Quit Smoking Now , Today's a Great Day to Quit Cigarettes Angie Johnston,2012-05-13 Have you tried almost everything on the market to quit cigarettes and still cant quit Then you have arrived at the right place because todays a great day to quit cigarettes It doesn t matter if you have smoked for 30 years or 2 It doesn t matter if you smoke 2 a day or 30 It doesn t matter if you think you can quit right now or not or are feeling a little unsure of yourself today is a great day to quit cigarettes You can quit permanently and you can quit regardless of how many reasons why you think you might want to smoke Now you can kick your habit in the butt Do you answer yes to some of these Are you finding it harder to breathe Your fitness isn t what it used to be You re not keeping up with the kids anymore

and getting out of breathe quicker You really want to stop but it just seems like you have used all your willpower up You cant stand the smell and don t like the look of other smokers You are secretly wondering how you are going to cope without them what you will do with your hands or wether you will gain weight or not In this comprehensive e book you will learn some very controversial truths about Why its impossible to quit by cutting down How much involved the government has in every cigarette you smoke How you can access your powerful unconscious mind and programme it to do anything you want How you can have no side effects of cigarettes When you realise this one simple fact you wonder why you didn t see it all along How easy it is to quit once you see cigarettes and the smoking habit for what it really is The lies and untold stories How hard they make it for you to quit and why they do this There has never been a better time to quit than now You know now is the time because lets have an honest look at the full cost of smoking cigarettes We all know cigarettes don t just cost us money but lets have a look at this for a moment Cigarettes cost an average 25 cigs a day smoker 7300 per year Times that by 30 years 219 000 That s a house just about paid for Do you really want to continue to blow your money away in the air That same smoker would have smoked 9 100 cigarettes per year and 273 000 cigarettes over the 30 years The full impact of sucking on 273 000 cigarettes is cancer heart disease emphysema and ultimately an early death Although most cancers are curable now a days Medicare does not cover the full cost so not only are you out of pocket with cigarettes but now you are out of pocket with medical bills time off work and generally feeling unwell Loss of jobs or the ability to work at the appropriate level Quality time with your children or grandchildren Just imagine not being able to watch your children get married or have their own families because you cut your life short Lasting relationships A healthy mindset I have been told by so many smokers how they hate the fact that cigarettes control them and get this even have more of a priority than their children Avoiding going to places and plan trips around smoking areas or how long it might be before you can have another cigarette They are such a time waster Here are a list of reasons I hear from smokers who want to quit So I can take a regular holiday and have money to go Causing health issues Controls me Manage my depression easier Smoking equals failure

Quit Smoking Now and Forever! Helen Basinger, 2014-11-25 For nicotine addicts wanting their health looks libido energy time and money back this book offers the solution This is a very powerful program consisting not just of a book but a whole arsenal of cessation tools In order to eradicate cravings release anxiety and dispel the illusion of smoking as pleasure there are Tapping and breathing exercises for the reader to follow An online hypnosis session designed to change the brain back to how it was before nicotine hijacked the system comes part of the package There are also visualizations that work on the subconscious mind cutting the chains of addiction and creating a new smoke free persona For over 4 years certified master clinical hypnotist Helen Basinger has empowered smokers to overcome their addiction within her practice Freedom Healing Now her revolutionary cessation program is available *Quit Smoking Now and Forever* is the complete guide for finally conquering the nicotine demon The text is designed to speak to the subconscious as well as the conscious mind allowing

someone who smokes to literally change their mind about being a smoker as they turn the pages *Quit Smoking Now and Forever* is for all those people who have raised their heads above the smoke long enough to realize they need to find a way out. They have probably tried and failed a number of times and are now looking for a definitive solution. With an insatiable urge for ever more money cigarette manufacturers have now introduced 600 additives ranging from ammonia to chocolate into their already genetically modified tobacco making cigarettes the most addictive drug in the world. It has become so bad that according to the Surgeon General only two and a half percent of people are now able to quit without assistance while six million people die from this curse every year. This unique book offers the antidote to this deadly addiction enlightening the smoker to the web of deceit spun to entrap them. *Quit Smoking Now and Forever* provides a step by step plan that can be tailored to suit different people. After all not everyone has the same character emotional state or belief system. Some people want to use natural herbs and homeopathy to help them quit. Some people benefit from Nicotine Replacement Therapy while others need to release the stress behind their smoking habit. A few people just need to get mad enough at how they have been manipulated in order to put cigarettes down forever. *Quit Smoking Now and Forever* provides support and advice for every stage of the cessation process from mentally preparing smokers to quit to making sure ex smokers never start again. Many strings are artfully woven together throughout the chapters with stories and imagery all designed to equip readers with the tools they need to vanquish the nicotine demon once and for all.

Stop Smoking Now 2nd Edition David F. Marks, 2017-05-04 Have you ever tried to give up smoking? Most smokers have. It is even more difficult to avoid relapse after days, weeks or even years and the long term results of many stop smoking programmes are disappointing. But this week long programme can help you stop smoking for good. Professor David F. Marks uses techniques from cognitive behavioural therapy (CBT) which has been proven to be effective by teaching you how to re-program your mind to not want to smoke. You will no longer have to rely on willpower alone to give up smoking. By becoming aware of your smoking triggers and dealing with the thoughts and behaviours that lead you to smoke automatically over the course of a week you will gradually find your cravings disappear altogether. You will learn exercises and strategies to help you regain control from your smoking automatic pilot. Advice on relaxation and stress reduction. How to avoid future relapses. Why alternative approaches such as nicotine replacement therapy or e-cigarettes are less effective. Tips on healthy eating and exercise to manage weight. *Stop Smoking Now* will help you not only give up your habit but help you to remain a non-smoker for life. Overcoming self-help guides use clinically proven techniques to treat long standing and disabling conditions both psychological and physical. Many guides in the *Overcoming* series are recommended under the Reading Well Books on Prescription scheme. Series Editor Professor Peter Cooper.

The Easy Way to Quit Smoking Henry Ellis, 2018-02-21 I know there are many eBooks on quitting smoking. So what makes this eBook different? And why should you buy it? This eBook focuses on 2 fundamental areas that are crucial to quitting smoking: 2 areas that are missing from other systems: 1. How to build the right mindset to make quitting smoking an easy process. 2. How to build the right habits to make quitting smoking an easy process. Most people haven't discovered these missing links that make it so easy to quit smoking that you'll be kicking yourself wondering why you didn't quit years ago. All other quit smoking eBooks, methods and aids like nicotine replacement therapies don't deal with the mindset or habits. So you can easily start smoking again once you've quit. This eBook simplifies methods to deal with your cravings, handle all the situations where you badly want to smoke and break those old habits for good. So you will feel good about not smoking instead of deprived or stressed. You can even use these same methods to avoid gaining weight when you quit smoking. It keeps the methods realistic, simple and easy to apply. They don't rely on willpower or a tough cold turkey approach either. Quitting smoking can be easy and stress free once you know how. This eBook gives you the how. This eBook stays focused on the truth: what really works to help you quit smoking and stay quit the easy way. Other eBooks and methods usually don't; they make it harder to quit. It can work for heavy and light smokers. And even if you've tried and failed to quit smoking many times already, you can quit smoking today with this eBook even with the nicotine factor taken into account. This eBook simplifies the complex; it can save you a great deal of time, money and effort compared to other methods. This eBook doesn't overload and confuse you with useless information; it gets to the point. It just tells you what you need to know and nothing else without repetition. It gives you the needle in the haystack. So you don't waste hours reading, searching and failing to quit for nothing. You can quit smoking the right way the first time.
