Carr, 2009 Smoking How Women Can Finally Stop Smoking Robert C. Klesges, Margaret DeBon, 1993 What helps women quit smoking is different from what works for men Women's bodies react to nicotine differently their withdrawal symptoms are more severe and when they stop they gain weight more easily than men do Part One of this guide helps women choose the best time and method to quit Part Two gives guidelines for managing withdrawal and weight gain finding peer support and controlling stress and the urge to have just one more cigarette Stopping Inflammation Nancy Appleton, 2012-07-05

Most of us think of inflammation as a symptom associated with an infection or injury Dr Nancy Appleton however has discovered that it might be more than just a simple reaction to a health disorder When the body's tissues are disturbed in some manner a series of complex reactions takes place resulting in inflammation In most cases when the disorder stops the tissue returns to its normal healthy state Sometimes though the tissue remains chronically inflamed Dr Appleton's research demonstrates that this condition might be more harmful than ever suspected Drawing on the latest medical research

Stopping Inflammation begins with a full explanation of inflammation and its causes It then looks at inflammation's role in various health disorders from obesity to cancer Finally the book provides a number of nondrug treatments aimed not at controlling the problem but at removing its cause Here are safe and credible solutions for restoring good health Weekly
