Quiet Heroines:

Becoming a Heroine Quietly Constance Wootten Malloy, 1988 **Poems** Ruby Gardner, 1909 **Sisters In Arms** Nicola Tyrer, 2008-09-18 The remarkable true story of the Queen Alexandra frontline nurses in the Second World War The amazing experiences of the Queen Alexandra nurses in the Second World War form one of the greatest adventure stories of modern times and incredibly remain largely untold Thousands of middle class girls barely out of school were plucked from sheltered backgrounds subjected to training regimes unimaginably tough by today's standards and sent forth to share the harsh conditions of the fighting services They had to deal with the most appalling suffering yet most found reserves of inner strength that carried them through episodes of unrelieved horror Over 200 nurses died torpedoed in hospital ships bombed in field hospitals or murdered in Japanese prison camps Dozens won medals for gallantry From the beaches of Dunkirk to Singapore and D Day they saw it all Whether tending burned pilots from the Battle of Britain or improvising medical treatment in Japanese death camps their dedication was second to none This is their story *Quiet Rebellion* Mary Anne Schofield, 1982 *Mr. and Mrs. Disraeli* Daisy Hay, 2015-02-17 The first biography to give Mary Anne Lewis her due and to examine her singular marriage to Benjamin Disraeli When Mary Anne Lewis met Benjamin Disraeli she was married to Wyndham Lewis a rich mildly successful politician at the center of nineteenth century British high society The three became friends and with his deep pockets Wyndham helped Disraeli young ambitious and swimming in debt get his start in the political arena Mary Anne even referred to him as her Parliamentary protégé But when Wyndham suddenly died of a heart attack Mary Anne's friendship with Disraeli fifteen years her junior soon evolved into a peculiarly romantic and undoubtedly advantageous marriage Mary Anne avoided life as a widow while Benjamin used her financial means to stay out of prison and make a run for office Anecdotally the Disraelis cultivated an outrageous reputation Once asked if he had read any new novels Benjamin reportedly replied When I want to read a novel I write one Mary Anne on the other hand supposedly once told Queen Victoria that she always slept with her arms around her husband's neck My wife is a very clever woman Benjamin said but she can never remember who came first the Greeks or the Romans An unusual story of Victorian romance and politics *Mr and Mrs Disraeli* moves beyond the anecdotes to reveal the interior life of one of Britain's most influential couples Often eclipsed by Benjamin Mary Anne had at least as much political acumen as her husband and this dual biography shows that she was frequently his voice of reason In the wake of British Romanticism Daisy Hay examines the paths available to women like Mary Anne and chronicles a relationship that is surprising unconventional and deeply inspiring *A Companion to World War II* Thomas W. Zeiler, Daniel M. DuBois, 2012-12-21 *A Companion to World War II* brings together a series of fresh academic perspectives on World War II exploring the many cultural social and political contexts of the war Essay topics range from American anti-Semitism to the experiences of French African soldiers providing nearly 60 new contributions to the genre arranged across two comprehensive volumes A collection of original historiographic essays that include cutting

edge research Analyzes the roles of neutral nations during the war Examines the war from the bottom up through the experiences of different social classes Covers the causes key battles and consequences of the war The National Exposition Souvenir Lydia Hoyt Farmer,1893 This souvenir of the Columbian Exposition includes essays on women s accomplishments in the arts sciences etc as well as biographical sketches of individual women **A Nurse's Courage** Elizabeth Gill,2016-03-03 From the bestselling author of Miss Appleby s Academy and The Singing Winds comes a story of family destiny and one woman s difficult choice perfect for fans of Nadine Dorries Anna Jacobs and Ellie Dean It is the late 1930s and war is looming Iris Black falls deeply for the handsome Johnny Fenwick but is devastated when she discovers his father manufactures armaments Deeply conflicted she resolves to leave Johnny and leave to train as a nurse Johnny is so upset by this betrayal and quickly marries Nan Fielding an impoverished girl who has recently lost her father Nan and her mother have been left with nothing but a big house and are in desperate financial trouble Johnny wants to help but can he ever forget the girl who left him behind **The charm of the Cross** Samuel Horton,1903 *On Radji Beach* Ian W. Shaw,2010-09-01 When Singapore fell dramatically to the Japanese on 15 February 1942 hundreds of people scrambled to leave Amongst the evacuees were 65 Australian nurses who boarded coastal freighter Vyner Brooke which Japanese bombers sank The largest group of nurses that made it to shore gathered at Radji Beach Eventually the shipwreck survivors surrendered to the Japanese rather than slowly starve to death The Japanese did not accept their surrender and divided the Europeans into three groups and killed all in turn The Australian nurses were in the third group and 21 of them died in a hail of bullets as they walked into the waters off the beach There was one survivor Vivian Bullwinkel and she went on to survive the various camps and diseases that took away several of her friends India At War Yasmin Khan,2015-09-10 A narrative account of India s role in World War II revealing the cost and scope of participation and the profound effects it had on independence and the country today Monomania Marina Van Zuylen,2005 Monomania explores the cultural prominence of the id e fixe in Western Europe during the 19th and 20th centuries The author revives the term monomania to explore the therapeutic attributes of obsession Berlin Now Peter Schneider,2014-08-05 A longtime Berliner s exploration of the heterogeneous allure of this vibrant city Delving beneath the obvious answers Berlin s club scene bolstered by the lack of a mandatory closing time the artistic communities that thrive due to the relatively low for now cost of living Schneider takes us on an insider s tour of this rapidly metamorphosing metropolis where high class soirees are held at construction sites and enterprising individuals often accomplish more without public funding assembling a makeshift club on the banks of the Spree River than Berlin s officials do Provided by publisher *Memoirs of a Fat Bastard* Chris Gibson,2010-07-01 Chris Gibson is one fat drunk angry bastard He s tried every diet Atkins South Beach Pritikin Problem is he still can t get his pants on in the morning And he got none of the genes of his movie star brother Mel In his early 40s with a job he hates and a lifestyle that is killing him Chris is having more than a mid life crisis He s having a life and death crisis *Memoirs of a Fat Bastard* is a

bittersweet account of how a middle aged man on the road to destruction turned his life and health around on his own terms It s a telling and frequently hilarious story of the ways in which some men can lose their way and the way back to finding meaning and happiness amid the competing pressures of being provider family man and all round good Aussie bloke **Tell Everyone** Alfred Hermida,2016-08-30 Social media is fuelling our human urge to share affecting the information we depend on to make smart decisions from choosing politicians to doing business to raising money for charity Tell Everyone delves into contemporary culture to reveal how social media has become the planet s nervous system amplifying the power of individuals informing our choices and shaping how we learn about our world Writing with journalistic flair but with academic rigour online news pioneer and social media maven Alfred Hermida lays bare why we feel compelled to share news gossip and information and always have Every day more than 500 million messages are sent on Twitter 800 million people share four billion stories links photographs and videos on Facebook Every minute 100 hours of video is uploaded to YouTube And the flow is ever increasing In this new era of media saturation what do we mean by the news Is the most trusted name in news today a veteran anchor on television or an undergraduate tweeting from Tahrir Square in Cairo Tell Everyone spells out how our ability to create and share news is shaping the information we receive and depend on to make informed decisions from choosing politicians to doing business Drawing on historical examples real world experiences and leading research Tell Everyone explains how the power of sharing is transforming how we understand and give meaning to world events **And If I Perish** Evelyn Monahan,Rosemary Neidel-Greenlee,2007-12-18 In World War II 59 000 women voluntarily risked their lives for their country as U S Army nurses When the war began some of them had so little idea of what to expect that they packed party dresses but the reality of service quickly caught up with them whether they waded through the water in the historic landings on North African and Normandy beaches or worked around the clock in hospital tents on the Italian front as bombs fell all around them For more than half a century these women s experiences remained untold almost without reference in books historical societies or military archives After years of reasearch and hundreds of hours of interviews Evelyn M Monahan and Rosemary Neidel Greenlee have created a dramatic narrative that at last brings to light the critical role that women played throughout the war From the North African and Italian Campaigns to the Liberation of France and the Conquest of Germany U S Army nurses rose to the demands of war on the frontlines with grit humor and great heroism A long overdue work of history And If I Perish is also a powerful tribute to these women and their inspiring legacy **Werner Scholem** Mirjam Zadoff,2018-02-02 In Werner Scholem A German Life Mirjam Zadoff has written a book that is at once a biography of an individual a family chronicle and the story of an entire era **Walking Solo but Not Alone** Jane Pitkin Archibald,2025-04-15 Every one of the books I note here is a light each a gift from someone reaching from another time and place to offer us strength The human spirit is capable of magnanimity that many of us have not even imagined Loss and loneliness along the way need not weaken the wayfarer Walking Solo but Not Alone is a collection of fifteen discrete essays

that present the warmth of our humanity in the 2024 context of a somewhat unsettled earth It is a book about the author's and humankind's journey to a destiny shaped meaningfully by our forebears Part personal memoir and part reflection on far sighted literary characters the essays guide us to chosen purpose and hope Lifelong learners of all ages are invited to consider how we might keep earth and our kind safe in this new Anthropocene era The memoir serves primarily to present the author's growth toward the responsibility each of us bears for protecting the earth's environment Wise witty and superbly humane fictional characters become illuminating guides to readers who might sense loss or defeat or who might simply stumble or fear the sharp edge of loneliness Although the fifteen essays are discrete they also work sequentially presenting earth and nature as our one home and all Homo sapiens as our worldwide family Appearing with the text of appropriate essays conversations between fictional characters reveal humane standards for our connection with nature for respectful interaction with others and for the memorable human capacity for self restraint and self sacrifice Since the essays detail the richness of our humanity Walking Solo but Not Alone affirms wonderful human courage heartfelt conviction and the joy of a strong mind

Before the Poison Peter Robinson,2011-10-04 From bestselling author Peter Robinson comes this atmospheric suspenseful and thrilling standalone novel Through the years of success in Hollywood composing film scores Chris always promised his wife they'd return to the Yorkshire Dales one day Now a widower Chris feels he must not forget his promise Back in the Dales he rents an isolated house that will allow him the space to grieve and the peace to compose his piano sonata But when he finds that the house was the scene of a murder in the 1950s and the convicted murderer was one of the last women hanged in England he finds himself increasingly distracted by the events of sixty years before
