Quotable Cats The Quintessential Collection Of Feline Wisdom:

Quotable Cats Running Press, Elaine M. Bucher, Miniature Book Collection (Library of Congress), 1997 The expressive cat says so much with a wink of the eye or a flick of the tail This collection of quotes and insights capture the timeless appeal of these creatures who according to Agnes Repplier give us just enough of their regard and complaisance to make us hunger for more

For the Love of A Cat David St. John Thomas, 2010-09-09 Few people can appreciate the joy that being owned by a cat brings better than David St John Thomas the latest in a long line of publishers and authors to pay homage to the very special cats who have entered their busy lives This is a book for everyone who really cares about cats Vividly written sometimes serious sometimes light hearted anyone who has fallen for a cat however much against their better judgement is bound to find it uplifting While cat people are nice Hitler couldn't stand them the real heroes in this book are naturally the cats themselves A rich portfolio of feline characters including the author's own cats step off the page or perhaps lie curled in seductive curves on it so vividly that you can feel their fur and hear their purr Rich in entertaining anecdotes and asides For the Love of a Cat will enhance every cat owner's understanding of their feline friend and remind them again and again just how lucky they are to share their lives with this most fascinating of creatures
