British Sport - a Bibliography to 2000 Richard Cox, 2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain. It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian. **British Sport: Biographical studies of British sportsmen, sportswomen, and animals** Richard William Cox, 2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain. It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian. **International Sport: A Bibliography, 1995-1999** Richard William Cox, 2004-04-22 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments. The annual number of publications has increased from around 250 to 1 000 a year over the last decade. This is due in part to the fact that during the late 1980s and 90s many clubs, leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements. It is also the result of the growing popularity and realisation of the importance of sport history research within academe. This international bibliography of books, articles, conference proceedings and essays in the English language is a one stop for the sports historian to know what is new. **Books in Print, 2006-2007**, 2006 **Books in Print**, 1974 **Racers** Alan Henry, 1999-11-26 **Racers 1969-2000** Alan Henry, 1999-01-01 Stewart Andretti Villeneuve Lauda Prost Senna and current sensations like Schumacher and Hakkinen more than 50 drivers profiled with bios and candid and race action photos.
