Race Card White Guilt Black Resentment And The Assault On Truth And Justice:

The Race Card Peter Collier, David Horowitz, 1997 Thirty years after the civil rights movement there remains in the black community a destructive pall of anger and hatred fueled by lingering white guilt and exploited by opportunists in the black elite The eighteen essays in the book take a hard look at a different color of racism where history is rewritten to fit racial sensibilities and the term racist is used to bully people into silence

Race and Morality Melvyn L. Fein, 2012-12-06 After I had finished my presentation a colleague and I sat rocking on the hotel porch to discuss its merits It was a picture perfect fall day in Jekyll Island Georgia and he was a friend Yes he explained what I was saying seemed to be true And yes it probably needed to be said but why did I want to be the one to say it Wasn't I after all a tenured professor who didn't need to make a fuss in order to retain his job Didn't it make sense to just kick back and enjoy the easy life I had earned The topic of our tete a tete was my speculations about race relations and he was certain that too much honesty could only get me in trouble Given my lack of political correctness people were sure to assume that I was a racist and not give me a fair hearing This was a prospect I had previously contemplated Long before embarking on this volume I had often asked myself why I wanted to write it The ideological fervor that dominates our public dialogue on race guaranteed that some people would perceive me as a dangerous scoundrel who had to be put in his place

Transcending Blackness Ralina L. Joseph, 2013 The author critiques the depictions of multiracial Americans in contemporary culture

Marked Men Nyrón N. Crawford, 2024-05-21 Examines the racial content and effects of Black Americans suspicion regarding the potential political harassment of Black Elected Officials

Interracial Intimacies Randall Kennedy, 2012-09-12 With the same piercing intelligence as the bestselling *Say it Loud* *Interracial Intimacies* hits a nerve at the center of American society race relations and our most intimate ties to each other The best book written on the subject an exhaustive source of deep rich scholarship and surefooted brilliant analysis Seattle Times Analyzing the tremendous changes in the history of America's racial dynamics Randall Kennedy challenges us to examine how prejudices and biases still fuel fears and inform our sexual marital and family choices He takes us from the injustices of the slave era up to present day battles over race matching adoption policies which seek to pair children with adults of the same race He tackles such subjects as the presence of sex in racial politics the historic role of legal institutions in policing racial boundaries and the real and imagined pleasures that have attended interracial intimacy A bracing much needed look at the way we have lived in the past *Interracial Intimacies* is also a hopeful book offering a potent vision of our future as a multiracial democracy

Awareness Library Journal Publishers Weekly Kirkus Reviews Antiracism is a transformative concept that reorients and reenergizes the conversation about racism and even more fundamentally points us toward liberating new ways of thinking about ourselves and each other At its core racism is a powerful system that creates false hierarchies of human value its warped logic extends beyond race from the way we regard people of different ethnicities or skin colors to the way we treat people of different sexes gender identities and body types Racism intersects with class and culture and geography and even changes the way we see and value ourselves In *How to Be an Antiracist* Kendi takes readers through a widening circle of antiracist ideas from the most basic concepts to visionary possibilities that will help readers see all forms of racism clearly understand their poisonous consequences and work to oppose them in our systems and in ourselves Kendi weaves an electrifying combination of ethics history law and science with his own personal story of awakening to antiracism This is an essential work for anyone who wants to go beyond the awareness of racism to the next step contributing to the formation of a just and equitable society

Afrocentrism Stephen Howe, 1999-08-17 For centuries racist colonial and Eurocentric bias has blocked or distorted knowledge of Africans their histories and cultures resulting in a counter mythology claiming the innate superiority of African descended peoples In this provocative study historian Stephen Howe challenges this Afrocentric rewriting of African history 16 photos Copyright Libri GmbH All rights reserved

The 10 Big Lies About America Michael Medved, 2009-10-13 It ain t so much the things we don t know that get us into trouble nineteenth century humorist Josh Billings remarked It s the things we know that just ain t so In this bold New York Times bestseller acclaimed author and talk radio host Michael Medved zeroes in on ten of the biggest fallacies that millions of Americans believe about our country in spite of incontrovertible evidence to the contrary The Big Lies exposed and dissected include America was founded on genocide against Native Americans The United States is uniquely guilty for the crime of slavery and built its wealth on stolen African labor Aggressive governmental programs offer the only remedy for economic downturns and poverty The Founders intended a secular not Christian nation Each of the ten lies is a grotesque propagandistic misrepresentation of the historical record Medved s witty well documented rebuttal supplies the ammunition necessary to fire back the next time somebody tries to recycle destructive distortions about our nation

Nationalism's Bloody Terrain George Baca, 2006-05-01 As many scholars have argued racism and its passions are created by and subordinated to the nation This volume places the practices of racism at the center of analysis of so called post racist or multi cultural nation states This way each contributor analytically treats racism and its related concepts of race identity culture and naturalizing symbols of blood to highlight the manner in which

governing institutions use nationalist precepts to create races In the end it is racism the actual political practices of domination that makes race salient especially in its multi cultural and liberal democratic form **The politics of betrayal** Ashley Lavelle,2015-11-01 The radical who becomes a conservative is a common theme in political history Benito Mussolini the Italian socialist who became a fascist is the best known example but there have been many others including the numerous American Trotskyists and Marxists who later became neo conservatives anti communists or in some instances McCarthyists The politics of betrayal examines why several one time radicals subsequently became part of the establishment in various countries including the former Black Panther Party leader turned Republican Eldridge Cleaver the Australian communist Adela Pankhurst who became an admirer of the Nazis and the ex radical journalist Christopher Hitchens whose defection to the neo conservative camp of George W Bush s administration following 11 September 2001 offers one of the most surprising instances of the phenomenon in recent times How and why do so many radicals betray the cause What implications does it have for left politics Were the ex radicals right to become conservatives This book the first of its kind answers these and more questions *What Can You Say?* John Hartigan Jr.,2010-06-10 We are in a transitional moment in our national conversation on race Despite optimistic predictions that Barack Obama s election would signal the end of race as an issue in America the race related news stories just keep coming Race remains a political and polarizing issue and the sprawling unwieldy and often maddening means we have developed to discuss and evaluate what counts as racial can be frustrating In *What Can You Say* John Hartigan Jr examines a watershed year of news stories taking these events as a way to understand American culture and challenge our existing notions of what is racial or not The book follows race stories that have made news headlines including Don Imus s remarks about the Rutgers women s basketball team protests in Jena Louisiana and Barack Obama s presidential campaign to trace the shifting contours of mainstream U S public discussions of race as they incorporate new voices words and images Focused on the underlying dynamics of American culture that shape this conversation this book aims to make us more fluent in assessing the stories we consume about race Advancing our conversation on race hinges on recognizing and challenging the cultural conventions governing the ways we speak about and recognize race In drawing attention to this curious cultural artifact our national conversation on race Hartigan ultimately offers a way to to understand race in the totality of American culture as a constantly evolving debate As this book demonstrates the conversation is far from over **Museum Frictions** Ivan Karp,Corinne A. Kratz,Lynn Szwaja,Tomas Ybarra-Frausto,2006-12-07 *Museum Frictions* is the third volume in a bestselling series on culture society and museums The first two volumes in the series *Exhibiting Cultures* and *Museums and Communities* have become defining books for those interested in the politics of museum display and heritage sites Another classic in the making *Museum Frictions* is a lavishly illustrated examination of the significant and varied effects of the increasingly globalized world on contemporary museum heritage and exhibition practice The contributors scholars artists and curators present case studies drawn from Africa

Australia North and South America Europe and Asia Together they offer a multifaceted analysis of the complex roles that national and community museums museums of art and history monuments heritage sites and theme parks play in creating public cultures Whether contrasting the transformation of Africa s oldest museum the South Africa Museum with one of its newest the Lwandle Migrant Labor Museum offering an interpretation of the audio guide at the Guggenheim Bilbao reflecting on the relative paucity of art museums in Peru and Cambodia considering representations of slavery in the United States and Ghana or meditating on the ramifications of an exhibition of Australian aboriginal art at the Asia Society in New York City the contributors highlight the frictions contradictions and collaborations emerging in museums and heritage sites around the world The volume opens with an extensive introductory essay by Ivan Karp and Corinne A Kratz leading scholars in museum and heritage studies Contributors Tony Bennett David Bunn Gustavo Buntinx Cuauht moc Camarena Andrea Fraser Martin Hall Ivan Karp Barbara Kirshenblatt Gimblett Corinne A Kratz Christine Mullen Kreamer Joseph Masco Teresa Morales Howard Morphy Ingrid Muan Fred Myers Ciraj Rassool Vicente Razo Fath Davis Ruffins Lynn Szwaja Krista A Thompson Leslie Witz Tom s Ybarra Frausto

Liberty Means Freedom for All Steven H. Propp, 2012-11-16 Thomas Anderson has just graduated from CSU Stentoria with his degree in Political Science Its an election year and as a young progressive in California who has been raised by equally progressive parents he is very much concerned with the political issues currently being discussed in the mass media A chance encounter with a fellow graduate named Kelly Kelso however shakes up his sett led view of the world He is challenged to examine the rising number of alternatives to the two party system presented by third party movements such as the Libertarian Party and the Green Party and is forced to acknowledge that there is far more to politics than simply Democrat versus Republican and liberal versus conservative Thomas delves energetically into not only the growing Libertarian movement but the free market perspective of the Austrian School of economics as well as the rigid yet compelling view of Ayn Rands philosophy of Objectivism His explorations grow wider now encompassing the Tea Party movement and the Christi an Right tax resisters and gun rights advocates survivalists and militia members anarchists communists and Democratic Socialists as well as the Occupy Wall Street movement He debates the radical environmental views of animal welfare and animal rights advocates and challenges opponents of corporate globalism as well as deniers of global warming as he struggles to reformulate and articulate his own developing beliefs while coping with a sea of conflicting ideas and opposition But this abstract political theory is brought into sharp encounter with concrete political reality when Thomas hears a news report of an armed conflict with authorities taking place just outside of town involving someone with whom he has become emotionally involved
