Pivot or Pirouette? Tom Flanagan,2022-10-01 Pivot or Pirouette covers both the backstory and the aftermath of the strangest election in Canadian history as told by an insider who was involved in the events before during and after the ballots were cast In the early 1990s a pan Canadian coalition of Tory voters had been splintered by constitutional politics Discontented voters flocked to new regional parties the Conservatives attempted to turn the tide by choosing the first female prime minister but their efforts fell flat In the 1993 election the party was reduced to two seats the separatist Bloc Quebecois became the official opposition and the Reform Party swept the West Although the shocking results seemed pivotal ultimately the pivot turned into a full pirouette as Canadian politics returned to historical norms new parties shake up the system but are eventually absorbed into it bringing innovation but not transformation You can't understand modern Canadian politics without understanding the 1993 election

Driven Apart Annis May Timpson,2001 From the outset of second wave feminism in Canada women have advanced analyses of employment inequality that embrace their labour in both the public and domestic spheres Through campaigns task forces and direct engagement with government departments activists have argued that only when the Canadian state takes account of their roles as care providers can women's full potential as worker citizens be realized

Full Circle: Death and Resurrection In Canadian Conservative Politics Bob Plamondon,2014-11-21 Full Circle tells the dramatic story of how the Canadian conservative movement was fractured in the 1990s and how it was restored to glory and was returned to power in 2006 It recounts the humiliating defeat of the Progressive Conservative Party the rise of the Reform Party and a decade long sojourn for conservatives in the political wilderness It lays out step by step the strokes and counterstrokes the promises

made and broken the betrayals and defections within a movement riven by faction Based on meticulous background research and interviews with the key players Full Circle takes the reader behind the scenes in a high octane expos of political machination intrigue and the ultimate battle for survival and supremacy Sweeping in its breadth and scope captivating in its detail Full Circle is the definitive account of this unprecedented period in Canadian political history Even those involved in conservative politics will be shocked by the startling revelations and debunking of popular myths The death and resurrection of Canada s conservative political movement over the past two decades is a story that has never been told from beginning to end until now

Courtney,1995-09-14 Do Conventions Matter provides a complete overview of national party conventions in Canada from 1919 when the first convention was held to 1993 including the selection of Stanfield Trudeau Broadbent Clark Mulroney Turner McLaughlin Chr tien Campbell and Manning Courtney compares leadership selection practices in Canada with those in the United States Britain and Australia and shows that Canadian conventions remain a distinctive means of choosing party leaders Focusing on modern developments in the convention process Courtney highlights changes in representation over the last thirty years addresses criticisms about costs and delegate selection practices and examines the role of the media He concludes with an examination of the future of conventions in the context of Canadian democracy given sky rocketing costs the movement to reform political parties and the push towards a universal membership vote He argues convincingly that the objectives of greater representation and greater democracy explain both the emergence of conventions to choose the leaders of federal parties and their possible demise in the near future

Canada Hugh G. Thorburn,1996 *Parties, Leaders, and Ideologies in Canada* Colin Campbell,William Christian,1996

Women, Power, Politics Sylvia B. Bashevkin,2009 Women s participation in politics matters very much Yet in Canada women MPs have been stuck at a level of roughly one fifth since 1993 and Stephen Harper has fewer women in his government than did Brian Mulroney Although we may believe women are making progress their representation in politics seems decidedly stalled So it comes as no surprise that we hear little about issues of particular interest to women breast cancer violence against women or the poverty of single mothers In this engaging no nonsense and witty book Sylvia Bashevkin argues that Canadians have a profound unease with women in positions of political authority what she calls the women plus power equals discomfort equation She explores the specific reasons why this discomfort is particularly severe in Canada Bashevkin also evaluates a range of barriers faced by women who enter politics including the media s role in assessing the leadership styles personal appearances and private lives of female politicians In clear accessible terms Bashevkin explains concepts such as gender schemas and media framing in terms of key examples such as Belinda Stronach and Hillary Clinton Finally Bashevkin outlines some compelling solutions to address the stalemate facing women in Canadian politics

Ties that Bind James Bickerton,Patrick J. Smith,1999 Viewed from afar electoral politics in Canada may seem a strange amalgam of predictability and surprise stability and volatility At the close of the twentieth century the party in power is the same one that governed at the beginning of the century and for an inordinate amount of time in between Yet the contemporary party system seems to bear little relation to that which characterized either turn of the century or mid century Canadian politics In fact several dramatic upheavals have taken place in the relationship between parties and voters Elections clarify for parties and voters the current character of their relations Partially obscured vaguely calibrated or hidden perils in the voter party relationship will often rise to the surface during election periods and the ties that bind diverse communities of voters to particular parties are tested Clearly the relationship between Canadian voters and their political parties has seldom been an easy one especially at election time However to describe it as unstable or volatile would be misleading There have always been strong currents of continuity and stability in voter party relations in Canada that are deeply rooted in regional political cultures and party histories in enduring ties between ethnocultural or linguistic groupings and particular parties and in the economic and class cleavages that influence left right ideological divisions *Ties That Bind* looks at the socio economic ethnolinguistic and demographic factors in party support the enduring quality of these social bases the importance of geography in structuring variations in the voter party relationship and electoral change as a function of the strategic decisions of the parties and their leaders and the voter response these decisions evoke Analyse de Politiques ,1995

procedimientos modernos de reforma constitucional crean mecanismos pacíficos transparentes y predecibles para alcanzar transformaciones políticas y sociales profundas que antes solo eran posibles mediante una revolución violenta *Canadian Political Culture(s) in Transition* Hamish Telford, Harvey Lazar, 2002 Canada The State of the Federation 2000 01 probes beneath the surface to determine if the obvious changes the fractious federal party system the common sense revolution in government budgeting the re birth of the sovereignty movement in Quebec and the re assertion of Aboriginal claims are symptomatic of a shift in Canadian political culture Arguably political changes in Canada have been greater in the 1990s than in any other decade since Confederation but do these changes signify a shift in Canadian political culture Can we even speak of a Canadian political culture What are the consequences of these changes for the federation Are Canadians more or less united Are federal provincial relations better or worse What does the future hold The authors attempt to answer these questions through analyses of the federal party system politics in the provinces and regions and political dynamics in a number of issue areas including Aboriginal politics the Charter multiculturalism the rural urban cleavage and social policy
