Moore, 2020-04-02 Bridget Mathers could swear her love life ran slower than the wi-fi connection in her dentist's office and that in and of itself was already an impressive feat But she didn't mind Patience she had trained her mind to remember God had his plans and God had his time Even so sometimes she still couldn't suppress the twinge of disappointment she felt over the emptiness of her apartment when she headed home at night At least until Theo

Noyes came around Theo came around and left Bridget hoping because hoping was all she could really afford to do as an employee of his dentist Torn between pursuing her first chance at love and the strictly bound regulations against dating in the office Bridget only dares hope The two take their chances anyways but an unexpected accident has them both holding on not just to each other but also their relationship with God This is a standalone short story with HEA ending A Ray of Hope
