Friedman, 2010-01-01 In this work the author brings the book of Bereshit Genesis to life by his idiomatic easily understood translation of the Masoretic text Dr Friedman takes many ancient Hebrew idioms and unfolds them and their significance for the reader Additionally the reader enters into the flow of the text through his commentary one that is based on unique Jewish approaches to understanding this foundational biblical book This translation is both scholarly and artistic upholding the holiness of the text while casting new looks at it as is done when assessing the life of Yakov Jacob There is a special appendix to the translation and commentary that is found in chapter 37 when the life of Joseph is featured In this fresh insightful translation and commentary the reader will enjoy immersing himself or herself in the Bible's classic first book the Book of the Beginning *Listen to Your Messages* Yissocher Frand, 1999 Preservation of life in an HMO dominated society the modern scourge of cynicism tension between Torah life and a bottom line society the ever popular lecturer and writer knows what bothers people and he finds these issues in the wellsprings of Torah **Everyday Holiness** Alan Morinis, 2008-12-02 Mussar is an illuminating approachable and highly practical set of teachings for cultivating personal growth and spiritual realization in the midst of day to day life Here is an accessible and inspiring introduction to this Jewish spiritual path which until lately has been best known in the world of Orthodox Judaism The core teaching of Mussar is that our deepest essence is inherently pure and holy but this inner radiance is obscured by extremes of emotion desire and bad habits Our work in life is to uncover the brilliant light of the soul The Mussar masters developed transformative teachings and practices some of which are contemplative some of which focus on how we relate to others in daily life to help us to heal and refine ourselves **Jewish Voice and Opinion December 2011**, 1997, ספר ספר **Chofetz Chaim, a Lesson a Day** Israel Meir (ha-Kohen), 1995 SRS The concepts and laws of proper

*Expanding the Palace of Torah* Tamar Ross,2021-07-30 Expanding the Palace of Torah offers a broad philosophical overview of the challenges the women s revolution poses to Orthodox Judaism as well as Orthodox Judaism s response to those challenges Writing as an insider herself an Orthodox Jew Tamar Ross confronts the radical feminist critique of Judaism as a religion deeply entrenched in patriarchy Surprisingly very little work has been done in this area beyond exploring the leeway for ad hoc solutions to practical problems as they arise on the halakhic plane In exposing the largely male focused thrust of the rabbinic tradition and its biblical grounding she sees this critique as posing a potential threat to the theological heart of traditional Judaism the belief in divine revelation This new edition brings this acclaimed and classic text back into print with a new essay by Tamar Ross which examines new developments in feminist thought since the book was first published in 2004
