Quiet Dances Francisco Delli, 2002-07-18 Is the heart empty or is the heart full It may just concern you Are you happy or are you blue Thus I thought on that rainy afternoon The mind is like a pond whose waters are still and each recurrent thought is like a heavy stone thrown therein The key here are the breaks knowing how to stop Every time I read where wisdom is involved this is what I read this is all they talk Bulgarian Folk Dances Raina Katsarova, Kiril Dzhenev, 1976

Emptiness Dancing Adyashanti, 2006-05-01 There is something about you brighter than the sun and more mysterious than the night sky Who are you when you are not thinking yourself into existence What is ultimately behind the set of eyes reading these words In *Emptiness Dancing* Adyashanti invites you to wake up to the essence of what you are through the natural and spontaneous opening of the mind heart and body that holds the secret to happiness and liberation From the first stages of realization to its evolutionary implications Adyashanti shares a treasure trove of insights into the challenges of the inner life offering lucid down to earth advice on topics ranging from the ego illusion and spiritual addiction to compassion letting go the eternal now and more Whether you read each chapter in succession or begin on any page you feel inspired to turn to you will find in Adyashanti's wisdom an understanding and ever ready guide to the full wonder of your infinite self nature

Dancing Anna Linzer, 2025-09-23 American Book Award Winner A linked collection of stories about the lives of one Native American family in Washington state and Oklahoma Story by graceful story Ghost Dancing reveals the evolving worlds of Jimmy One Rock his wife Mary and their family as they struggle together on a decaying reservation in the Pacific Northwest Alternating between Washington state and Jimmy s childhood on an Oklahoma reservation these stories link past and present through memory myth ceremony and a sly humor that undercuts the reverence of outsiders In spare yet rich language Anna Linzer creates a memorable portrait of contemporary Native American life Here is a collection as open and honest and authentic as the characters that it documents appealing and accessible as bittersweet as it is lovely Readers of Joy Harjo Leslie Marmon Silko and N Scott Momaday will discover these stories with pleasure The Rhythm of It—Poetry's Hidden Dance Anita Sullivan, 2019-11-12 In this brilliant collection of short essays author Anita Sullivan presents her observations on the topic of rhythm in poetry pointing out that certain poems not only feed the brain through narrative and ideas but also nourish the body through rhythm Sullivan is not talking here about rhyme but rather an extended palette of rhythmic patterns that are latent in normal speech but often show up in poetry when a degree of emotional intensity is applied to the words Merely being attentive to this possibility can enrich the experience of reading poetry far beyond what might be expected Dancing in the Shadows Madeline Jimenez, 2024-12-05 In Chicago s vibrant Little Village the air pulses with the rhythm of salsa bachata and the dreams of its residents Rosie Delgado a former ballet prodigy haunted by a silent past has traded pointe shoes for the raw energy of street dance finding solace in her sun drenched studio a haven for at risk youth Here dance is more than movement it s a lifeline a language of hope woven into the fabric of the community Mateo Vargas a gifted but troubled student embodies the struggles Rosie faces daily His natural grace masks a life caught in the crossfire of escalating gang violence Rosie sees in him a reflection of her younger self a flicker of potential threatened by the encroaching shadows Into this vibrant precarious world steps Ahmed El Sayed a social worker whose quiet strength resonates in the gentle cadence of his voice Captivated by Rosie s fire and the defiant spirit she ignites in her students Ahmed finds himself drawn into her orbit discovering an unexpected solace in the fiery rhythms of salsa a language that unlocks passions he keeps carefully hidden Together Rosie and Ahmed envision a vibrant dance showcase a fusion of Cuban rumba Egyptian zaffa and the myriad rhythms that echo through Chicago s streets But their shared dream faces mounting threats Mateo s situation worsens as the gang s grip tightens The looming shadow of gentrification threatens to displace them all jeopardizing the studio s very existence And the ghosts of Rosie s past resurface sharp and jagged threatening the fragile trust she s placed in Ahmed As his traditional Egyptian family arrives Ahmed finds himself torn between the comfort of his heritage and the intoxicating pull of a future with Rosie a future that seems increasingly impossible As the showcase approaches the pressures converge into a storm Mateo makes a desperate choice escalating the danger Rosie withdraws her fear a wall against Ahmed s gentle attempts to reach her The cultural chasms that once drew them together now threaten to

swallow their love whole The culminating performance becomes a battleground a fight not just for their students dreams but for their own Rosie fueled by a renewed sense of purpose pours her pain and resilience into a breathtaking performance her voice finally breaking free Ahmed inspired by her courage confronts his family choosing love over tradition *Dancing Between the Rain Drops* Rona Novis Brackett,2008-11 Rona Brackett has motivated her non writing kids to write deep poetry and stories because she is passionate about creative writing and self expression I believe that Rona s poetry book will inspire children and adults to gather up their positive energy and live despite their particular illness or dilemma in life She wrote the book during and after getting a stem cell transplant for ALL leukemia 80% of all profits are being donated to cancer leukemia research I recommend this book to anyone who wants to be inspired and live in the moment Linda Benton master teacher teacher trainer NVLA Elementary School Biomechanics of Dance Melanie Lott,2023-09-05 This book provides a detailed analysis of human movement building from simple physical models to more complex analyses and biomechanical models including forces internal to the body The book integrates principles of Physics with the functioning of the nervous and musculoskeletal systems to understand how movement in general and dance movements specifically can be executed to enhance performance and reduce injury risk *Art and Dance in Dialogue* Sarah Whatley,Imogen Racz,Katerina Paramana,Marie-Louise Crawley,2020-11-07 This interdisciplinary book brings together essays that consider how the body enacts social and cultural rituals in relation to objects spaces and the everyday and how these are questioned explored and problematised through and translated into dance art and performance The chapters are written by significant artists and scholars and consider practices from various locations including Central and Western Europe Mexico and the United States The authors build on dialogues between for example philosophy and museum studies and memory studies and post humanism and engage with a wide range of theory from phenomenology to relational aesthetics to New Materialism Thus this book represents a unique collection that together considers the continuum between everyday and cultural life and how rituals and memories are inscribed onto our being It will be of interest to scholars and practitioners students and teachers and particularly those who are curious about the intersections between arts disciplines Dancing in Silence Danniel D. War and Survival in Sudan's Frontierlands
Wendy James, 2007-10-04 This book completes a trilogy by the anthropologist Wendy James It is a case study of how the Uduk speaking people originally from the Blue Nile region between the north and the south of Sudan have been caught up in and displaced by a generation of civil war Some have responded by defending their nation others by joining the armed resistance of the Sudan People's Liberation Army and yet others eventually finding security as international refugees in Ethiopia and even further afield in countries such as the USA Sudan's peace agreement of 2005 leaves much uncertainty for the future of the whole country as conflict still rages in Darfur The Uduk case shows how people who once lived together now try to maintain links across borders and even continents through modern communications and where possible recreate their traditional forms of story telling music and song
