D. Gordon,2014-09-19 There are five outlets of power five avenues through

which God shows Himself and reveals His power First through the life what we are Just simply what we are If we be right the power of God will be constantly flowing out though we be not conscious of it It throws the keenest kind of emphasis on a man being right in his life There will be an eager desire to serve Yet we may do more in what we are than in what we do We may serve better in the lives we live than in the best service we ever give The memory of that should bring rest to your spirit when a bit tired and may be disheartened because tired Second through the lips what we say It may be said stammeringly and falteringly But if said your best with the desire to please the Master it will be God blest I have heard a man talk And he stuttered and blushed and got his grammar badly tangled but my heart burned as I listened And I have heard a man talk with smooth speech and it rolled off me as easily as it rolled out of him Do your best and leave the rest If we are in touch with God His fire burns whether the tongue stammer or has good control of its powers Third through our service what we do It may be done bunglingly and blunderingly Your best may not be the best but if it be your best it will bring a harvest Fourth through our money what we do not keep but loosen out for God Money comes the nearest to omnipotence of anything we handle And fifth through our prayer what we claim in Jesus name And by all odds the greatest of these is the outlet through prayer
