Billman, Daniel L. Migliore, 2007-10-01 Modern theology needs the rediscovery of the category of consolation This book is rich of consolations because it takes the cry of lament seriously Jurgen Moltmann A timely accessible and valuable book The recovery of the biblical traditions of loss and hurt is intrinsically worth doing more worth doing in an increasingly disestablished society Walter Brueggemann Columbia Theological Seminary Emeritus This cross disciplinary collaboration is poignant and compelling testimony to the personal and communal power of lament and its importance to the practice of ministry This book is the one that I have been waiting for Christie Cozad Neuger Brite Divinity School Few books in the literature of lament have drawn together so much material from the biblical theological and pastoral spheres as *Rachel s Cry* Patrick D Miller Princeton Theological Seminary Honesty with God is the doorway to authentic hope and faith This is one of the most liberating books I have read in a long time James Newton Poling Garrett Evangelical Theological Seminary This is the first book to bring scattered discussions together into one coherent whole with deep Christian insight and conviction with vivid examples and with learning which is as gracefully communicated as it is broad and deep in its substance I will be keeping it near at hand so as to return to it often Nicholas Wolterstorff Yale University *Rachel s Cry* is not only a timely book it is an urgently needed resource for people who long for a way to live with irrational suffering Unless we recover the prayer of lament we are in danger of being trapped in powerlessness cynicism and despair Herbert Anderson Catholic Theological Union Emeritus I found it difficult to put this book down *Rachel s Cry* convincingly argues that an authentic and empowering spirituality requires the language of lament and protest alongside praise and thanksgiving Nancy J Ramsay Louisville Presbyterian Theological Seminary Kathleen M Billman is dean of academic affairs and professor of pastoral theology and counseling at Lutheran School of Theology in

[The Goodbye Islands](#) Stuart Gregory, 2021-01-12 It was another day at the office The drawers in my desk were slowly creep open and close It was a

particularly windy on this day I was on the one hundred and third floor of the world trade center tower two When it was windy the building had a built in sway factor of up to four feet in either direction Some people actually got nauseous from the constant swaying some would leave the building to get a break Just another day on the bond trading floor of a major investment bank where I worked My head hurt from last nights imbibing to the wee hours with friends I was now in the land of relentless harassment and pressure Lunch at my desk where I was chained for most of the day If you ordered a salad to make up for last nights bad decisions you were endlessly ridiculed I was very lucky to have the seat I was in The days were long and tedious but worth the rewards The city was becoming bloated glutted silly with ambition The buildings were higher the morals looser the liquor cheaper We all drank the kool Aid The city was filled with the ethos of the time relishing in frenzy and moneymaking it was the eighties in New York City There are few desires more deeply human than the desire to escape whatever reality you are in The problem is not the nicer your life is the more resources you have to escape it but rather the limits of being a person You are stuck with you Its the precondition of existence I wanted incredible things to happen to me not the slow burning let down of adulthood I was becoming too many parts of myself starting to break apart an urban sauce over cooked Its a very demanding environment that is geared toward survival of the fittest Your energy level goes up along with your radar and your prowess It sparks a certain aggressiveness It breeds insincerity pretentions dishonesty affectation ostentatiousness and irreverence Not very healthy on any level Thats when the letter arrived I had applied to the Peace Corps on an insane impulse not thinking for a second a Wall Street guy would be of any interest to anybody anywhere in any capacity The country of choice was the Kingdom of Tonga in the South Pacific I had never heard of it I ran off to the library to find out more about this remote island chain in Polynesia The Peace Corps had accepted me for a two year stint I would be working for a missionary who would be overseeing the Prison Fellowship International This was an organization born out of the experience of Charles Colson former aide to President Nixon Convicted for a Watergate related offense Colson served seven months in prison During that time he saw and experienced the difference faith in Jesus makes in peoples lives He became convinced that the real solution to crime is found through spiritual renewal He wanted to help men and women turn their lives around Through Christ In 1979 he founded Prison Fellowship International extending the mission and work beyond the United States In 1983 Prison Fellowship International received special consultative status with the Economic and Social Council of the United Nations Now it s the largest most extensive association of national Christian ministries working within the criminal justice field The grassroots presence enables it to minister to prisoners and their families in culturally relevant ways The heart of the ministry is their volunteers that would be me What a complete and utter shock to my system What were they thinking Im not religious nor do I have any experience in this field or anything like it Im a Bond salesman on Wall Street The Kingdom of Tonga was an antidote to New York It was a type of cleansing A revival A chance to see life in the simple light of daily existence Being there required me to learn how to exist in real life without all

the usual escapes and distractions Now all of my exits had been taken away from me Pulled right out from under me like the ground itself *Children of Coercive Control* Evan Stark,2023 In accessible prose illustrated by dramatic cases from his forensic practice Evan Stark shows that the vast majority of children killed or seriously injured in families are victims of coercive control by their father Coercive control has been adapted by many countries and US States as the overarching definition of violence against women Children are secondary victims of this process Stark describes why he would abolish the child welfare system and replace the ameliorative approach to child abuse and child protection with criminal laws against coercive control and support independence for women and children **Mystery Unraveled: Detective Stories** Amrahs Hseham,2025-02-01 Mystery Unraveled Detective Stories takes readers on thrilling crime solving adventures following skilled detectives as they uncover the truth behind perplexing cases With gripping plots diverse settings and complex characters the book explores human nature morality and justice It delves into psychological motives ethical dilemmas and the intricate pursuit of criminals Packed with suspense intrigue and thought provoking themes this collection keeps readers engaged until the final revelation **Virtuous Deception 2** Leiann B. Wrytes,2019-07-30 When Michelle tunneled into her family s history she triggered a truth bomb that exploded into an inferno scorching everyone in its wake When the smoke cleared Michelle had lost her father to the grave and her mother to a truth so painful recovery seemed improbable Teetering along the edge of hopelessness her grasp on reality is rapidly thinning as her world collapses When infidelity strikes her last safe place the effects of the betrayal are brutal pitting Michelle against everyone and everything she loves Sophie Lewis is trying to build a relationship with her estranged daughter Brianna when an old love returns bringing a consortium of hurts along with him Peter Baxter is intent on rekindling their flame but Sophie has good reason to be hesitant His presence breathes life into parts of her she d rather leave buried further complicating her fragile situation Will Sophie survive the revival of her past or will she be forced to disappear again After narrowly escaping death at the hands of her ex lover Javan Brianna views life in a completely different light Struggling to recapture the peace she once enjoyed Brianna seeks comfort in all the wrong places Desperation permits the unthinkable as she finds herself on the wrong end of a love story Will this love offer her salvation or will it bring death back to her door They each soon learn that even a lie is stitched with a pocket of truth as their lives continue to unravel in ways they never imagined cementing in their minds above all else that life isn t a game you venture to play unless you re playing for keeps *Christmas Carol Murder* Leslie Meier,2014-01-23 New York Times Bestselling Author Longtime Lucy Stone series readers will be happy to catch up on life in Tinker s Cove in this cozy Christmas mystery Library Journal It s Christmas in Tinker s Cove Maine and Lucy Stone is excited about her acting debut in the town s production of A Christmas Carol But not everyone is full of cheer Tinker s Cove has fallen on hard times this year and with so many residents struggling to make ends meet Christmas festivities are a luxury some can t afford But the story s not so bleak at Downeast Mortgage whose tightfisted owners Jake Marlowe and Ben Scribner are raking in profits from
