Israel: National Security and Securitization Ori Wertman, Christian Kaunert, 2023-04-17 This book is the first comprehensive book length analysis of Israel and securitization processes It develops an original analytical framework to ameliorate the theoretical understanding of the audience component during the securitization process drawing upon insights from both securitization theory political psychology and IR theory This gives us significant new insights into why some audiences are essential to be persuaded for securitization to occur while others are not This book also examines the role of the United States in defining what matters in Israeli National Security In essence

since the United States is Israel's most significant ally it is essential for the Israeli leadership to gain the American government's support or its lack of resistance for almost any securitization acts. The book analyses a highly original set of interviews with prominent figures in Israel who were at the top level of the Israeli decision making process including members of the political and military echelons. Through unparalleled access to Israel's political and security echelons, Israel National Security and Securitization provides a unique overview of Israel's decision maker's political perception over the years. Ehud Olmert, Prime Minister of Israel 2006-2009, Israel National Security and Securitization provides a powerful analysis of how the State of Israel confronted security threats and what was the American involvement in the Israeli decision making process. Amos Yadlin, IDF Military Intelligence Directorate Chief 2006-2010. This book makes us understand securitization in a novel and enlightening way, thus making a substantial contribution to our understanding of national security in general and Israeli security in particular. Gabriel Ben Dor, University of Haifa. Wertman and Kaunert's book makes an important and unique contribution to the existing and developing literature on securitization. Kobi Michael, Institute for National Security Studies. Israel's National Security Towards the 21st Century Uri Bar-Joseph, 2014-09-19. This volume discusses three principal issues: the Israeli army and the Revolution of Military Affairs (RMA), Israel's present and future answers to the threats of weapons of mass destruction (WMD) and the impact of societal, political and technological changes on Israel's future war objectives. **Israel's National Security Law** Amichai Cohen, Stuart Cohen, 2012. This book analyses both the substance of Israel's National security law and the dynamics of its historical development. It examines the normative principles upon which Israel's national security law is based, institutional arrangements for the formulation and protection of national security law and the style in which Israeli national security law is formulated. **Israel's Security Networks** Gabriel Sheffer, Oren Barak, 2013-06-28. Provides a fresh perspective on Israeli civil security relations and politics, introducing the concept of informal security networks in the area of national security. Israel's National Security Efraim Inbar, 2007-12-21. This volume presents a comprehensive analysis of Israel's security challenges since the 1973 October War. Efraim Inbar takes the reader on a historical journey through Israel's relations in the Middle East that begins with an analysis of Israel's strategic thinking after 1973 and ends with an important look at the recent Second Lebanese War and the Iranian nuclear challenge. Israel's National Security delves not only into Israel's responses but also its relationships in the international community, providing a complete picture of how Israel's strategic environment has evolved over time. Relevant to today's current political atmosphere, the volume dissects the influences of the growing appeal of Islamic extremism on the peace process, Israel's strategic partnerships with India and Turkey and Israel's relations with the Palestinians. *Be Strong and of Good Courage* Dennis Ross, David Makovsky, 2019-09-03. Modern Israel's founding fathers provided some of the boldest and most principled leadership of any nation; now Israel needs their example more than ever. Modern Israel's founding fathers provided some of the boldest and most principled leadership of any nation. Now Israel needs their example more than ever. At

a time when the political destiny of Israel is more uncertain than at any moment since its modern founding Be Strong and of Good Courage celebrates the defining generation of leaders who took on the task of safeguarding the country's future David Ben Gurion Menachem Begin Yitzhak Rabin and Ariel Sharon were all present at the creation of the new nation in 1948 Over the next sixty years each experienced moments when the country's existence was directly imperiled In those moments Israel needed extraordinary acts of leadership and strategic judgment to secure its future and these leaders rose to the occasion The strength they showed allowed them to prevail Today Israel may be on the verge of sacrificing the essential character that its greatest citizens fought to secure This is the story of that epic struggle

Israel, Strategic Culture and the Conflict

with Hamas Niccolò Petrelli, 2017-10-12 This book offers a comprehensive overview of the impact of strategic culture on Israeli military operations against Hamas between 1987 and 2014 It has often been argued that Israeli policies and military operations against Hamas have proven tactically effective but strategically disastrous allowing the Islamic Resistance Movement to grow from a small spin off of the Muslim Brotherhood into a powerful military and political actor in the Palestinian arena This book argues contrary to this opinion that Israel was effective in its struggle against the Islamic Resistance Movement between 1987 and 2014 as the Jewish state ultimately managed to deny the majority of Hamas strategic aims and to preserve a position of relative strength By relying on a synthesis of primary sources interviews memoirs scholarly and professional military studies and information gathered from the media the study delivers a careful and comprehensive analysis of the conflict It provides an historical outline of the development of the Israeli strategic culture and analyzes its impact on the process of military adaptation during the First Intifada the Oslo Peace Process the al Aqsa Intifada and the Gaza wars Finally the book illuminates how the Israeli strategic culture moulded a distinctive way of war that though marked by successes and failures ultimately proved effective against Hamas This book will be of much interest to students of strategic studies Middle Eastern politics counter insurgency counter terrorism and security studies in general

Can We Talk About Israel? (Revised and Updated)

Daniel Sokatch, 2025-09-30 An essential accessible guide to one of the most complex controversial topics in the world from a leading expert on Israel and the Israeli Palestinian conflict now revised and updated Israel and its conflict with the Palestinians is one of the hardest things in the world to understand let alone talk about And if talking about Israel has long been divisive contentious and controversial it got a whole lot harder after the horrific events of October 7 2023 and the catastrophic violence that followed Daniel Sokatch regularly deals with this challenge as head of the New Israel Fund an

organization dedicated to equality and democracy for all Israelis not just Jews As Sokatch asks is there any other topic about which so many intelligent educated and sophisticated people express such strongly and passionately held convictions and about which they actually know so little Can We Talk About Israel is the story of the Israeli Palestinian conflict grappling with a century long struggle between two peoples that both perceive themselves as and indeed are victims And it s an attempt to explain why the Israeli Palestinian conflict inspires such extreme feelings Complete with engaging illustrations by Christopher Noxon Can We Talk About Israel is an easy to read yet penetrating and original look at the history and basic contours of one of the most complicated conflicts in the world Turkey and the Middle East Amikam Nachmani,1999
