Conflict of Interest in

American Public Life Andrew Stark,2003-09-15 Stark draws on legal moral and political thought to analyze several decades of debate over conflict of interest in American public life He offers new ways of interpreting the controversies about conflict of interest explains their prominence in American political combat and suggests how we might make them less venomous and intractable *A Dictionary of Modern Legal Usage* Bryan A. Garner,2001 A comprehensive guide to legal style and usage with practical advice on how to write clear jargon free legal prose Includes style tips as well as definitions **A Tax Guide to Conservation Easements** C. Timothy Lindstrom,2012-09-26 Voluntary land conservation resulting from increasingly alluring tax benefits has significantly changed the face of land use in the United States and promises to have an even more significant influence in the future There are more than 1 500 land trusts in the U S today involving millions of acres of land that have been permanently protected by conservation easements Most of these land trusts depend heavily upon the significant income or estate tax benefits offered by the federal tax code as an incentive for voluntary land conservation However only a very small percentage of land trust personnel landowners or their advisors or even government officials fully understand the complexity of the requirements for these tax benefits This is a comprehensive book on the tax benefits of the charitable contribution or bargain sale of a conservation easement It provides a detailed explanation of the complex and extensive requirements of the federal tax code and related concepts including the rules governing the operation of tax exempt organizations such as land trusts Clearly written systematic in its coverage it is intended to be of value for anyone who deals with land trust issues including land trust staff and trustees landowners lawyers accountants government officials and interested lay people Structured for easy reference A Tax Guide to Conservation Easements is designed to be used as a resource tool Related topics are cross referenced throughout All principles in the book are illustrated with one or more useful examples The tax benefits of contributing a conservation easement are unquestionably the heart of voluntary land conservation today Knowledge of the tax law relating to land trusts and conservation easements is vital to properly establishing and managing land trusts and to insuring the tax deductibility of conservation easements The future of voluntary land conservation is dependent on a clear understanding of tax policy Complete meticulous and up to date A Tax Guide to Conservation Easements is an essential handbook Decisions United States.
