50 Quiet Miracles That Changed Lives William G Borchert,2009-10-28 Inspiring true stories of ordinary people who have experienced extraordinary miracles their Higher Power pointing them in a new direction forever changing the course of their lives Many of us dream of witnessing a real miracle an awe inspiring divine intervention that changes the course of our lives and heightens our belief in a personal and loving God Yet we are often so fixated on the idea of an awesome event that we somehow overlook the quiet little miracles that happen to each of us every day The miracles collected in 50 Quiet Miracles That Changed Lives come in all shapes and forms from unexpected phone calls to chance meetings They are small enough to simply produce a warm glow and dramatic enough to create awe and wonder A father of five witnesses his burning home being saved by bearded strangers with fire extinguishers who put out the fire and then disappear A diamond miner in South Africa barely avoids a deadly crash when he is pushed out of a packed elevator at the last minute A chance meeting leads a woman to the apartment of her closest childhood friend now dying of AIDS She helps her friend regain spiritual strength and becomes a surrogate mother to her friend s child If we allow ourselves to look beyond the glow and focus on the wonder we will recognize that in moments such as these we are in the presence of God Quiet Miracles Brenton G.
