

Poetry

Prose

- Expressive and artistic writing
- Uses rhythm, imagery, and figurative language to create emotional impact
- Ideas are contained in lines that may or may not be sentences
- Uses line breaks to follow a formatted rhythm or to emphasize an idea
- Use metrical patterns, such as rhyme and meter, to create a musical quality
- More condensed, communicating a lot of meaning in a few words
- Comes in various forms such as sonnets, haikus, free verse, and villanelle

- Everyday writing
- Straightforward writing with limited decoration
- Ideas are contained in sentences that are arranged into paragraphs
- No line breaks
- Traditional conventions with capitalization and punctuation
- Usually written in a linear fashion, with a clear beginning, middle, and end
- Used for most forms of fiction and nonfiction, such as novels, short stories, essays, and articles

Wallace Stevens: Collected Poetry & Prose (LOA #96) Wallace Stevens, Frank Kermode,1997-10-01

Undoubtedly the single finest collection of Wallace Stevens ever produced Library Journal Wallace Stevens's unique voice combined meditative speculation and what he called the essential gaudiness of poetry in a body of work of astonishing profusion and exuberance poems that have remained an inspiration and influence for generations of poets and readers Now for the first time the works of America's supreme poet of the imagination are collected in one authoritative Library of America volume Here are all of Stevens's published books of poetry side by side for the first time with the haunting lyrics of his later years and early work that traces the development of his art From the rococo inventiveness of *Harmonium* his first volume including such classics as *Sunday Morning* and *Thirteen Ways of Looking at a Blackbird* through *Notes Toward a Supreme Fiction* *Esthétique du Mal* *The Auroras of Autumn* and the other large scale masterpieces of his middle years to the austere final poems of *The Rock* Stevens's poetry explores with unrelenting intensity the relation between the world and the human imagination between nature as found and nature as invented and the ways poetry mediates between them The volume presents over ninety poems uncollected by Stevens including early versions of often discussed works like *The Comedian as the Letter C* and *Owl's Clover* Also here is the most comprehensive selection of Stevens's prose writings *The Necessary Angel* 1951 his distinguished book of essays joins nearly fifty shorter pieces many previously uncollected reviews speeches short stories criticism philosophical writings and responses to the work of T S Eliot Marianne Moore William Carlos Williams and other poets The often dazzling aphorisms Stevens gathered over the years are included as are his plays and selections from his poetic notebooks Rounding out the volume is a fifty year span of journal entries and letters newly edited from manuscript sources which provide fascinating glimpses of Stevens's thoughts on poetry and the creative process The volume also contains explanatory notes a detailed chronology of Stevens's life and an essay on textual selection LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries **The Poems** William Blake,1885
