Cure for Alcoholism Roy Eskapa, 2012-10-23 Finally there is a cure for alcoholism This is the first step Featuring new and updated information and studies including an introduction by actress Claudia Christian the second edition of *The Cure for Alcoholism* delivers exactly what millions of alcoholics and families of alcoholics have been hoping for a painless dignified and medically proven cure for their addiction Backed by 82 clinical trials and research that extends back to 1964 The Sinclair Method deploys an opiate blocking medication in a very specific way in combination with ongoing drinking to extinguish the addictive software in the brain The de addiction process rolls back the addictive mechanism in the brain to its original pre addicted state before the first drink was consumed making this program an actual cure for alcoholism Drs Roy Eskapa and David Sinclair of The Sinclair Method have put together a sound scientific book that proves that with this particular method alcoholism can be cured in more than 78 percent of patients What's more the treatment avoids the dangerous withdrawal symptoms allowing patients to detox gradually and safely while they are still drinking This removes the need for expensive and unpleasant inpatient rehabilitation programs Actual drinking levels and cravings automatically decrease until control over alcohol is restored The bottom line is that patients can control their drinking or stop altogether with the simple yet powerful process outlined in *The Cure for Alcoholism* Including a new introduction by actress Claudia Christian about The Sinclair Method's impact on her life updated trial information and a letter explaining the treatment that can be given to doctors by patients *The Cure for Alcoholism* is a revolutionary book for anyone who wants to gain control over drinking

Take Control of Your Drinking Michael S. Levy, 2021-01-12 Accepting that there is no one size fits all approach to controlling drinking the latest edition of this bestselling book will help you assess your drinking and determine whether moderation or abstinence is the best path for you For decades the standard treatment for people struggling with alcohol consumption has focused on convincing them to admit that they are an alcoholic to stop drinking entirely and to enter into a program most commonly Alcoholics Anonymous But in his more than thirty five year career as an addiction specialist working with people who want to change their drinking habits Michael S Levy has found that the routes to behavioral change actually vary And although abstinence is the successful route for many people others can moderate their drinking on their own or with professional help In this practical effective and compassionate book Levy helps people take control of their alcohol problem by teaching them how to think about and address their drinking habits Beginning with a set of self assessments that reveal whether the reader's use of alcohol is creating problems Levy explains the causes of problem drinking discusses the growing recognition of the various ways an alcohol use disorder can show itself and talks about why it is so difficult to change Offering advice for choosing between moderating your drinking or abstaining altogether he also touches on coping with slipups fighting helplessness and the fear of failure and knowing when moderation is not achievable The book is unique in that instead of telling people what they need to do it meets people at their stage of change and level of

readiness to change and helps them decide for themselves what they need to do Drawing on the latest scientific evidence this new edition includes a chapter on the concept of self medication a useful but at times overused idea a chapter on the concurrent use of drugs particularly cannabis during recovery an exploration of modern strategies for dealing with drinking including technology apps that count drinks for example and medications that curb alcohol consumption reflections on the use of stigma communication strategies for individuals seeking to share their struggle with others an exploration of common triggers additional worksheets and tips to achieve success further material about self help programs and insights about the dark side of addiction treatment Ultimately Take Control of Your Drinking empowers people to tackle their drinking problem and gives them the freedom to do so in a way that fits with their own lifestyle and values This book is useful for anyone who may find that they are drinking too much for the loved ones of such people and for clinicians who want to broaden their skills when working with people who struggle with alcohol
