Rabbi As Symbolic Exemplar By The Power Vested In Me:

The Rabbi as Symbolic Exemplar Jack H. Bloom, 2012 *The Rabbi As Symbolic Exemplar* Jack H Bloom, 2012-12-06 The solution to the growing problem of stress and burnout in rabbis Written by a practicing clinical psychologist who spent 10 years as a congregational rabbi The Rabbi As Symbolic Exemplar By the Power Vested in Me presents positive solutions to the inevitable negative effects of symbolic exemplarhood coaching rabbis through dilemmas of the inner soul Being a rabbi means serving as a Symbolic Exemplar of the best that is in humankind being experienced and treated and expected to act as a stand in for God and a walking talking symbol of all that Jewish tradition represents The burden of being a symbolic exemplar of God is extraordinary and the struggle to live up to its requirements can be one of loneliness frustration and despair alienating rabbis who tire of living in a glass house The Rabbi As Symbolic Exemplar examines how the symbolic role that serves as the source of the rabbi's authority and power can lead to disillusionment and disenchantment Author Jack H Bloom draws on his own experience as a rabbi who watched the successful career he enjoyed turn into one he desperately wanted to forsake and how he was inspired to become an athletic coach for rabbis This unique book details how symbolic exemplarhood is created what its downside is what power it offers how it can be used effectively how rabbis can deal with their inner lives and what can be done to help rabbis stay human while maintaining their leadership The Rabbi As Symbolic Exemplar is equally effective as a complete text or as a source of stand alone chapters on specific topics including special tensions of being a rabbi effects of symbolic exemplarhood on the rabbi's family educating rabbis on their power training suggestions curing and healing and The Ten Commandments for rabbis The Rabbi As Symbolic Exemplar is essential reading for rabbis rabbinical students congregants Christian clergy seminarians and anyone interested in what it is to be a clergy person and how they can support the work clergy do The book educates both clergy and laity on the humanity of clergy Visit the author's website at <http://jackhbloom.com> *Jewish Choices, Jewish Voices* Elliot N. Dorff, Louis E. Newman, 2009-03-01 How do we use power once we've gained it Is it completely for our individual benefit or do we use it to help our neighborhoods or society at large What kinds of decisions must CEOs and business owners make regarding suppliers and customers How should bosses treat workers Teachers treat students Parents treat children Government treats citizens Power dynamics affect people on a political level a social level and a deeply personal level as well The newest volume in the Jewish Choices Jewish Voices series examines these dynamics and includes essays by such fine contributors as U S Representative Henry Waxman NBC Universal Television West Coast President Marc Graboff and author and scholar James Diamond *The Sacred Calling* Rebecca Einstein Schorr, Alysa Mendelson Graf, 2016-05-17 Women have been rabbis for over forty years No longer are women rabbis a unique phenomenon rather they are part of the fabric of Jewish life In this anthology rabbis and scholars from across the Jewish world reflect back on the historic significance of women in the rabbinate and explore issues related to both the professional and personal lives of women rabbis This collection examines the ways in which the reality of

women in the rabbinate has impacted on all aspects of Jewish life including congregational culture liturgical development life cycle ritual the Jewish healing movement spirituality theology and more Published by CCAR Press a division of the Central Conference of American Rabbis

The Rabbi as a Surrogate Priest Stuart Dauermann, 2009-05-01 There are many aspects to this task of rabbinic training but four closely related questions rise to the surface as requiring primary attention The first is a question of description What ought to be the functions performed by a messianic Jewish rabbi The second is a question of legitimacy What similarities exist between the functions performed by messianic Jewish rabbis and rabbis in the wider Jewish context such that the rabbinate in both contexts may legitimately be seen to be variations on the same theme and the messianic Jewish rabbinate therefore legitimately a rabbinate The third is a question of differentiation How and why are the functions performed by a messianic Jewish rabbi contextually particularistic and therefore different from those performed by Christian clergy In other words how is a messianic rabbi more than just a Protestant Pastor with switched labels The fourth is a question of biblicity Is there biblical justification or precedent for the proposed paradigm of the rabbi as a surrogate priest Each of these questions emerges from messianic Judaism's interaction with different but overlapping audiences The question of description is addressed primarily to the messianic Jewish context The question of legitimacy is addressed primarily to the wider Jewish world The question of differentiation is addressed primarily to the church world The question of biblicity is addressed both to the messianic Jewish context and the church world And in all cases looking over our shoulder is the general public from the Prologue

Sex, Lies, and Rabbis: Breaking a Sacred Trust Charlotte Rolnick Schwab, 2003-07-08 Sex Lies and Rabbis Breaking a Sacred Trust by Charlotte Rolnick Schwab Ph D is a powerful book a combination of memoir and nonfiction about what happens when clergy specifically rabbis are deified It is about the betrayal and the cover up of the betrayal of teen aged girls and women by male rabbis and thereby the betrayal of these rabbis wives families congregations communities denominations and all Judaism Two murders are connected to rabbis sexual abuse One rabbi is awaiting retrial for allegedly hiring a hit man to murder his wife because of his sexual misconduct This author writes about her own frightening shocking experience as the wife of a rabbi perpetrator of sexual abuse of other women his violence toward her and threat to kill her if she told about his nefarious double life The book delineates in one volume the crisis in the rabbinate in congregational Judaism what needs to be done to bring about healing and change gives description of cases of rabbis sexual abuse as told to the author these cases are all composites the victims survivors identities are disguised and as reported in the media including the two murders related to rabbis sexual abuse the alarming extent of this problem outlines policies that synagogues and denominations need to adopt provides definitions of sexual abuse discusses the kinds of personalities of rabbis which can lead to rabbis becoming sexual predators and offers some suggestions for prevention The book offers a Resources List and extensive Bibliography including articles from Jewish and secular newspapers around the country about rabbis sexual abuse The book provides a healing program geared toward Jewish victims survivors or rabbis

sexual abuse it can be adapted for victims survivors of abuse by other clergy and of other kinds of abuse including abuse by batterers Women who suffered abuse of any kind will find this book validating and helpful for healing and recovery 12 Steppers will be especially interested in this book The book is helpful to people of all religions who are experiencing the crisis of their religious authorities sexual abuse and covering up of that abuse including Buddhists Catholics and Protestants It is an urgent read for all Jewish people concerned about the safety of their teen aged children and women and about the future of their religious organizations and communities Books have been written about Catholic priests and Protestant ministers and sexual abuse this is the first about rabbis sexual abuse Rabbis Arthur Gross Schaefer and Marcia Zimmerman and Rev Nils Friberg praise the book on the book jacket Maj Britt Rosenbaum MD psychiatrist and former Director of the Long Island Hillside Medical Center Sexuality Center wrote the Preface Gary Schoener Ph D clinical psychologist who treat both clergy perpetrators and victims wrote the Foreword

The Rabbi's Wife Shuly Rubin Schwartz, 2007-09-01 2006 National Jewish Book Award Modern Jewish Thought Long the object of curiosity admiration and gossip rabbis wives have rarely been viewed seriously as American Jewish religious and communal leaders We know a great deal about the important role played by rabbis in building American Jewish life in this country but not much about the role that their wives played The Rabbi s Wife redresses that imbalance by highlighting the unique contributions of rebbetzins to the development of American Jewry Tracing the careers of rebbetzins from the beginning of the twentieth century until the present Shuly Rubin Schwartz chronicles the evolution of the role from a few individual rabbis wives who emerged as leaders to a cohort who worked together on behalf of American Judaism The Rabbi s Wife reveals the ways these women succeeded in both building crucial leadership roles for themselves and becoming an important force in shaping Jewish life in America

Jewish Relational Care A-Z Jack H Bloom, 2013-05-13 A collection of caregiving tools combining the values of Jewish tradition and self relations useful for practitioners of ANY faith Self relations a powerful framework for doing respectful and humane caregiving for oneself and for others is here brought into relationship with Jewish thought Jewish Relational Care A Z We Are Our Other s Keeper is an extensive resource for caregiving tools and approaches Using Jewish tradition and Self Relations as take off points experts from many fields provide insightful perspectives and effective strategies for caregiving In the language of self relations each of us is not referred to as a Self Instead each of us is more accurately described as a relationship between selves relationship is the basic psychological and religious unit Jewish Relational Care A Z We Are Our Other s Keeper sensitively centers on relationships and the healing process using the understanding that to spark healing in others a loving respectful relationship must first be present between every aspect of our selves Thirty six categories of caregiving are comprehensively presented allowing its use as a helpful resource for any clergy considering any of the included topics Each author s personal reflections and personal experiences using care tools clearly illustrate how love respect relationships within oneself can transcend into effective care for others Jewish Relational Care A Z We Are Our Other s Keeper provides helpful tools and explores the use of

language as a relational care tool time management for optimum performance for oneself and for others compassion fatigue the need for self care and nurturing your own spiritual and psychological development purposeful visiting as a sacred task silence as an important part of spiritual care the profound difference made in lives through relational listening music as sacred power a communion between humans and the Divine chanting as an intimate expression of the soul creative ritual in relational healing spontaneous prayer and its place in relational care relational care with other faiths inside and outside of the community care for those going through divorce care when a pregnancy is unwelcome relational care for sexual orientation and gender identity issues successful caring for those who don't care about you dealing with traumatic loss care for those who have sinned sexually fragile relationships care with the healthy aging relational care and retired clergy care for those traumatized by sexual abuse care for the cognitively impaired mentally ill and developmentally disabled care for the final moments of life care for the sick and dying care within the grieving process Jewish Relational Care A Z We Are Our Other's Keeper is practical insightful reading for clergy and caregivers of all denominations educators students and lay people who care about clergy and their work CCAR Journal: The Reform Jewish Quarterly, Fall 2022 Elaine Rose Glickman, 2022-11-14 The CCAR Journal The Reform Jewish Quarterly Fall 2002 Published by CCAR Press a division of the Central Conference of American Rabbis **Contemporary American Judaism** Dana Evan Kaplan, 2011 No longer controlled by a handful of institutional leaders based in remote headquarters and rabbinical seminaries American Judaism is being transformed by the spiritual decisions of tens of thousands of Jews living all over the United States A pulpit rabbi and himself an American Jew Dana Evan Kaplan follows this religious individualism from its postwar suburban roots to the hippie revolution of the 1960s and the multiple postmodern identities of today From Hebrew tattooing to Jewish Buddhist meditation Kaplan describes the remaking of historical tradition in ways that channel multiple ethnic and national identities While pessimists worry about the vanishing American Jew Kaplan focuses on creative responses to contemporary spiritual trends that have made a Jewish religious renaissance possible He believes that the reorientation of American Judaism has been a bottom up process resisted by elites who have reluctantly responded to the demands of the spiritual marketplace The American Jewish denominational structure is therefore weakening at the same time that religious experimentation is rising leading to the innovative approaches supplanting existing institutions The result is an exciting transformation of what it means to be a religious American Jew in the twenty first century When a Congregation Is Betrayed Candace R. Benyei, E. Lorraine Frampton, Nancy Myer Hopkins, Patricia L. Liberty, Deborah J. Pope-Lance, 2005-12-30 This ebook is now available from Bloomsbury Academic Bloomsbury Academic publish acclaimed resources for undergraduate and postgraduate courses as well as the general reader across a broad range of subjects including Archaeology Art Visual Culture Biblical Studies Business Management Drama Performance Studies Economics Education Film Media History Linguistics Literary Studies Music Sound Studies Philosophy Politics International Relations Psychology Religious Studies Social Work Social Welfare
