Does God Love the Coronavirus? Stephen Bevans,Clemens Sedmak,2021-10-14 This book is a correspondence between two theologians and friends during the COVID 19 pandemic in 2020 21 In it the authors reflect on the nature of God the efficacy of prayer the value of experience the nature of theology itself the importance of Christian hope and many other topics The style is familiar and light rich and full of wisdom *Shadows Wait To Play* Thomas Tipton,2006-02-16 Loyal soldiers in the service of Falcon the Wolf Pack stands against Gairon the Harbinger The Winter War is long over but the threat of the Darklords still lurks in every shadow A new enemy has joined the ranks of Gairon s minions wrapped inside a centuries old mystery Though questions beg answers the young men and women of the Wolf Pack bury their doubts and fears with their dead They struggle while *Shadows Wait to Play* *They Called Us THE ANUNNAKI* Morgan Daughtry,2020-01-31 They did not want their world to perish but in her quest for power one devious mind will bring them nearer to destruction and extinction Overwhelmed with joy after finding a new planet they did not realize that treachery lurked in the shadows One

woman's lust for respect and power will bring them to their knees. She will remove a piece of the Amiscoria from its resting place deep within the caverns on their dying planet Anchante, unleashing a forbidden dark power to their world. T The Curse at the Confluence LP Anthony, 2016-01-05. It is of small consolation to us that the white man will ultimately be the arbiter of his own eventual ruin. But since there is nothing we can do to stop him, I have designed and now propose a curse. Like a disease, my curse has been engineered to do its damage over time. Its purpose is to disrupt and prevent lasting social harmony and prosperity by undermining the stability of their society and the productivity of their industries. It will cause great social unrest and upheaval. It will affect climate, making winters bitter and summers unbearably hot. Biting and stinging insects will feast on their flesh, and rodents will infest their dwellings, spreading disease among them. Their children will die in the womb in great numbers and at birth with great frequency. Their elderly will experience protracted years of agonizing suffering. Foreign species of plants, animals, and fish will invade, choke out, and dominate these waters and lands. In time, they will see their own populations dwindle and will be helpless to stem the tide that will make them the minority. This slow poison will permeate every aspect of their existence, and just as we are now powerless to stop them, they too will be powerless. One day, they will learn what we have done to avenge ourselves, but only after the damage is complete. Then, my brothers, they will have no choice but to acknowledge the injustices they have inflicted upon us. Peter Sursile is stressed. By day, he finds himself beset by the troublesome behavior of his petulant young fiancée, Eliza, and by the unrelenting pressure to write his PhD thesis, which is all that stands between him and the future he rightly deserves. But deciding on just the right topic has proven to be easier said than done. By night, a vivid recurring nightmare of a horrific train wreck and a mortally injured woman in the wreckage, who hauntingly repeats the phrase "Peter, it's time," has plagued his sleep for weeks. Yet even after an unnerving encounter with an ancient white-maned Shaman, he remains stubbornly convinced that these and other strange happenings are merely stress-related. But something he hears during his run-in with the Shaman compels him to research a certain upstate New York town, and for his effort, he is seemingly rewarded with what appears to be the thesis topic he's been looking for. However, revelations surrounding the inspiration for his research lead him to Binghamton, NY, where sudden, unprecedented violence has brought the city to its knees. His journey exposes the true purpose of his nightmare, reveals the identity of the woman in the wreckage, and explains the nature of events which will likely destroy the city if left unchecked. But success is far less certain than the consequences should he fail to reveal a 19th-century curse to its 21st-century victims. The Curse At the Confluence is proud to be the first novel of its kind to be set primarily in the Binghamton, New York area.

Raven's Ladder Jeffrey Overstreet, 2010-02-16. A DEADLY MENACE IS BREAKING THROUGH THE GROUND. THE PEOPLE OF ABASCAR MUST ABANDON THEIR STONE REFUGE AND FLEE INTO VULNERABILITY IN THE FOREST. BUT THEIR KING HAS HAD A VISION. Following the beacon of Auralia's colors and the footsteps of a mysterious dream creature, King Cal, raven, has discovered a destination for his weary crowd of refugees. It's a city only imagined in legendary tales. And it

gives him hope to establish New Abascar But when Cal raven is waylaid by fortune hunters his people become vulnerable to a danger more powerful than the prowling beastmen House Bel Amica In this oceanside kingdom of wealth enchantment and beauty deceitful Seers are all too eager to ensnare House Abascar s wandering throng Even worse the Bel Amicans have discovered Auralia s colors and are twisting a language of faith into a lie of corruption and control If there is any hope for the people of Abascar it lies in the courage of Cyndere daughter of Bel Amica s queen the strength of Jordam the beastman and the fiery gifts of the ale boy who is devising a rescue for prisoners of the savage Cent Regus beastmen As his faith suffers one devastating blow after another Cal raven s journey is a perilous climb from despair to a faint gleam of hope the vision he sees in Auralia s colors

God's Plan Joan Parris,2022-08-05 The heavens declare the glory of God and the firmament sheweth his handywork Day unto day uttereth speech and night unto night sheweth knowledge Psalm 19 1 2 God has spoken once twice have I heard this that power belongs to God When God reminded me about the spoken word from his prophet from years ago I became alive again as his words are in my life The expectation of the wicked will not be met in my life Ye shall not fear them for the Lord your God he shall fight for you Deuteronomy 3 22 The Word of God is a consuming fire and on my tree the fire burns in degrees first second and third degrees The problem is not that I was not giving in God ministries but because I was not consulting God I learned to depend on God I am grateful for the gift of God As nature presents itself I choose right from wrong and then I smell that the water is dried up out of the pot with the eggs I was not flustered I said Oh Lord God how can someone burn eggs I just did And we know that all things work together for good to them that love God to them who are called according to his purpose Romans 8 28 Fruit baskets are full with different types of fruits and vegetables No good trees bear bad fruits nor does a bad tree bears good fruit Luke 6 43 A father is the monarch of the house of God and teaches his children the truth and steer them into the right direction As I was prophesying things are coming together The delicious plate of wickedness was devoured and I am still standing to speak about it Not everyone can fit in my shoes as the discomfort of it will make them surrender Don t let me pray As I started to pray there was silence after a while then the line went dead After learning to walk in obedience and started to with God things became very easy not smooth because there are levels and levels Trouble is always attached to people who try to get away from trouble but attract trouble by adaption Yet man that is born unto trouble as the sparks fly upward Job 5 7 There is no fear in love but perfect love casts out fear For fear has to do with punishment and whoever fears has not been perfected in love 1 John 4 18 Insecurity and how it impacts your life has pros and cons as well as everything in life Raven s and dove s assignments are not the same as they are heading in different directions Tears are reserved for special times when it s ready to flow in every area of your life Birds cannot fly with broken wings as the wings need to expand and stretch out as the wind passes through and gives it the push it needed to fly God s ways are higher than man s ways Also the thoughts of God are higher than the thoughts of men as far as the heaven is high above the earth That is how the word of God describes the ways and thoughts of God so is God s Again I say unto you

that if two of you shall agree on earth as touching anything that they shall ask it shall be done for them of my Father which is in heaven Matthew 18 19
