Saha, 2007 Textbook Russian Jews on Three Continents Noah Lewin-Epstein, Paul Ritterband, Yaacov Ro'i, 2013-10-31 In the past twenty years almost three guarters of a million Russian Jews have emigrated to the West Their presence in Israel Europe and North America and their absence from Russia have left an indelible imprint on these societies. The emigrants themselves as well as those who stayed behind are in a struggle to establish their own identities and to achieve social and economic security In this volume an international assembly of experts historians sociologists demographers and politicians join forces in order to assess the nature and magnitude of the impact created by this emigration and to examine the fate of those Jews who left and those who remained Their wide ranging perspectives contribute to creating a variegated and complex picture of the recent Russian Jewish Emigration Handbook of Ethnic Conflict Dan Landis, Rosita D. Albert, 2012-02-14 Although group conflict is hardly new the last decade has seen a proliferation of conflicts engaging intrastate ethnic groups It is estimated that two thirds of violent conflicts being fought each year in every part of the globe including North America are ethnic conflicts Unlike traditional warfare civilians comprise more than 80 percent of the casualties and the economic and psychological impact on survivors is often so devastating that some experts believe that ethnic conflict is the most destabilizing force in the post Cold War world Although these conflicts also have political economic and other causes the purpose of this volume is to develop a psychological understanding of ethnic warfare More specifically Handbook of Ethnopolitical Conflict explores the function of ethnic religious and national identities in intergroup conflict In addition it features recommendations for policy makers with the intention to reduce or ameliorate the occurrences and consequences of these conflicts worldwide Race, Class, and Political Symbols Anita M. Waters, 2017-09-08 Dr Waters is one of a new breed of analysts for whom the interpenetration of politics culture and national development is key to a larger integration of social research Race Class and Political Symbols is a remarkably cogent examination of the uses of Rastafarian symbols and reggae music in Jamaican electoral campaigns The author describes and

analyzes the way Jamaican politicians effectively employ improbable strategies for electoral success She includes interviews with reggae musicians Rastafarian leaders government and party officials and campaign managers Jamaican democracy and politics are fused to its culture hence campaign advertisements reggae songs party pamphlets and other documents are part of the larger picture of Caribbean life and letters This volume centers and comes to rest on the adoption of Rastafarian symbols in the context of Jamaica's democratic institutions which are characterized by vigorous campaigning electoral fraud and gang violence In recent national elections such violence claimed the lives of hundreds of people Significant issues are dealt with in this cultural setting race differentials among Whites Browns and Blacks the rise of anti Cubanism the Rastafarians response to the use of their symbols and the current status of Rastafarian ideological legitimacy Ethnicity. Religion and Class in Israeli Society Eliezer Ben-Rafael, Stephen Sharot, 1991-02-21 This book is the first major sociological analysis of the characteristics and interrelationships of ethnicity religion and socio economic class in Israeli society Although much has been written about the various distinctions between Sephardi and Ashkenazi Jews this volume argues for a more sophisticated approach than the rather crude divisions that have formed the basis of most works on the subject The authors include categories largely overlooked in sociological studies on Israel such as middle class Israelis from Asia and Africa and working class Israelis from Europe The data acquired from this rich ethnic mix leads to the analysis of a wide range of theoretical issues that casts fresh light on social cleavages within Israel in particular and society in general Applications of Banks' Typology of Ethnic Identity Development and Curriculum Goals to Story Content and Classroom Discussion Louise M. Tomlinson, 1996 Immigration to Israel Elazer Leshem, 2017-09-04 This eighth volume in the Studies of Israeli Society series presents a broad array of topics related to the sociology of immigration to Israel The focus is on immigration and migration during the 1980s and 1990s The chapters were selected from a list of approximately 450 articles on the subject by Israeli sociologists The book covers such issues as migrants in the occupational structure migration and health formal and informal mechanisms of integration ethnic identities and processes of integration and processes of migration and their implications Immigration to Israel opens with two papers written specifically for this volume The first is a theoretical historical chapter by the editors They discuss the role and contribution of Israeli sociologists to the ongoing literature of migration The second by Sergio DellaPergola provides a historical and comparative perspective of the underlying demographic characteristics of migration to Israel in the context of global Jewish migration processes Other chapters and contributors include New Entrepreneurs and Entrepreneurial Aspirations among Immigrants from the Former USSR in Israel by M Lerner and Y Hendeles New Immigrants as a Special Group in the Israeli Armed Forces by V Azarya and B Kimmerling Iranian Ethnicity in Israel by J L Goldstein Ethiopian Immigrants in Israel by S Kaplan and C Rosen The Attitudes of Israeli Youth Toward Inter ethnic and Intra ethnic Marriage by R Shachar and Jewish Immigrants from Israel in the United States by Z Eisenbach Immigration to Israel Sociological Perspectives concludes with a selected bibliography This volume contains a wealth of information and will be important to sociologists historians scholars of Israeli culture and A Nation Within a Nation Komozi Woodard, 1999 Poet and playwright Amiri Baraka is best known as ethnicity specialists one of the African American writers who helped ignite the Black Arts Movement This book examines Baraka's cultural approach to Black Power politics and explores his role in the phenomenal spread of black **Nationalism and Social** Policy Daniel Béland, André Lecours, 2010-08-12 Despite the recent proliferation of literature on nationalism and on social policy relatively little has been written to analyse the possible interaction between the two Scholars interested in social citizenship have indirectly dealt with the interaction between national identity and social programs such as the British NHS but they have seldom examined this connection in reference to nationalism Specialists of nationalism rarely mention social policy focusing instead on language culture ethnicity and religion The main objective of this book is to explore the nature of the connection between nationalism and social policy from a comparative and historical perspective At the theoretical level this analysis will shed new light on a more general issue the relationships between identity formation territorial politics and social policy Although this book refers to the experience of many different countries the main cases are three multinational states that is states featuring strong nationalist movements Canada Qu bec the United Kingdom Scotland and Belgium Flanders The book looks at the interplay between nationalism and social policy at both the state and sub state levels through a detailed comparison between these three cases In its concluding chapter the book brings in cases of mono national states i e France Germany Sweden and the United States to provide broader comparative insight on the meshing of nationalism and social policy The original theoretical framework for this research is built using insight from selected scholarship on nationalism and on the welfare state Newspaper Coverage of Interethnic Conflict Hemant Shah, Michael C.
