Raven The Whale:

Raven and Whale Scott Page, 2011 A retelling of how Raven came to know more about the creatures that he created by learning from Whale **Qanemcit Amlertut/Many Stories to Tell** Ann Fienup-Riordan, Alice Rearden, 2017-11-15 This bilingual collection shares new translations of old stories recorded over the last four decades through interviews with Yup'ik elders from throughout southwest Alaska. Some are true traditional tales while others are recent. Some are well known like the adventures of the wily Raven while others are rarely told. All are part of a great narrative tradition shared and treasured by Yup'ik people into the present day. This is the first region wide collection of traditional Yup'ik tales and stories from Southwest Alaska. The elders and translators who contributed to this collection embrace the great irony of oral traditions that the best way to keep these stories is to give them away. By retelling these stories they hope to create a future in which the Yup'ik view of the world will be both recognized and valued **The Story of the New England Whalers** John Randolph Spears, 1908 Tsimshian Mythology Franz Boas, 1916 **Raven's Children** , The Hero with a Thousand Faces Joseph Campbell, 2008 This newly redesigned edition of Campbell's seminal 1949 work combines the insights of modern psychology with the author's revolutionary understanding of comparative mythology. This dazzling collection of American Indian trickster tales compiled by an eminent anthropologist and a master storyteller serves as the perfect companion to their previous masterwork *American Indian Myths and Legends*. *American Indian Trickster Tales* includes more than one hundred stories from sixty tribes many recorded from living storytellers which are illustrated with lively and evocative drawings. These entertaining tales can be read aloud and enjoyed by readers of any age and will entrance folklorists anthropologists lovers of Native American literature and fans of both Joseph Campbell and the Brothers Grimm *Writing and Reading Connections* Zoi A. Philippakos, Steve Graham, 2022-10-13 Writing skills are essential for success in the 21st century school and workplace but most classrooms devote far more time to reading instruction with writing often addressed in isolation or excluded.
