone is killing devout young women bolting their hands together in prayer and committing an abomination upon their otherwise perfect bodies Byrne and Balzano spearhead the hunt for the serial killer who leads them on a methodically planned journey Suspects appear before them like bad dreams and vanish just as quickly And while Byrne s sins begin to catch up with him and Balzano tries to solve the blood splattered puzzle the body count rises Meanwhile the calendar is approaching Easter and the day of the resurrection When the last rosary is counted a madman s methods will be revealed and the final crime will be the one that hurts the most Relentlessly paced and vividly told The Rosary Girls is a smart emotionally complex fiercely gripping thriller from an author who takes chances breaks new ground and leaves readers haunted and moved long after the last page is turned **BONUS** This edition contains an excerpt from Richard Montanari s The

of America's postmodern Christian culture and especially the promise of duplicating of these successes for love and marriage in our children is exciting and challenging to the point of precedent setting magnitudes The reader will experience riveting and exciting challenges to the status quo of our present day Christian culture Based on interviews with more than 1000 adults nationwide the survey discovered that less than one out of every five adults believes that children under the age of 13 are being superbly or pretty well prepared for life emotionally physically spiritually intellectually or physically Fewer than one out of every twenty adults believes that America's youngsters are receiving above average preparation in all five of those areas of life Americans Agree Kids Are Not Being Prepared for Life The Barna Group October 26 2004 The couples who discover the answers to the moral morass of our postmodern Christian culture are those who know that the future of their children is in jeopardy and that we are in a war for the control of that future Sadly the statistics of broken homes divorces adultery domestic violence drugs and promiscuity to mention only some of the ills of our culture are almost equally divided between Christian families and non Christian families This is unacceptable as a comparison and must change Consequently fathers and mothers of faith and grace are those who are and or who will experience God's promise of victory over these fruits of our fallen nature and live a marriage experience that captures the best of God's gifts of love sex and romance in marriage Daddy's Little Girl and Mommy's Little Boy brings us clear evidence of just how America's Christian couples can have this victory in their marriage and how to duplicate this success in their sons and daughters [A Little Girl in Old New York](#) Amanda M.
