discovered that becoming a serious musher is not to be undertaken by the faint of heart or by those who cannot learn to laugh at themselves and keep going in the face of daunting difficulties and dangers By the time he eventually pulled under the famous burlled arch at the end of Front Street in Nome his perspective on life had been changed forever by his dogs and by the staggering scope and intensity of the Iditarod This is Everyman s Iditarod a tribute to the dedicated dreamers and their dogs who run to Nome in back of the pack with no hope of prize money or glory This is truly the rest of the story of the Last Great Race on Earth
