Racial Equality, Education, and Punjabis in Britain Sujinder Singh Sangha, 2001 The A to Z of Sikhism W. H. McLeod, 2009-07-24 Contrary to popular opinion there is more to Sikhism than the distinctive dress First of all there is the emergence of Guru Nanak the founder of Sikhism and the long line of his successors There are the precepts many related to liberation through the divine name or nam There is a particularly turbulent history in which the Sikhs have fought to affirm their beliefs and resist external domination that continues to this day There is also more recently the dispersion from the Punjab throughout the rest of India and on to Europe and the Americas With this emigration Sikhism has become considerably less exotic but hardly better known to outsiders This reference is an excellent place to learn more about the religion It provides a chronology of events a brief introduction that gives a general overview of the religion and a dictionary with several hundred entries which present the gurus and other leaders trace the rather complex history expound some of the precepts and concepts describe many of the rites and rituals and explain the meaning of numerous related expressions All this along with a bibliography provides readers with an informative and accessible guide toward understanding Sikhism

International Bibliography of Sikh Studies Rajwant Singh Chilana, 2006-01-16 The International Bibliography of Sikh Studies brings together all books composite works journal articles conference proceedings theses dissertations project reports and electronic resources produced in the field of Sikh Studies until June 2004 making it the most complete and up to date reference work in the field today One of the youngest religions of the world Sikhism has progressively attracted attention on a global scale in recent decades An increasing number of scholars is exploring the culture history politics and religion of the Sikhs The growing interest in Sikh Studies has resulted in an avalanche of literature which is now for the first time brought together in the International Bibliography of Sikh Studies This monumental work lists over 10 000 English language publications under almost 30 subheadings each representing a subfield in Sikh Studies The Bibliography contains sections on a wide variety of subjects such as Sikh gurus Sikh philosophy Sikh politics and Sikh religion Furthermore the encyclopedia presents an annotated survey of all major scholarly work on Sikhism and a selective listing of electronic and web based resources in the field Author and subject indices are appended for the reader's convenience *Historical Dictionary of Sikhism* Louis E. Fenech, W. H. McLeod, 2014-06-11 Sikhism traces its beginnings to Guru Nanak who was born in 1469 and died in 1538 or 1539 With the life of Guru Nanak the account of the Sikh faith begins all Sikhs acknowledging him as their founder Sikhism has long been a little understood religion and until recently they resided almost exclusively in northwest India Today the total number of Sikhs is approximately twenty million worldwide About a million live outside India constituting a significant minority in the United Kingdom Canada and the United States Many of them are highly visible particularly the men who wear beards and turbans and they naturally attract attention in their new countries of domicile This third edition of Historical Dictionary of Sikhism covers its history through a chronology an introductory essay and an

extensive bibliography The dictionary section has over 1000 cross referenced entries on key persons organizations the principles precepts and practices of the religion as well as the history culture and social arrangements This book is an excellent access point for students researchers and anyone wanting to know more about Sikhism *Education, Ethnicity and Equity in the Multilingual Asian Context* Jan GUBE,Fang GAO,2019-02-08 The book addresses issues related to the education of ethnic minority individuals in the multilingual Asian region It features recent research and practices of scholars aiming to rethink educational policy and practice surrounding the education of ethnic minority students with a variety of language scenarios in Hong Kong and other Asian contexts It documents how ethnicity and inequality are played out at policy school and individual levels and how these affect the education of ethnic minorities in their host societies Using a range of methods from surveys to interviews and document analysis this book describes the links between language identity and educational inequality related to ethnic minorities in Asian contexts Race And Education: Policy And Politics In Britain Tomlinson, Sally,2008-03-01 Provides crucial information on key educational issues events and conflicts in Britain from the 1960s to the present day **Race, Class and Education (RLE Edu L)** Len Barton,Stephen Walker,2012-05-04 One problem which continues to absorb social scientists is the way in which so much social deprivation stems from racial or class status The discussion in this book is developed in two ways firstly careful attention is given to an examination of the way minority groups create and maintain collective identities and action Secondly the relationship between this movement and such topics as racism in schools schooling unemployment and West Indian involvement in sporting rather than academic activities is analysed together with the nature of the educational experience of different class and gender groups The City's Approach to the Education of Its Multicultural Population (migrants and Minorities) Standing Conference of Local and Regional Authorities of Europe,Council of Europe,1995-01-01 *Routledge Library Editions: Education Mini-Set L Sociology of Education* Various,2021-06-23 Mini set L Sociology of Education re issues 48 volumes originally published between 1928 and 1990 The books in this mini set discuss Teaching and social change research processes in education class race culture and education marxist perspectives in the sociology of education the family and education the sociology of the classroom and school organization *Imagining Punjab, Punjabi and Punjabi in the Transnational Era* Anjali Roy,2017-10-02 This book moves away from originary myths of region and identity that have dominated academic and mediatized representations of Punjab a land locked region divided between India and Pakistan after the Partition of 1947 and instead focuses on the role of the imagination in producing Punjab It deconstructs Punjab as an ethno spatial ethno linguistic and ethno cultural construct produced by the communities who dwell there those who have left it and those formed by new narratives of the region By isolating imaginings of Punjab that are not centred on exclusivist regional linguistic sectarian or caste perspectives contributions to this book propose the concept of free flowing cartographies in relation to Punjab which facilitate its imaginings as a geographical region a social construct and a state of consciousness The region is simultaneously imagined as

a small place a neighbourhood a city and a village but also as a performative practice and a certain ways of doing things Through focusing on a number of Punjabi spaces and communities and engaging with Punjab as a geographical region social construct and state of consciousness the papers in the book hope to contribute to broader debates on transnationalism postnationalism micronationalism and new identity narratives emerging in the twenty first century This book was originally published as a special issue of South Asian Diaspora Research and Reflections on Southeast Asian American Education and Advancement Wayne E. Wright,Vikrant Chap,Phitsamay S. Uy,Chhany Sak-Humphry,Vichet Chhuon,Bryan Thao Worra,2025-05-15 This book is in commemoration of the twentieth anniversary of the Journal of Southeast Asian American Education and Advancement JSAAEA and the fiftieth anniversary of Southeast Asian American refugee resettlement in the United States Pivotal research articles reviews and creative works from past issues of JSAAEA have been selected for this volume to document the history and experiences of Cambodian Laotian Hmong and Vietnamese Americans since initial refugee resettlement began in the United States in 1975 as well as the experiences of more recent Southeast Asian immigrant and refugee groups Reviews of academic books novels memoirs children s books and motion pictures further highlight Southeast Asian American perspectives and experiences Creative works including poetry and short stories by Cambodian Laotian Hmong Vietnamese Thai and Burmese American writers provide additional and often intimate insights and reflections on the Southeast Asian American experience **From Legislation to Integration?** M. Anwar,P. Roach,R. Sondhi,1999-11-10 Britain is now permanently a multi racial and multi cultural society with a race relations legislative framework From Legislation to Integration provides a unique and comprehensive analysis of the contribution made by this legislation to the development of British race relations The politics of the Race Relations Act 1976 the issues regarding law enforcement and the impact of legislation in British race relations are examined Contextualising Britain the book puts the situation in this country within the European Union framework and compares it with the United States It also looks to the future and makes relevant suggestions to improve the current legislation It will appeal to students of social sciences researchers policy makers and professionals in the relevant fields nationally and internationally *Coping with Two Cultures* Paul Avtar Singh Ghuman,1993 This book makes a significant contribution to our understanding of the issues and concerns of the second generation Asian young people living in Britain and Canada It is based on extensive fieldwork data collected through an attitude scale a questionnaire and interviews with young people Also a large number of parents teachers and a small number of community leaders were interviewed to place the discussion in a broader framework Verbatim extracts are used liberally to give the reader both the flavour and tone of responses What emerges is an optimistic picture The young people in the study are developing a bicultural outlook to reconcile the differing values of school and home The majority of them are at ease with both cultures the Indo Canadians more so than the British Asians BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Religion, Equalities, and Inequalities**

Dawn Llewellyn, Sonya Sharma, 2016-07-22 Presenting cutting edge research on how religion can confront and obscure social inequalities in everyday life *Religion Equalities and Inequalities* argues that when religion is left out of social scientific analyses it can result in incomplete analyses that conceal pathways to social inclusion and exclusion Bringing together an international and interdisciplinary group of contributors who operate at the vanguard of theoretical and empirical work on how social structures of power institutions and bodies can generate equalities and inequalities in religion the collection shows how religion can enable and challenge the inequities that affect people's everyday lives Academics and students of religious studies sociology politics and social policy will all find this book offers useful insights into the relationship between religion and contemporary culture *Muslim European Youth* Steven Vertovec, Alistar Rogers, 2018-08-10 First Published in 1998 this volume consists of contributors providing position of Muslim youth in a European context Providing case studies from 5 European nations Denmark France Germany the Netherlands and the United Kingdom The chapters in this book draw from various of anthropological and sociological theory to discuss this topic Many contributors relating back to ethnological research on young Muslims in relation to local government political and religious associations schools as well as community and family **Sikhs in Europe** Kristina Myrvold, 2016-04-01 Sikhs in Europe are neglected in the study of religions and migrant groups previous studies have focused on the history culture and religious practices of Sikhs in North America and the UK but few have focused on Sikhs in continental Europe This book fills this gap presenting new data and analyses of Sikhs in eleven European countries examining the broader European presence of Sikhs in new and old host countries Focusing on patterns of migration transmission of traditions identity construction and cultural representations from the perspective of local Sikh communities this book explores important patterns of settlement institution building and cultural transmission among European Sikhs *Freedom and Authority in Religions and Religious Education* Brian Gates, 2016-10-06 This fascinating collection of essays examines religious experience and tradition The first part focuses on the nature and sources of authority in each of six major religions and considers how freedom is perceived by them It goes on to examine the religious contexts of two examples of nations divided within themselves Northern Ireland and Israel The second part of the book looks at the process of education the tensions between freedom and authority and their implications for religious education **Ebook: Evolving Dialogues in Multiculturalism and Multicultural Education** Richard Race, 2024-03-20 Richard Race has long proven that multicultural education and multiculturalism in British education are key to understanding and fostering social and community cohesion This important book builds on decades of work adding fresh insights that reflect the complexity of social and political issues faced in the UK What Race and colleagues have done is both courageous and coruscating Professor Paul W Miller Director of the Institute for Educational Social Equity UK This edited book is a powerful curation of narratives which set out pertinent and relevant perspectives on evolving dialogues in multiculturalism and multicultural education It is a timely comprehensive and insightful tome which will be a useful addition

to any global anti racist bookshelf Dr Susan Davis Reader in Diversity Equity and Inclusion in Education School of Education and Social Policy Cardiff Metropolitan University UK Multicultural dialogues are as important now as ever This volume explores narratives in education that have developed internationally in response to changing policies and the modern world Its contributions reflect on the necessity of sustained dialogue within the wider social and political sciences alongside national and international politics to enable more multicultural voices to be heard and to respond to the challenges of the modern world Cultural diversity is a great societal strength and globalisation within education can increase our understanding of this This edited volume Comprises work by researchers from across the globe Draws on real life case studies and empirical evidence Consists of 20 chapters covering a range of topics Building on case studies from England Turkey Italy and more this text transcends national policy to ask what the core values of multicultural education truly are From policy and pedagogy to the impact on curricula it is essential reading for students and those working across the fields of education and sociology particularly with an interest in social justice inclusion and multiculturalism Richard Race is Senior Lecturer in Education at Teesside University UK and a Visiting Professor at Sapienza University Italy Richard is a member of the Executive Board of the Society of Educational Studies and Editorial Board Member of the British Journal of Educational Studies

Global Inequality D. John Grove, 2019-09-17 Redistribution of the world s wealth not only among nation states but among cultural class and sexual groups has become increasingly a major issue of concern This book examines existing inequality in both the domestic and international arenas Its multidisciplinary approach facilitates an understanding of the complex structure of global distr
