## Quokka Question:

**Quentin Quokka's Quick Questions** Barbara deRubertis, 2021-08-10 Quentin Quokka has lots of questions Quick questions quiet questions always more questions On a string of field trips Quentin discovers that sometimes it's good to be quiet and sometimes it's good to ask questions *How to Design and Report Experiments* Andy Field, Graham Hole, 2002-12-20 How to Design and Report Experiments is the perfect textbook and guide to the often bewildering world of experimental design and statistics It provides a complete map of the entire process beginning with how to get ideas about research how to refine your research question and the actual design of the experiment leading on to statistical procedure and assistance with writing up of results While many books look at the fundamentals of doing successful experiments and include good coverage of statistical techniques this book very importantly considers the process in chronological order with specific attention given to effective design in the context of likely methods needed and expected results Without full assessment of these aspects the experience and results may not end up being as positive as one might have hoped Ample coverage is then also provided of statistical data analysis a hazardous journey in itself and the reporting of findings with numerous examples and helpful tips of common downfalls throughout Combining light humour empathy with solid practical guidance to ensure a positive experience overall How to Design and Report Experiments will be essential reading for students in psychology and those in cognate disciplines with an experimental focus or content in research methods courses **Quentin Quokka's Quick Questions** Barbara deRubertis, 2011-01-01 Quentin Quokka has lots of questions Quick questions quiet questions always more questions On a string of field trips Quentin discovers that sometimes it's good to be quiet and sometimes it's good to ask questions The Wombat Strategy Claire McNab, 2004-01-01 Running a pub in the tiny Australian outback town of Wollegudgerie doesn't offer much fun or future to knockabout Aussie dyke Kylie Kendall So when the father she never knew leaves her 51 percent of his Los Angeles based detective agency it's bright lights big city for Kylie Not so happy about her arrival is her partner in the business the beautiful enigmatic Ariana Creeling who wants to buy out Kylie and gives her a decidedly chilly reception in sunny California But the two women soon have other matters besides their bickering to attend to A psychiatrist to the stars whose slap slap get on with it approach has made him a celebrity hires them to investigate the suicide of a successful but almost universally reviled film director Concerned for his reputation Dr Deer would much prefer a finding of murder As the sparks between Ariana and Kylie fly the City of Angels has turned out to be much more difficult and dangerous than Kylie had imagined Originally published by Alyson Books 2004 *Accidental Murder* Claire McNab, 2002-01-01 Australian top cop Carol Ashton must outsmart a fiendishly clever killer A careless jogger plummets from a great height A man is the victim of a fatal hit and run A woman topples over a cliff while sightseeing Tragic accidents occur everyday When Detective Inspector Carol Ashton is called in to investigate Captain John Trelawney's fatal fall from Sydney's scenic North Head she discovers that his brutal demise may fit into a disturbing state wide pattern of apparently accidental

deaths Carol's suspicions are heightened when a closer look at these accidents reveals that they effectively eliminate a problem person and provide a substantial insurance payout But before Carol can catch the killer she must prove that these seemingly unrelated deaths are in fact murder and very much related *Blood Link* Claire McNab,2003-06-01 Is Carol playing into a killer's plan A series of random deaths suddenly fall into a pattern when reclusive eccentric billionaire Thurmond Rule dies leaving an immense estate but no valid will With no close relatives Rule's son and only heir vanished mysteriously years before the search begins to find more distant kin who may have a claim to the Rule billions And there would be several more applicants vying for the money but for the disturbing fact that many of them have recently died or been killed Detective Inspector Carol Ashton speculates that one among the remaining would be heirs could be responsible for thinning the field so drastically but is baffled that a killer would draw such oblivious attention to themselves As the authorities contemplate protecting anyone with a blood link to Thurmond Rule Carol fears she may be unwittingly shielding a killer and playing into a deadly plan With another in the phenomenally successful Detective Carol Ashton Mystery series Claire McNab again proves why she is the most popular writer of lesbian mysteries with this suspenseful story of cat and mouse *Lethal Care* Claire McNab with Katherine V. Forrest,2017-12-01 Two celebrated writers combine to offer the electrifying conclusion to a legendary mystery series Detective Inspector Carol Ashton's promotion to Chief Inspector has immediately ensnared her in two assignments that hold no warning they will forever change her life She's inherited the pressurized case of the high profile death of media star and wealthy philanthropist Greta Denby who had been undergoing a controversial experimental treatment for her cancer Carol is now also taking on the case of the investigating officer Inspector Ian Rooke who has himself just died under baffling circumstances a demise made more mysterious by the inexplicable shoddiness of his investigation into Greta's death In this final chapter Carol must confront an increasingly dire future and the most formidable challenge of all her fundamental belief in her career and in herself Seventeenth in the Carol Ashton Series

**Death Club** Claire McNab,2001-10-01 When a murderer tees off at the world's most prestigious women's golf tournament Australian top cop Carol Ashton becomes an unwilling player in a much deadlier game Loaded with brains style and megabucks Australian fashion magnate Gussie Whitlew is used to getting everything she wants And what she wants is the finest food the fastest cars and the most fabulous women This time her bait is Whitlew Challenge an exclusive golf tournament carefully designed to lure the world's top female athletes to her private clubhouse With a lot more at stake than the 1.5 million purse tension soon flares among players fans and just about everyone else Before long so much is going on off the course that even abrasive sports reporter Mandi Fiedler has a hard time keeping her eye on the ball until the fairway becomes a killing field and someone sets out to even the score **Out of Sight** Claire McNab,2024-11-01 How far would you go to save yourself and the country you love A vicious terrorist group is operating deep within the wild reaches of Australia's remote Kimberley region Though the government is aware of their presence the group's cat and mouse tactics

and absolute secrecy has made it impossible to stop The only way to destroy this powerful threat to national security is from the inside And no one s better under cover than Intelligence Agent Denise Cleever Using every ruse she knows Denise infiltrates the terrorist training camp knowing full well that if she is found out her ruthless comrades will torture her to death But when she is ordered to kill someone as a final test of her loyalty she faces the most difficult choice of her career Take an innocent life or lose her own Third in the Denise Cleever Thriller Series Originally published by Naiad Press 2001 Fall Guy Claire McNab,2004-12-01 For most people to know Milton Ryce is to loathe him Now in his mid forties the practical joker has never outgrown the adolescent behavior that amused him so much as a teenager Embarrassing others has been his favorite past time and he delights in coming up with elaborate schemes for setting up his friends as fall guys Extremely generous with his money Milton has bought influence in high places and a circle of well connected friends and business acquaintances When he plunges to his death while sky diving no one seems particularly surprised to find that he was murdered Detective Inspector Carol Ashton finds a long list of possible murderers a list that includes family members who are positively jostling for position to be at the top of the list Then an elaborate practical joke is played out at Milton s funeral by his son Ted and more evidence begins piling up against him Carol must act quickly to find out if Ted is indeed his father s killer or if he is simply being set up as yet another fall guy Chain Letter Claire McNab,1997-11-01 To Whom It May Concern You are a chosen one Your name has been selected to receive these instructions Follow them exactly and you will have great good fortune Fail and this letter will bring you death You have forty eight hours Do not break the chain While investigating the murder of a fellow police officer Australian Detective Carol Ashton believes she has discovered a bizarre link between this case and several other unsolved homicides each victim received a chain letter promising death if the instructions are not followed When her hunch leads nowhere Carol figures it was just a coincidence Then someone very close to her receives a letter **Inner Circle** Claire McNab,1996-01-01 Detective Inspector Carol Ashton is unaware that her investigation of execution style murders and the bombing of a small town police station has put her life in grave danger The case leads her to the fringes of a mysterious underground group whose members are waging an undeclared war against anyone who does not share their extremist views Sequels Janet G.
