Expectations of the End Albert Hogeterp, 2010-01-01 Since a fuller range of Qumran sectarian and not clearly sectarian texts and recensions has recently become available to us its implications for the comparative study of eschatological apocalyptic and messianic ideas in the Dead Sea Scrolls and in the New Testament need to be explored anew This book situates eschatological ideas in Qumran literature between biblical tradition and developments in late Second Temple Judaism and examines how the Qumran evidence on eschatology resurrection apocalypticism and messianism illuminates Palestinian Jewish settings of emerging Christianity The present study challenges previous dichotomies between realized and futuristic eschatology wisdom and apocalypticism and provides many new insights into intra Jewish dimensions to eschatological ideas in Palestinian Judaism and in the early Jesus movement     *Washing in Water* Jonathan David Lawrence, 2006     *The Creation of Heaven and Earth* George H. van Kooten, 2004-12-01 This volume discusses the narrative of the creation of heaven earth and light in the first chapter of Genesis and focuses extensively on its later interpretations in different cultural and religious contexts After an introductory paper on the text of Genesis itself the authors deal with receptions of this theme in the Prophet Jeremiah Early Judaism and the Dead Sea Scrolls They comment on creation accounts in the Ancient Near East Ancient Greece and ancient philosophy reconstructing the earliest known receptions of Genesis 1 in ancient philosophers like Numenius and Galen They trace its influence in the Johannine Petrine and Pauline traditions of Early Christianity and follow it right through the Middle Ages up till the present day discussion of design in Nature     *The Bible and the Dead Sea Scrolls: Scripture and the scrolls* James H. Charlesworth, 2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date These three volumes the very best of critical scholarship demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible the character of Second Temple Judaism and the Jewish beginnings of Christianity     *Women in the Damascus Document* Cecilia Wassen, 2005     *The Dead Sea Scrolls for a New Millennium* Phillip R. Callaway, 2011-11-14 In the chapter on the pseudepigrapha and apocrypha Callaway emphasizes the rich literary production of the mid to late Second Temple period with sections on Enoch Jubilees the Genesis Apocryphon a Genesis commentary the Reworked Pentateuch targums on Leviticus and Job the Temple Scroll the New Jerusalem an Apocryphon of Joshua the psalms various works of wisdom Tobit Ben Sira the Epistle of Jeremiah and the Greek fragments from cave 7 The chapter on the Community Scrolls deals with the Damascus Document the Rule of the Community and its appendages a Hybrid Rule the Rule of War the Thanksgiving Hymns Florilegium Testimonia Melchizedek the peshar commentaries on Habakkuk Nahum and Psalm 37 Ordinances Calendar texts Some Works of the Law the Angelic Songs of the Sabbath Sacrifice and the phylacteries     **The SBL Handbook of Style** Society of Biblical Literature, 2014-11-20 The definitive

*The Text of the Pentateuch* Sidnie White Crawford, 2022-02-07 In the last several decades since the first publications of the biblical Dead Sea Scrolls a revolution has occurred in the understanding of the history of the text of the Hebrew Bible during the Second Temple period The present volume is a collection of articles documenting that revolution written by Sidnie White Crawford over an almost thirty year period beginning in 1990 As a member of the editorial team responsible for publishing the Qumran scrolls the author was responsible for the critical editions of nine Deuteronomy scrolls and the four Rewritten Pentateuch manuscripts thus her work played a critical role in the changing understanding of the textual history of the Pentateuch especially the book of Deuteronomy and the Rewritten Bible texts The author's lifework is brought together here in an accessible format While the majority of the articles are reprints the volume will close with two major new pieces a text critical study of the Deuteronomistic Paraphrase of the Temple Scroll and a comprehensive overview of the history of the text of the Pentateuch

*Literary Motifs and Patterns in the Hebrew Bible* Shemaryahu Talmon, 2013-07-01 This collection gathers together Professor Shemaryahu Talmon's contributions to the literary study of the Bible and complements his acclaimed *Literary Studies in the Hebrew Bible Form and Content* Collected Studies Jerusalem Magnes Leiden Brill 1993 The articles included herein span a broad range of topics closely and comprehensively assessing fundamental themes and stylistic conceits present in biblical literature Each study picks up one of these motifs or patterns and traces its meaning and usage throughout the entire Bible In Talmon's estimation these literary markers transcend all strata of the Bible and despite diachronic developments they retain their basic meanings and connotations throughout even when employed by different authors over a span of hundreds of years He demonstrates this convincingly by marshaling dozens of examples each of which is valuable in its own right and when taken all together these building blocks form a solid edifice that validate his approach He judiciously employs this synchronic method throughout frequently invoking an exegetical principle according to which one biblical verse can be employed to interpret the other if they are found in similar contexts and with overlapping formulation To use an expression that he coined elsewhere his hermeneutical method can be described first and foremost as *The World of the Bible from Within* Throughout the articles that appear in this volume one is repeatedly struck by his sensitivity to the language and style of the biblical authors He was blessed with a rich literary intuition and shares with his readers his ability to see hear and understand the rhythms and poetics of biblical literature In this volume many of Talmon's

contributions are made accessible in fresh form to the benefit of both those who already know his work and to a newer generation of scholars for whom his work continues to prove important

**The Myth of Rebellious Angels** Stuckenbruck, Loren T., 2017-02-17 The mythical story of fallen angels preserved in 1 Enoch and related literature was profoundly influential during the Second Temple period In this volume renowned scholar Loren Stuckenbruck explores aspects of that influence and demonstrates how the myth was reused and adapted to address new religious and cultural contexts Stuckenbruck considers a variety of themes including demonology giants exorcism petitionary prayer the birth and activity of Jesus the Holy Spirit the conversion of Gentiles apocalyptic and the understanding of time and more He also offers a theological framework for the myth of fallen angels through which to reconsider several New Testament texts the Synoptic Gospels the Gospel of John Acts Paul's letters and the book of Revelation

**Finding Herem?** Hyung Dae Park, 2007-05-03 The concept of Herem is found throughout the Old Testament and presented a problem to the Second Temple Jewish authors In introducing the concept to their audiences and in applying it to themselves and other nations they avoided it by reducing or expanding omitting or changing the concept of Herem Much evidence in Luke Acts however indicates that Luke deliberately uses the concept of Herem in order to present the life and teaching of Jesus and his disciples Jesus death on the cross resurrection and ascension can be seen as Herem that redeems God's people The disciples thoughts and actions in Acts as well as all the Christ event are based on Jesus teaching such as Luke 9:24 and 20:25 Ultimately this study suggests that readers of Luke Acts should consider the whole Old Testament so as to understand Lukan use of the Old Testament and its attitude to the Mosaic law Moreover this study shows that the ethics of Luke Acts are not limited to sharing possessions but related to offering or giving what belongs to oneself even life without expecting any reciprocal advantage Furthermore the concept of Herem detected in Luke Acts makes it possible to argue that there is an atonement theology in Lukan writings
