is the conclusion of The Interregnum Series Book 7 continuing its account of Hibernia's royalty from 1473 to date. After being discharged, half burned and lacking memories, Lilian Morgan emerges at the Dublin City Dump. She knows only that she must keep the repentant Cain Samadeya on task with his millennia-old assignment of thwarting the enemy Pelik, alternate and unrepentant continuation of Cain in his agenda of death and destruction. Discipline is swift and brutal when she departs from the mission. Lilian also shares one of the Cain curses: returning after death to some reorganised portion of her body. Paladin also completes The Throne Series Book 4, retelling in interleaved chapters the First Battle of Glenmorgan and the destruction of Manse Devereaux. Interregnum characters approach a new battle at Glenmorgan that will decide the outcome of Tara's civil war. Conflict and treachery at Tara threaten one Earth civilization with extinction. Pelik schemes for power over two other worlds and springs a trap.

**BattleTech Legends: Sword of Sedition** Loren L. Coleman, 2021-10-15

**POLITICS OF DESTRUCTION** Newly elected Exarch Jonah Levin is still trying to come to terms with the responsibilities of his office. With his recent discovery of treachery in The Republic's Senate, he can trust very few people and not even his own Paladins have been immune to murderous intrigue. Tensions are heating up between Exarch Levin and the senators determined to fight what they call the injustice being done to the Republic's government. Some are even agitating for Levin's censure, a move that could accomplish the same thing as the recent attempted coup that killed legendary Paladin Victor Steiner Davion. One of The Republic's last hopes is the summit of Inner Sphere leaders gathering on Terra. Ostensibly a tribute to the assassinated Steiner Davion, it also has the potential to halt the escalating violence of the last few years. And although Victor would not have wanted his death to be the cause of more political maneuvering, Levin knows the great man would not begrudge the Republic this one final service to stave off all-out war if only it isn't too late.

**Modern Paladin** Victor Matthews PhD, 2017-11-17

An instant classic, Modern Paladin, a holy warrior for today's world, combines the best of Bible commentary and church leader discipleship. This work is as comprehensive and detailed as any program for leadership development could be. It begins with the discovery that the ancient city of Ephesus is the only church location to receive both an epistle from Paul and a letter in Revelations. This city and church are proven to be perfect representatives of the modern church, and a line-by-line analysis of Ephesians uncovers over a hundred bullet-point lessons for modern church leaders. This in-depth commentary then evolves into an actual system, the modern paladin system, wherein a reader can analyze themselves, their small groups, and even whole churches with an eye toward the biblical lessons of leadership. Absolutely required reading for any church leader that wants to improve or any scholar or student that wants to know more about Ephesians or what the Bible has to say about leadership. Dive in and discover how you can strengthen yourself, your small groups, and your church, striving through the Word of God to become a modern paladin.
