

Raap Responsibilitating African American Parents

Eddie B. Lane

Raap Responsibilitating African American Parents:

R.A.A.P. Ida V. St. Hill, 1993-01-01 Written to help support a strong parental value system in the Black community by creating loving nurturing homes where the children grow in self discipline and self worth Subject Guide to Books in Print, 1971 *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004 *Child Discipline in African American Families* Carla Adkison-Johnson, 2021-02-22 In *Child Discipline in African American Families* Carla Adikison Johnson provides a contextual understanding of African American disciplinary practices giving clinicians child welfare professionals and legal professionals a framework to better define what is reasonable and functional when addressing child rearing concerns with African American parents Highlighting numerous sources cases narratives and data Adkison Johnson debunks the theory that spanking is the preferred method of child discipline for African American parents and provides new insights into how African American parents grapple with establishing parenting goals and child behavior expectations in a society that is often hostile toward African American children Accompanied by the perspectives of a seasoned trial lawyer the arguments in this book are brought to life enabling readers to witness how child rearing concerns can play out in a real world context The Roles and Responsibilities of Parents from a Black Perspective Kenneth Martin Kyle, Anne Larason Schneider, 1997 *The African-American Christian Parent* Eddie B. Lane, 1997-09-07 Offers Bible based parenting suggestions for the parents to be as well as the parents of a teenager it addresses the role of grandparents in the parenting process Topics include choosing a career with your child administering discipline grade school problems and choosing the forum of your child's education It even deals with the grief associated with outliving your children It is the How To book of parenting and growing healthy adults From Roots to Wings James C. Young, 2006 Merging theory with practical advice this guide recognizes the unique challenges facing African American parents and offers successful parenting strategies to overcome them Peer pressure television and rap music seem to be socializing today's black youth but this book argues that parental attention is more powerful Case studies and other research look at expectations listening goal setting careful time management nutrition attention to academics and grades consistency prayer and quality time and their effectiveness in strong black families

Child-rearing Practices Among African American Parents Leora Riley, 2005 **Black Fathers** Michael E.

Connor, Joseph White, 2011-06-02 This book offers a broader more positive picture of African American fathers Featuring case studies of African descended fathers this edited volume brings to life the achievements and challenges of being a black father in America Leading scholars and practitioners provide unique insight into this understudied population Short sighted social policies which do not encourage father involvement are critically examined and the value of father engagement is promoted The problems associated with the absence of a father are also explored The second edition features an increased emphasis on the historical issues confronting African descended fathers the impact of health issues on Black fathers and their children the need for therapeutic interventions to aid in the healing of fathers and their children the impact of an Afrikan centered

fathering approach and the need for research which considers systemic problems confronting African American fathers community focused models that provide new ideas for re connecting absent fathers learning tools including reflective questions and a conclusion in each chapter and more theory and research throughout the book Part I provides a historical overview of African descended fathers including their strengths and shortcomings over the years Next contributors share their personal stories including one from a communal father working with underserved youth and two others that highlight the impact of absent fathers Then the research on father daughter relationships is examined including the impact of father absence on daughters and on gender identity This section concludes with a discussion of serving adolescents in the foster care system Part II focuses on the importance of a two parent home communal fathering and equalitarian households Cultural implications and barriers to relationships are also explored This section concludes with a discussion of the struggles Black men face with role definitions The book concludes with a discussion of the impact of adoption and health issues on Black fathers and their children and the need for more effective therapeutic interventions that include a perspective centered in the traditions and cultures of Afrika in learning to become a father The final chapter offers an intervention model to aid in fatherhood An ideal supplementary text for courses on fathers and fathering introduction to the family parenting African American families men men and masculinity Black studies race and ethnic relations and family issues taught in a variety of departments the book also appeals to social service providers policy makers and clergy who work with community institutions

African American Children Shirley A. Hill, 1999-06-10 Shifting the focus from intervention with problem populations this book targets the everyday socialization of African American children African American Children is a comprehensive exploration of historical and contemporary patterns of parenting in black families Historically it focuses on how slavery race the racial caste system and the African American culture influenced the ways African Americans parented their children This series of social forces seriously circumscribed the ability of African Americans to conform to the ideologies about the nature of children and the roles of parents that began to evolve in the early 20th century In the context of growing diversity Shirley A Hill examines the work that African American parents do in raising their children and explores general child socialization patterns as well as parenting issues and challenges Providing an analysis of the views philosophies and parenting strategies of parents from a variety of social class backgrounds African American Children combines qualitative and quantitative data collected to examine a broad overview of current theoretical debates about African American families as they relate to child socialization Topics include discipline strategies sexual socialization teen sexuality self esteem redefining physical attractiveness gender roles and the role of the extended family and community This book is an ideal supplemental text for advanced students in child development family studies sociology of the family as well as students in ethnic studies multicultural counseling or gender studies

Launching Our Black Children for Success Joyce A. Ladner, Theresa Foy DiGeronimo, 2003-09-04 Launching Our Black Children for Success is a groundbreaking book that goes

beyond the typical how to get your kid into the best school or college advice This extraordinary book takes black parents step by step through the stages of child development so they can build a solid foundation for success in their children It shows how to best instill pride self discipline social skills a work ethic and a way to deal with the inevitable racism and prejudice their children will face Authors Joyce Ladner and Theresa Foy DiGeronimo also offer a practical guide for overcoming the many injustices and obstacles African American families face and show how to shepherd their kids through the process that is required to help children keep their eyes on the prize Launching Our Black Children for Success helps parents to provide the strength and the strategies their children need to seek out whatever career they dream of and deserve **Smart**

Parenting for African Americans Jeffrey Roger Gardere, 2002 African American children face many imposing threats in today's world academic failure drugs gangs irresponsible sex and attraction to crime among others For the parents of these children it takes knowledge effort and caring to effectively deal with such tough issues In Smart Parenting for African Americans Dr Jeffrey Gardere presents a savvy realistic guide for today's black parents He takes an honest look at the problems their children face and stresses the importance of strong parent child communication for fostering self esteem

Engaging and Working with African American Fathers Latrice S Rollins, 2020-12-30 Engaging and Working with African American Fathers Strategies and Lessons Learned challenges traditional and historic practices and policies that have systematically excluded fathers and contributed to social and health disparities among this population With chapters written primarily by African American women drawing on years of research interviews and practical experience with this demographic each section explores current evidence on engagement approaches descriptions of agencies programs addressing specific issues fathers face and case studies documenting typical clients and approaches to addressing their diverse needs Offering an expansive overview of issues affecting African American fathers the book explores such important topics as public child and mental health education parenting employment and public initiatives among others Engaging and Working with African American Fathers is a key resource for social work public health education students researchers practitioners policymakers and members of communities who are challenged by meeting the diverse needs of African American fathers

African American Family Life Vonnie C. McLoyd, Nancy E. Hill, Kenneth A. Dodge, 2005-09-26 This volume brings together leading experts from different disciplines to offer new perspectives on contemporary African American families A wealth of knowledge is presented on the heterogeneity of Black family life today the challenges and opportunities facing parents children and communities and the impact on health and development of key cultural and social processes Comprehensive and authoritative the book critically evaluates current policies and service delivery models and sets forth cogent recommendations for supporting families strengths Following an overview that traces the ongoing evolution of theory and research in the field the book examines how African American families fare on numerous indicators of well being Throughout contributors identify factors that promote or hinder healthy child and family development writing from a

culturally sensitive nonpathologizing stance The concluding chapter provides an up to date framework for culturally competent mental health practice

A Brighter Day Gail Thompson,2009-11

A Black Parent's Memoir Jeffrey Groves,M. S. Kilgore-Groves,2016-04-06 You will discover How to reach young African American males How to support your son s education Ways to change as a parent Culturally specific parenting tips Cover

Reality-Based Parenting REV. ROBERT D. ZANCAN,2015-10-05 Reality Based Parenting How Parents of African Descent Can Cultivate Loving Relationships With their Children is a thoughtful inspirational sensitive and culturally driven how to manual designed for parents in the African diaspora who long to know themselves The cumulative effect of self discovery development of self awareness and acquisition of self knowledge is the transmission of cultural and spiritual heritage to the next generation As a developmental and transformational process Reality Based Parenting is culturally specific not universal This is based on the multi cultural premise of fullness before overflow That is to say a group must recognize and affirm itself before it is able to share and appreciate the differences of others Cultural competency then is the distinguishing characteristic of reality based parenting Through this book parents are enabled to use what they have their cultural strengths to obtain what they want a tested plan for nurturing children a formula for instilling disciplining in the young a model for psycho social recovery Conscientious readers are inspired to apply the books content to activities of daily living so that our sons may flourish in their youth like well nurtured plants and our daughters may be like cornerstones polished after the similitude of a palace Psalms 144 12 14

A Guide for African American Parents National Institute of Child Health and Human Development (U.S.),National Black Child Development Institute,2003*

In The Black Fran Harris,1998-09-10 Practical prescriptive and smart In the Black addresses the specific concerns of millions of African American parents who are eager to help their children develop a healthy and realistic approach to money

The Missing Piece Brittany Bell,2021-02-25 This informational workbook explores the role and responsibility of Black parents in today s educational system If you turn on the news or read anything scholarly about African American students chances are you will find another story of school failure Author Brittany Bell is changing the conversation by questioning who is actually responsible for the failure of African American students across the country Bell is adding parental controls to this innovative and compelling look at education in the African American community The book includes a workbook style format so that the reader can interact with the text and apply strategies that will help families accross the world regain their role in educating young minds
