## **Race Ethnicity Gender A Global Perspective:**

*Women's History in Global Perspective* Bonnie G. Smith, 2004 The American Historical Association's Committee on Women Historians commissioned some of the pioneering figures in women's history to prepare essays in their respective areas of expertise This volume the first in a series of three collects their efforts *Women's History in Global Perspective* Volume 1 addresses the comparative themes that the editors and contributors see as central to understanding women's history around the world Later volumes will be concerned with issues that have shaped the history of women in particular regions The authors of these essays including Margaret Strobel Alice Kessler Harris and Mrinalini Sinha provide general overviews of the theory and practice of women's and gender history and analyze family history nationalism and work The collection is rounded out by essays on religion race ethnicity and the different varieties of feminism Incorporating essays from top scholars ranging over an abundance of regions dates and methodologies the three volumes of *Women's History in Global Perspective* constitute an invaluable resource for anyone interested in a comprehensive overview on the latest in feminist scholarship

*Race, Ethnicity and Gender* Olinier, Gay, 1997-06 *Race, Ethnicity, Gender, and Class* Joseph F. Healey, Andi Stepnick, 2023-01-12 Known for its clear and engaging writing the bestselling *Race Ethnicity Gender and Class* The *Sociology of Group Conflict and Change* has been thoroughly updated to be fresher more relevant and more accessible to undergraduates The text uses sociological perspectives and a consistent conceptual framework to tell the story of America's minority groups today and throughout history By presenting information asking questions and examining controversies it demonstrates that understanding what it means to be an American has always required us to grapple with issues of diversity and difference This title is accompanied by a complete teaching and learning package

*Gender Equality in a Global Perspective* Anders Ortenblad, Raili Marling, Snjezana Vasiljevic, 2017-01-06 *Gender Equality in a Global Perspective* looks to discuss whether Gender Equality can be adopted as it has been defined in international documents anywhere or whether it needs to be adapted in a more local context discuss which factors and perspectives need to be taken into account when adapting Gender Equality to specific contexts suggest research approaches for studies on whether a universal Western concept of Gender Equality fits in certain specific contexts and finally suggests challenges to the existing interpretation of Gender Equality e.g. theory of intersectionality and the development of legal and policy framework This book is situated within the tradition of comparative gender studies While most other such books take up and compare various ways of implementing or not implementing gender equality this book studies and compares whether or not and to what extent a specific definition of Gender Equality GE could be adopted by various nations Thus all chapter contributors will engage with the same definition of GE which will be presented within the book and discuss the possibilities and constraints related to applying such a definition in their particular national context The readers will learn about the problems of applying a universal concept of Gender Equality and the possible reasons for and modes of adapting Gender Equality to different

contexts Gender Equality in a Global Perspective looks to maintain a critical and reflexive stance towards the issues raised and will seek to present multiple perspectives and open ended answers As such it hopes to contribute to the international discussion of human rights more broadly and Gender Equality specifically The intended audience is not limited only to but will include policy makers scholars and students with an interest in Gender issues Organizational Theory Political Science Human Development Policy Analysis Globalization and other management sub disciplines *Gender Relations in Global Perspective* Nancy Cook,2007 Faced with an increasingly diverse student population an expanding field of gender scholarship and an academic emphasis on multidisciplinary social science professors often struggle to address and integrate such a broad array of gender issues in their courses This book addresses that challenge by increasing students understandings of gender relations in multiple social fields across time and space Gender Relations in Global Perspective is truly multidisciplinary It is partially drawn from the work of sociologists but articles written by gender scholars from the disciplines of cultural studies history political science geography and literary theory are also included The readings examine historically persistent cross culturally relevant and empirically grounded concerns such as men s position in the family and women s relationship to work media and the global economy as well as the gendered problems of violence sexuality and reproduction and racism This book presents an engaging range of comparative and cross cultural gender analyses from various world regions including the Middle East South Asia South East Asia Europe the Americas and Africa As the articles are dialogically situated in this text readers will be able to analyse gender similarities and differences around the globe and learn about the diversity of gender experiences across cultures and regions This range of analyses demonstrates how a global perspective enriches feminist analyses Students will quickly learn that to investigate gender dynamics adequately attention must be paid simultaneously to the processes of racialization class colonialism and imperialism and sexuality that interweave with gender to produce complex forms of oppression *Global Perspectives on Microaggressions in Higher Education* Christine Cho,Julie Corkett,2022-08-24 This book recognizes microaggression as a pervasive issue in colleges and universities around the world and offers critical analyses of the local and institutional contexts in which such incidences of violence and discrimination occur Authors from Egypt Barbados South Africa Canada and the United States explore the origins and forms of microaggression which impact students faculty and staff in higher education and address issues including xenophobia sexual violence linguistic discrimination and racial prejudice Drawing on a range of theoretical frameworks and utilizing empirical qualitative and ethnographic methods to consider microaggressions perpetrated by both students and staff each chapter proposes practical ways to prevent violence through education student agency policy and leadership This book offers a contemporary global dialogue with educators and is vital reading for educators and administrators in higher education **Global Perspectives on Well-Being in Immigrant Families** Radosveta Dimitrova,Michael Bender,Fons van de Vijver,2013-11-13 Global Perspectives on Well Being in Immigrant Families addresses

how immigrant families and their children cope with the demands of a new country in relation to psychological well being adjustment and cultural maintenance The book identifies cultural and contextual factors that contribute to well being during a family s migratory transition to ensure successful outcomes for children and youth In addition the findings presented in this book outline issues for future policy and practice including preventive practices that might allow for early intervention and increased cultural sensitivity among practitioners school staff and researchers *Global Perspectives on Gender and Work*

Jacqueline Goodman,2000-04-16 Central to all our lives work affects our status in the state the family and the economy This comprehensive reader examines the myriad ways in which work whether it is well paid unpaid or underpaid profoundly influences our roles in both the public and private spheres Jacqueline Goodman has selected a key set of essays that examine influential arguments on such central themes as 1 the origins of the gendered division of labor 2 historical trends and economic transformations that affect and are affected by women s position in market and non market work 3 the effects of occupational and job segregation by sex on status pay and promotion 4 the ways in which formal and informal organizational culture shape and in turn are shaped by gender in professional and managerial positions 5 class consciousness among wage earning men and women 6 the different forms of gender discrimination that women and men face in the workplace 7 the problems working parents face and the ways in which different societies subcultures and genders cope and 8 alternative approaches to improving the lives of working women and their families in the global economy With its rich interdisciplinary perspective this text is ideal for courses in sociology political science anthropology and women s and gender studies
