This chapter serves as an introduction to the wonderful world of rabbit care, offering insight into what it takes to provide your rabbit with a happy and healthy life. They are social creatures that can form strong bonds with their human families, and their endearing personalities make them great companions. However, despite their reputation as easy pets, rabbits require a thoughtful approach to care, ensuring their physical and emotional needs are met. In this book, we will explore the various aspects of rabbit ownership, from choosing the right rabbit for your lifestyle to understanding their dietary and health needs. Rabbits are not just pets; they are complex, intelligent animals with unique behaviors, preferences, and needs.
