Laumann, John H. Gagnon, Robert T. Michael, Stuart Michaels,2000-12-15 New York Times Book Review Notable Book of the Year The Social Organization of Sexuality reports the complete results of the nation's most comprehensive representative survey of sexual practices in the general adult population of the United States This highly detailed portrait of sex in America and its social context and implications has established a new and original scientific orientation to the study of sexual behavior *On the Nature of Prejudice* John F. Dovidio, Peter Glick, Laurie A.

Rudman,2008-04-15 *On the Nature of Prejudice* commemorates the fiftieth anniversary of the publication of Gordon Allport's classic work on prejudice and discrimination by examining the current state of knowledge in the field A distinguished collection of international scholars considers Allport's impact on the field reviews recent developments and identifies promising directions for future investigation Organized around Allport's central themes this book provides a state-of-the-art comprehensive view of where the field has been where it is now and where it is going **Individuals as Producers of**

Their Development Richard M Lerner, Nancy A. Busch-Rossnagel,2013-09-03 *Individuals as Producers of Their Development: A Life Span Perspective* provides an assessment of the usefulness of viewing the individual as an active contributor to his or her development It extends the breadth of organism-environment reciprocities beyond those involved with the child and family On the one hand this extension involves a consideration of the role of evolutionary biological processes on the other it pertains to the broader ecology of human development the social network lying outside the family and the physical environmental contexts of development Person-context reciprocities linked to variables that may play their

greatest role in the extrafamilial context are also considered Variables such as physical attractiveness race and physical handicap are examples of those discussed in this regard Finally because of the greater scope of the analysis a potentially greater data base is examined in a search for documentation of the presence and role of dynamic person context interactions

Racial Attitudes in America Today Clarissa Peterson, Emmitt Y. Riley, III, 2022-04-19 With this book Clarissa Peterson and Emmitt Y Riley III dive into how racial attitudes change and inform political decisions Peterson and Riley use racial resentment black blame and racial identity to investigate the extent to which racial attitudes influence vote choice evaluations of Black Lives Matter and attitudes toward public policies Moving the conversation beyond the study of Blacks and Whites the authors unpack the potency of racial attitudes among Asians Blacks Hispanics and Whites In doing so they challenge our understanding of how racial attitudes are central to political decision making in an environment that is inundated with anti Blackness The book reframes discussions of racial attitudes to propose that like White people some racial minorities in the United States harbor negative attitudes toward Black people The authors suggest that while White political attitudes are significantly explained by racial resentment the overall influence of racial resentment on political decision making among some racial groups may be mitigated by racial identity At a time when White supremacists walk unhooded in the streets of America Racial Attitudes in America Today is essential reading for educators wanting to fully engage with and understand racial resentment in America and undergraduate students in the fields of political science sociology history and psychology
