Encounters in a Postcolonial Society

Gail Lewis

Race Gender Social Welfare Encounters In A Postcolonial Society

John Clarke

Race Gender Social Welfare Encounters In A Postcolonial Society:

'Race', Gender, Social Welfare Gail Lewis, 2000-08-22 This book explores the relationship between race gender and policy to develop an important and original argument about social welfare and racial formation in the late twentieth century The book presents a layered and finely textured analysis of the issue of ethnic minority women in professional social work in Britain The analysis contextualizes their entry in terms of an understanding of the developing relationship between racial formation and its expression in local and central policy and policy making In the process the author builds upon and greatly extends the current analyses of social policy and race and gender Using a skilful mix of theory empirical research and interviews the book explores the complexities of the racialized and gendered world of the social services department The result is an important contribution to the literature that draws on feminist postcolonial psychoanalytic and social constructionist perspectives to develop an argument about processes of racial formation *Race Gender Social Welfare* will be of interest to students academics and practitioners in the fields of social welfare social work ethnic and women s studies and discourse analysis

Whiteness and Postcolonialism in the Nordic Region Kristín Loftsdóttir, Lars Jensen, 2016-02-11 This book examines the influence of imperialism and colonialism on the formation of national identities in the Nordic countries exploring the manner in which contemporary discourses in Nordic society are rendered meaningful or obscured by references to past events and tropes related to the practices and ideologies of colonialism Against the background of Nordic exceptionalism it explores the manner in which the interwoven racial gendered and nationalistic ideologies associated with the colonial project form part of contemporary Nordic identities An important challenge to national identities that can become increasingly inward looking *Whiteness and Postcolonialism in the Nordic Region* sheds light on the ways in which certain notions and structural inequalities understood as residue from the colonial period become recreated or projected onto different groups Presenting a variety of case studies drawn from Sweden Finland Norway Greenland Denmark and Iceland this book will be of interest to scholars across the social sciences and humanities conducting research in the fields of race and ethnicity identity and belonging media representations of the other and colonialism and postcolonialism

Emergent Writing Methodologies in Feminist Studies Mona Livholts, 2012-03-22 Contemporary challenges for seeking new knowledge in feminist studies are intimately intertwined with methodological renewal that promotes justice and equality in changing global contexts Written by some of the leading scholars in their fields this edited collection focuses on the emergence of writing methodologies in feminist studies and their implications for the study of power and change The book explores some of the central politics ideas and dimensions of power that shape and condition knowledge at the same time as it elaborates critical embodied reflective and situated writing practices By bringing together a variety of multi transdisciplinary contributions in a single collection the anthology offers a timely and intellectually stimulating contribution that deals with how new forms of writing research can contribute to promote fruitful analysis of inequality and power relations related to

gender racialisation ethnicity class and heteronormativity and their intersections It also includes the complex relationship between author text and audiences The intended audience is postgraduates researchers and academics within feminist and intersectionality studies across disciplines in the humanities and social sciences The book is excellent as literature in feminist studies courses and helpful guidance for teaching writing sessions and workshops Handbook on Gender and Social Policy Sheila Shaver,2018-09-28 Providing a state of the art overview this comprehensive Handbook is an essential introduction to the subject of Gender and Social Policy Bringing together original contributions and research from leading researchers it covers the theoretical perspectives of the field the central policy terrain of gender inequalities of income employment and care and family policy Examining gender and social policy at both the regional and national level the Handbook is an excellent resource for advanced students and scholars of sociology political science women s studies policy studies as well as practitioners seeking to understand how gender shapes the contours of social policy and politics The Battle for Britain John Clarke,2023-05-24 This book addresses the social political and economic turbulence in which the UK is embroiled Drawing on Cultural Studies it explores proliferating crises and conflicts from the multiplying varieties of social dissent through the stagnation of rentier capitalism to the looming climate catastrophe Examining arguments about Brexit class and race and the changing character of the state the book is underpinned by a transnational and relational conception of the UK It traces the entangled dynamics of time and space that have shaped the current conjuncture Questioning whether increasingly anti democratic and authoritarian strategies can provide a resolution to these troubles it explores how the accumulating crises and conflicts have produced a deepening crisis of authority that forms the terrain of the Battle for Britain Historical Dictionary of the Welfare State Bent Greve,2014-03-06 Definitions of the welfare state often focus on how and why a state intervenes in the economy and welfare of the individual citizen A welfare state does not however have to mean state intervention it may merely reflect the state s restrictions and the demands of the labor market families and the rest of civil society This book covers the history of the welfare state from Chancellor Otto von Bismarck s reforms in Germany starting in 1883 to the present day This third edition of Historical Dictionary of the Welfare State covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 400 hundred cross referenced entries that focus on the definitions and concepts that are the most relevant long lasting and important concepts It provides insights from major areas in social science including sociology economics political science and social work This book is an excellent access point for students researchers and anyone wanting to know more about the welfare state **Managing Care in Context** Jeanette Henderson,Dorothy Atkinson,2003 Managing Care in Context looks at the different contexts in which care takes place and considers the impact of policy practice and organisational contexts on managers It explores the complexity and diversity of the management task and the role Social Work Vivienne E. Cree,2013-10-31 What are the key ideas that underpin social work practice This inspiring Reader brings together some of the

most significant ideas which have informed social work practice over the last forty years Exploring these fundamental ideas the book includes commentaries that allow the reader to understand the texts on their own terms as well as to be aware of their relations to each other and to the wider social work context An accessible introduction contextualises the reader summarising the main themes and highlighting key issues The book is then divided into three main sections each presenting key texts which have contributed to the development of the profession of social work social work knowledge and values social work skills and practice There is no settled view or easy consensus about what social work is and should be and the ideas reflected in this volume are themselves diverse and complex The contributions are drawn from a wide range of perspectives psychological sociological philosophical educational and political as well as perspectives which are grounded in the experiences of practitioners and those who use services This important resource is essential reading for all social work students

Cancer on the Margins Judy Gould, Jennifer Jill Nelson, Sue Keller-Olaman, 2009-01-01 Cancer on the Margins presents the findings of the Ontario Breast Cancer Community Research Initiative an organization created to investigate the experiences of women with breast cancer from marginalized and underrepresented groups The authors examine the psychosocial needs of women living with breast cancer while investigating differences in treatment care and survivorship amongst Aboriginal women women of colour francophone women lesbians as well as young women lower income women and women in rural areas Structured as a guide for similar research Cancer on the Margins provides a start to finish format that reveals the complexities of doing such work at each stage of research beginning with the study design and ending with the dissemination of results The authors address the challenges of working with and speaking for these groups of women the tension between description and interpretation and the challenge for qualitative work to present findings that positively influence the circumstances of research participants With a strong commitment to social justice this volume also shows how participatory research can lead to social change and indicates effective ways to ensure that research not only reaches but is also employed in the communities it intends to serve Bridging the gap between a wide range of audiences this vitally important work will be of interest to health professionals new researchers policy makers new researchers and experienced investigators as well as the public

The Methodological Dilemma Kathleen Gallagher, 2008-05-19 This thought provoking book challenges the way research is planned and undertaken and equips researchers with a variety of creative and imaginative solutions to the dilemmas of method and representation that plague qualitative research Fascinating and inspiring reading for any researcher in the Social Sciences this comprehensive collection encourages the reader to imagine the world in evermore complex and interesting ways and discover new routes to understanding Some of the most influential figures in educational research consider questions such as How does a socio political context change the course of our research What counts as a truthful account in qualitative research How do the voices of theory and the voices of research subjects struggle to be heard in our research narratives How can qualitative researchers ethically navigate the difficult

terrain of research relationships How is the material body rendered in qualitative research Each chapter reveals a range of troubling dilemmas related to the critical aspects of research methodology in the Social Sciences and uses an illustrative case to elucidate the issues encountered by the researcher Each writer brings a fierce philosophical spirit to her work showing how methods or techniques of data gathering grow from the theory and analysis of how research proceeds A range of topics are addressed in a cross disciplinary approach which will appeal to all scholars of qualitative research undergraduate students in education programs and graduate students in a range of disciplines *Revitalising Critical Reflection in Contemporary Social Work Research, Practice and Education* Christian Franklin Svensson, Pia Ringø, 2022-12-09 Globally social work faces increasingly complex cultural political economic legal organisational technological and professional conditions Critically reflecting on the subject this book heightens critical consciousness among social work researchers educators practitioners and students about the structural dimensions of social problems and human suffering it highlights the inter relationship between agency and structure and discusses strategies to challenge and change both individual and societal consciousness Offering the reader an opportunity to gain in depth understanding of how critical reflection is possible in contemporary social work research practice and education it will be required reading for all social work scholars students and professionals Social Work Maria Wolmesjö, 2023-03-22 This edited volume *Social Work Perspectives on Leadership and Organisation* presents a variety of perspectives and reflections from social work theories and practice on how to manage lead and organize social work in different parts of the world The authors share their experiences and knowledge from a variety of perspectives focusing on education practice user participation leading social work with responsibility for handling different ethical dilemmas and organizing a sustainable and healthy work life for both staff members and their clients Global collaboration enables reflection on social work leadership and organization from different professional perspectives and organizational levels The book addresses students politicians lecturers and researchers practitioners users relatives and others who are interested in social work and want to improve their understanding of social work leadership and organization from an international perspective **British Broadcasting and the Public-Private Dichotomy** Simon Dawes, 2017-07-10 This text offers a theoretical engagement with the ways in which private and public interests and how those interests have been understood have framed the changing rationale for broadcasting regulation using the first century of UK broadcasting as a starting point Unlike most books on broadcasting this text adopts an explicitly Foucauldian and genealogical perspective in its account of media history and power and unpicks how the meanings of terms such as public service and public interest as well as competition and choice have evolved over time In considering the appropriation by broadcasting scholars of concepts such as neoliberalism citizenship and the public sphere to a critical account of broadcasting history the book assesses their appropriateness and efficacy by engaging with interdisciplinary debates on each concept This work will be of particular significance to academics and students with an interest in media

theory history policy and regulation as well as those disposed to understanding as well as critiquing the neoliberalization of public media

Inventing 'Easter Island' Beverley Haun, 2008-04-05 Easter Island or Rapa Nui as it is known to its inhabitants is located in the Pacific Ocean 3600 kilometres west of South America Annexed by Chile in 1888 the island has been a source of fascination for the world beyond the island since the first visit by Europeans in 1722 due to its intriguing statues and complex history *Inventing Easter Island* examines narrative strategies and visual conventions in the discursive construction of Easter Island as distinct from the native conception of Rapa Nui It looks at the geographic imaginary that pervaded the eighteenth century a period of overwhelming imperial expansion Beverley Haun begins with a discussion of forces that shaped the European version of island culture and goes on to consider the representation of that culture in the form of explorer texts and illustrations as well as more recent texts and images in comic books and kitsch from off the island Throughout *Easter Island* is used as a case study of the impact of imperialism on the view of a culture from outside The study hinges on three key points an inquiry into the formation of Easter Island as a subject an examination of how the constructed space and culture have been shaped reshaped and represented in discursive spaces and a discussion of cultural memory and how the constraints of foreign texts and images have shaped thought and action about Easter Island Richly illustrated and unique in its findings *Inventing Easter Island* will appeal to cultural theorists anthropologists educators and anyone interested in the history of the South Pacific

Rethinking Anti-Discriminatory and Anti-Oppressive Theories for Social Work Practice Christine Cocker, Trish Hafford-Letchfield, 2014-07-23 For years anti discriminatory and anti oppressive practice have been embedded in the social work landscape Thinking beyond the mainstream approaches this book critically examines some of the core concepts and issues in social work providing fresh perspectives and opportunities for educators students and practitioners of social work

Terror and the Dynamism of Islamophobia in 21st Century Britain Madeline-Sophie Abbas, 2021-08-04 This book provides powerful insights into the dynamics nature and experiences of the terrors of counter terrorism measures in the UK Abbas links her analysis to wider concerns of nation construction and belonging racial profiling and policing the state of exception and pre emptive counter terrorism measures community based counter terrorism measures and restrictions to political engagement freedom of speech and hate speech What makes this work distinct is its advancement of an original framework the Concentrationary Gothic to delineate the racialised mechanisms of terror involved in the governance of Muslim populations in the war on terror context The book illuminates the various ways in which Muslims in Britain experience terror through racialised surveillance and policing strategies operating at state group inter and intra and individual levels in diverse contexts such as the street workplace public transport and the home Abbas situates these experiences within wider racial politics and theory drawing connections to anti-Semitism anti blackness anti Irishness and whiteness to provide a complex mapping of the ways in which racial terror has operated in both historical and contemporary contexts of colonialism slavery and the camp and offering a unique point of analysis through the

use of Gothic tropes of haunting monstrosity and abjection This vital work will be of interest to students and scholars across sociology criminology anthropology terrorism studies Islamic studies and critical Muslim studies researching race and racialisation security immigration nationhood and citizenship *Disputing Citizenship* John Clarke, Kathleen Coll, Evelina Dagnino, Catherine Neveu, 2014-01-27 Available Open Access under CC BY NC licence Citizenship is always in dispute in practice as well as in theory but conventional perspectives do not address why the concept of citizenship is so contentious This unique book presents a new perspective on citizenship by treating it as a continuing focus of dispute The authors dispute the way citizenship is normally conceived and analysed within the social sciences developing a view of citizenship as always emerging from struggle This view is advanced through an exploration of the entanglements of politics culture and power that are both embodied and contested in forms and practices of citizenship This compelling view of citizenship emerges from the international and interdisciplinary collaboration of the four authors drawing on the diverse disputes over citizenship in their countries of origin Brazil France the UK and the US The book is essential reading for anyone interested in the field of citizenship no matter what their geographical political or academic location **this bridge we call home** Gloria Anzaldúa, AnaLouise Keating, 2013-10-18 More than twenty years after the ground breaking anthology *This Bridge Called My Back* called upon feminists to envision new forms of communities and practices Gloria E Anzaldúa and AnaLouise Keating have painstakingly assembled a new collection of over eighty original writings that offers a bold new vision of women of color consciousness for the twenty first century Written by women and men both of color and white this bridgewe call home will challenge readers to rethink existing categories and invent new individual and collective identities **Civilising Subjects** Catherine Hall, 2002-05 This volume argues that the empire was at the heart of 19th century Englishness It tells stories of a group of English men and women who constructed themselves as colonizers It then uses these studies as a means of exploring wider colonial issues **Decolonizing and Feminizing Freedom** Denise Noble, 2017-02-17 This book traces the powerful discourses and embodied practices through which Black Caribbean women have been imagined and produced as subjects of British liberal rule and modern freedom It argues that in seeking to escape liberalism s gendered and racialised governmentalities Black women s everyday self making practices construct decolonising and feminising epistemologies of freedom These in turn repeatedly interrogate the colonial logics of liberalism and Britishness Genealogically structured the book begins with the narratives of freedom and identity presented by Black British Caribbean women It then analyses critical moments of crisis in British racial rule at home and abroad in which gender and Caribbean women figure as points of concern Post war Caribbean immigration to the UK decolonisation of the British Caribbean and the post emancipation reconstruction of the British Caribbean loom large in these considerations In doing all of this the author unravels the colonial legacies that continue to underwrite contemporary British multicultural anxieties This thought provoking work will appeal to students and scholars of social and cultural history politics feminism race and postcoloniality
