The Upperworld and the Underworld Robert J. Kelly, 2012-12-06 From Damon Runyan's colorful tough guys in black shirts and white ties to recent media coverage of John Gotti the dapper don public depictions of racketeers in the United States have drawn attention away from the true nature of organized crime and its extensive penetrations into mainstream business The Upperworld and the Underworld Case Studies of Racketeering and Business Infiltrations in the United States strips away the romantic patina and reveals the significant impact of racketeering on vital segments of American industry In this informative study Robert Kelly explores two

fundamental questions Why is organized crime a serious problem in some businesses and industries and not in others and What are the consequences of racketeering activities for labor organizations and businesses tainted by a criminal presence He examines the blurred demarcation between the legitimate and illegitimate sectors of society and explains the reasons for this occurrence In the process Kelly provides a distinct vantage point for understanding organized crime not just as an outlaw fringe preying on society but as a disturbingly integral element of our social and economic structure Moreover he confirms a widely held thesis that organized crime is not merely parasitic but an institutional component of American society The Upperworld and the Underworld affords a fascinating view of the current state of organized crime in the United States and the rise of nontraditional criminal organizations in new immigrant communities The volume is an essential resource for students and scholars concerned with issues of crime and its effects on the economy Blood Covenant Michael Franzese, 2018-04-10 The story of the Mafia Prince who publicly quit the mob and lived Cover Around Quitting Time Robert Seguin, 2001-06-20 Posits social class as the American political unconscious showing in an analysis of 19th and 20th century novels how class exerts pressure on the American cultural imagination and claiming that what is desired is ultimately the liberation from work **Organized Crime in Our Times** Jay S. Pay, Quit, or Die Don Herion, 2008-03-31 Organized crime the Mafia or the Outfit as it is known in Chicago is surrounded by a false glamour that elevates mobsters to the level of swashbuckling folk heroes whose ready violence and savage murders are too often excused in the public mind as acceptable because they only hurt each other Similarly illegal gambling the bread and butter racket inevitably combined with loan sharking and extortion is widely tolerated because it is perceived to be a victimless crime Donald H Herion a US Army veteran during the Korean War who grew up in a neighborhood where there was a bookmaker on every corner sometimes two or three learned just how wrong all that was when he returned home from the Army and joined the Chicago Police Department He wasn't sure that he was doing the right thing at the time because he really never liked cops but if he didn't like it he could always quit he thought After six years learning the ropes in the patrol division collaring burglars and stick up men chasing daredevil drivers calming adversaries in domestic disputes and riding herd on drunks and dope dealers he was promoted to plainclothes as a vice cop investigating illegal gambling narcotics prostitution and gang bangers He quickly learned that chasing bookmakers and busting up wire rooms was a fight against organized crime Illegal gambling was organized crime's biggest money maker the Golden Calf that financed most of its other illicit activities ranging from stock and bankruptcy swindles to the narcotics trade Herion and his

partner were transferred to the Vice Control Section of the Organized Crime Division at police headquarters at 1121 S State Street. He now had jurisdiction to make raids anywhere in the City of Chicago instead of only in his district. He was promoted to detective then sergeant; he rubbed shoulders with degenerate gamblers, bookmakers, prostitutes, and stone cold killers while witnessing first hand how gambling destroys lives. He broke up more than 4,000 gambling operations, arrested hundreds of mob controlled bookmakers and other racketeers. Herion also had the pleasure of busting up the mob's biggest floating crap game eight times, costing the crime syndicate millions of dollars. To accomplish this, it was necessary for him to work on his own time as well as city time. The mob moved the game into the suburbs, which was out of his jurisdiction. So Herion worked with Chicago Tribune crime reporter Bob Wiedrich to get the job done. The crap game took every precaution necessary to keep from being discovered. Lookouts with walkie talkies roved the area where the game was held to warn the operators of the game of any police in the area. One suburb had a local police lieutenant and sergeant as lookouts; the lieutenant who became aware of their presence in the area stuck his gun in their face, wanting to know who they were. Herion had used his own car to conduct a surveillance, hoping that the lieutenant didn't check his license number. When the reporter explained to the lieutenant that they were watching a crime syndicate crap game going on in a building down the street and would he like to accompany them on a raid, the lieutenant at this point made an excuse and left the area. This of course caused some heat, but the reporter had already had his story about the game, which made headlines in the Chicago Tribune the next day. On another occasion, the game began again and was next to a railroad track in another suburban building in Melrose Park, a suburb west of Chicago. There was only one road in and out; lookouts with walkie talkies were posted everywhere in the area. Herion had his son Don print a sign on plasterboard 4 by 6 with large letters in red paint: CRAP GAME operated by Mob Boss JACKIE CERONE with an arrow pointing to where the game was being held. Herion nailed the sign on a telephone pole on the road leading to the game. Wi
